## **Songs Of Thomas Durfey:**

*The Songs of Thomas D'Urfey* Thomas D'Urfey, 1933 A collection of 26 song texts by Thomas D'Urfey with music in facsimile for all except two Settings are principally for unaccompanied voice or for voice with unfigured bass Composers are named in some instances English words The songs Thomas D'Urfey, 1968 *The Songs of Thomas D'Urfey* Thomas D'Urfey, 1933 **The Songs of Thomas D'Urfey. Selected and Edited by Cyrus Lawrence Day. [With a Portrait and Facsimiles.].** Thomas D'Urfey, Cyrus Lawrence Day, 1933 Thomas Durfey and Restoration Drama John McVeagh, 2017-03-02 Though once a favourite of no fewer than four English monarchs Restoration playwright Thomas Durfey has long been neglected by scholars In his own day he had a lowly reputation in the world of polite letters before his death his plays had more or less ceased to be produced his serious poems had died long before that and even his songs were soon thought of as common property or folk songs In this new study author John McVeagh re examines Durfey's literary output finding merit and interest where it has long been presumed that none existed and restoring Durfey to his proper place in late 17th and early 18th century literature Durfey's creative lifetime spanned the entire Restoration period and continued into and beyond the reign of Queen Anne McVeagh's book studies his continuing ability to adapt to shifts in taste fashion and personnel in the world of the theatre It examines in detail his numerous experiments in new kinds of dramatic writing both responding to and influencing the conditions of theatrical and artistic production Among the topics covered are Durfey's attempts to feminize Restoration comedy his political satires in drama in the late Stuart years his anticipations of sentimental comedy his search for a new language for lower class tragedy and his musical dramatic experimentations in the 1680s and 1690s focusing particularly on his collaborative work with Matthew Locke Samuel Ackroyde John Eccles Daniel and Henry Purcell and other composers In addition the author discusses Durfey's numerous satiric narrative and other poems and relates his writings to their social political and cultural contexts The book includes a performance record listing the plays by performance date The record includes such information if known as where it was performed by what company cast list to whom it was dedicated a brief description of the prologue and epilogue when it was published what music it contained and details of any revivals **Appendix A: Index to the first lines of the songs in Wit and mirth: or, Pills to purge melancholy. Appendix B: Index to the first lines of the songs of Thomas Durfey** Cyrus Lawrence Day, 1930 Wit and Mirth; Or, Pills to Purge Melancholy Thomas D'Urfey, 1719 *The Ashgate Research Companion to Henry Purcell* Rebecca Herissone, 2016-04-01 The Ashgate Research Companion to Henry Purcell provides a comprehensive and authoritative review of current research into Purcell and the environment of Restoration music with contributions from leading experts in the field Seen from the perspective of modern interdisciplinary approaches to scholarship the companion allows the reader to develop a rounded view of the environment in which Purcell lived the people with whom he worked the social conditions that influenced his activities and the ways in which the modern perception of him has been affected by

reception of his music after his death In this sense the contributions do not privilege the individual over the environment rather they use the modern reader s familiarity with Purcell s music as a gateway into the broader Restoration world Topics include a reassessment of our understanding of Purcell s sources and the transmission of his music new ways of approaching the study of his creative methods performance practice the multi faceted theatre environment in which his work was focused in the last five years of his life the importance of the political and social contexts of late seventeenth century England and the ways in which the performance history and reception of his music have influenced modern appreciation of the composer The book will be essential reading for anyone studying the music and culture of the seventeenth century

**A New Collections of Songs and Poems by Thomas D'Urfey ...** Thomas D'Urfey,19?? **The Songs of Thomas D'Urfey in Pills to Purge Melancholy** John Allen Davidson,1972 **Ballad Collection, Lyric, and the Canon** Steve Newman,2013-04-23 The humble ballad defined in 1728 as a song commonly sung up and down the streets was widely used in elite literature in the eighteenth century and beyond Authors ranging from John Gay to William Blake to Felicia Hemans incorporated the seemingly incongruous genre of the ballad into their work Ballads were central to the Scottish Enlightenment s theorization of culture and nationality to Shakespeare s canonization in the eighteenth century and to the New Criticism s most influential work *Understanding Poetry* Just how and why did the ballad appeal to so many authors from the Restoration period to the end of the Romantic era and into the twentieth century Exploring the widespread breach of the wall that separated high and low Steve Newman challenges our current understanding of lyric poetry He shows how the lesser lyric of the ballad changed lyric poetry as a whole and in so doing helped to transform literature from polite writing in general into the body of imaginative writing that became known as the English literary canon For Newman the ballad s early lack of prestige actually increased its value for elite authors after 1660 Easily circulated and understood ballads moved literature away from the exclusive domain of the courtly while keeping it rooted in English history and culture Indeed elite authors felt freer to rewrite and reshape the common speech of the ballad Newman also shows how the ballad allowed authors to access the common speech of the public sphere while avoiding what they perceived as the unpalatable qualities of that same public s increasingly avaricious commercial society

