## **Soul Bared:**

Soul Bared David L. Oakford, 2004 David Oakford's experience on The Other Side of death's curtain is real, valid and profound. Although drugs were the initial trigger for what he went through and clearly the evidence for drug effects color the first part of his episode and the beginnings of the second part, what happened next was a full-blown ascended state that had a significant impact on him. Near-death experiences are not magic nor do they produce saints. And we can thank David for revealing this for baring his soul. From the struggles and depression that followed, there emerged a truly changed man who knew positively knew that there is more to life than we are taught and more to God's Greater Plan for us than we might imagine.

**John O' Dreams** L. J. Dickinson, 1915      *Lost Lineage* Carrie Goldsmith Childs, 1896      **Delphi Collected Works of Ouida (Illustrated)** Ouida, 2017-11-17 [www.delphiclassics.com](http://www.delphiclassics.com)      *Sir John Dering* Jeffery Farnol, 2022-08-21

In *Sir John Dering*, Jeffery Farnol crafts a captivating tale set in the Elizabethan era, weaving together themes of honor, adventure, and romance with his signature lyrical prose. The narrative follows the bold and chivalrous Sir John Dering, who is portrayed as a quintessential hero navigating a world rife with political intrigue and personal trials. Farnol's evocative descriptions not only bring the historical setting to life but also imbue the text with a sense of nostalgia for a bygone age filled with gallant knights and noble pursuits. The book reflects Farnol's deep appreciation for medieval chivalric ideals, which resonate through its exciting plot twists and richly drawn characters. Jeffery Farnol, a renowned British author, is celebrated for his mastery of historical fiction and adventure narratives. His experiences as a stage designer and his profound interest in history significantly influenced his writing style, often characterized by vivid imagery and intricate plotting. Farnol's passion for the romanticized past is evident in *Sir John Dering*, where he infuses his storytelling with an appreciation for the heroic virtues and moral complexities of his characters. *Sir John Dering* is a must-read for enthusiasts of historical fiction and adventure, as it encapsulates the essence of heroism in a turbulent world. Farnol's ability to blend historical accuracy with imaginative storytelling invites readers to lose themselves in a richly crafted narrative, making it an enduring addition to the canon of literature worthy of exploration.

*The Poems of Paul Valéry* Jan Schreiber, 2021-03-19 One of the most important French poets of the twentieth century, Paul Valéry (1871-1945) influenced generations of poets who came after him. Major poets in England and America, including T. S. Eliot, Wallace Stevens, and W. H. Auden, agreed that he should be better known in the English-speaking world. However, his complex and graceful writing presents daunting obstacles for the translator, who must capture the motions of a subtle intellect while recreating the rhythms and rhymes that entranced the poet's French contemporaries. This volume is the culmination of 50 years devoted to bringing Valéry's poems into fluent English. It shows the writer to be both the supreme poet of the mind and a consummate linguistic musician. Readers curious to encounter *The Graveyard by the Sea* will find it brilliantly rendered here, along with other masterpieces in both long and short forms. This is a book for every lover of language and ideas.