**Music and Musicians on the London Stage, 1695-1705** Kathryn Lowerre,2017-07-05 From 1695 to 1705 rival London theater companies based at Drury Lane and Lincoln s Inn Fields each mounted more than a hundred new productions while reviving stock plays by authors such as Shakespeare and Dryden All included music Kathryn Lowerre charts the interactions of the two companies from a musical perspective emphasizing each company s new productions and their respective musical assets including performers composers and musical materials Lowerre also provides rich analysis of the relationship of music to genres including comedy dramattick opera and musical tragedy and explores the migration of music from theater to theater performer to performer and from stage to street and back again As Lowerre persuasively demonstrates during this period all theater was musical theater

Song in the Plays of Thomas D'Urfey, 1653 -

1723 Helen Theodora Nutter,1975     **"Music and Musicians on the London Stage, 1695?705 "** Kathryn Lowerre,2017-07-05 From 1695 to 1705 rival London theater companies based at Drury Lane and Lincoln s Inn Fields each mounted more than a hundred new productions while reviving stock plays by authors such as Shakespeare and Dryden All included music Kathryn Lowerre charts the interactions of the two companies from a musical perspective emphasizing each company s new productions and their respective musical assets including performers composers and musical materials Lowerre also provides rich analysis of the relationship of music to genres including comedy dramattick opera and musical tragedy and explores the migration of music from theater to theater performer to performer and from stage to street and back again As Lowerre persuasively demonstrates during this period all theater was musical theater     Cervantes in Seventeenth-Century England Dale B. J. Randall,Jackson C. Boswell,2009-01-29 This unique work of scholarship gathers together over a thousand early modern English references to the writings of the great Spanish writer Miguel de Cervantes not only from Don Quixote but also from his ground breaking Novelas ejemplares     **The Recruiting Officer** George Farquhar,2014-05-29 This completely new edition of The Recruiting Officer contains a freshly edited play text with new annotations in modern spelling Tiffany Stern s comprehensive and engaging introduction discusses the author s career and gives a history of the play including its staging critical interpretation date and sources putting it its context of the late Restoration and illuminating its theatrical vivacity Farquhar s The Recruiting Officer is set in Shrewsbury in 1704 and describes what happens in a country town when the army come to stay With cross dressing and confusion in plenty this is a comedy exploring the timeless themes of love and war One of Farquhar s last two plays The Recruiting Officer is both entertaining and touching It has a light humane touch and its original depiction of a real life provincial town comically explores the impact that ongoing warfare had on its civilian society     **Wit and Mirth; Or, Tom D'Urfey's Pills to Purge Melancholy** Thomas D'Urfey,1791     The Lively Arts of the London Stage, 16751725 Kathryn Lowerre,2016-12-05 Unlike collections of essays which focus on a single century or whose authors are drawn from a single discipline this collection reflects the myriad performance options available to London audiences offering readers a composite portrait of the music drama and dance productions that characterized this rich period Just as the performing arts were deeply interrelated the essays presented here by scholars from a range of fields engage in dialogue with others in the volume The opening section examines a famous series of 1701 performances based on the competition between composers to set William Congreve s masque The Judgment of Paris to music The essays in the central section the mainpiece showcase performers and productions on the London stage from a variety of perspectives including English tastes in art and music the use of dance the depiction of madness and masculinity in both spoken and musical performances and genres and modes in the context of contemporary criticism and theatrical practice A brief afterpiece looks at comic pieces in relation to satire parody and homage By bringing together work by scholars of music dance and drama this cross disciplinary collection illuminates the

interconnecting strands that shaped a vibrant theatrical world      *Catalogue of Old and Rare Books, Offered for Sale by Pickering and Chatto* Pickering & Chatto,1896      **Britain in the Hanoverian Age, 1714-1837** Gerald Newman,Leslie Ellen Brown,1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families
