Sound Economic Basis For Schools Of Nursing:

A Sound Economic Basis for Schools of Nursing and Other Addresses Mary Adelaide Nutting, 1926 *A Sound Economic Basis for Schools of Nursing, and Other Addresses* Mary Adelaide Nutting, 1926 *Pacific Coast Journal of Nursing*, 1927 [The American Journal of Nursing](#), 1928 **A Curriculum for Schools of Nursing** National League of Nursing Education (U.S.). Committee on Education, 1927 *Nursing the Nation* Jean C. Whelan, 2021-02-12 Nursing the Nation explores how nurses became employees of hospital and care agencies rather than independent individual contractors It also demonstrates how nurses missed opportunities to control their own destinies in practice but gained the ability to establish themselves as the most critical part of health care today **The Care of the Sick** Vern L. Bullough, Bonnie Bullough, 2021-06-23 Originally published in 1979 The Care of the Sick is a detailed and comprehensive exploration of the emergence of modern nursing Beginning with primitive and early historical nursing the book traces the development of nursing through the ages and covers a variety of key topics including the rise of the trained nurse the problems faced by nursing during its development as a profession education and working conditions the government and nursing the economics of nursing and how the image of nursing has changed over time Extensive and thorough The Care of the Sick will appeal to those with an interest in the history of nursing the history of medicine and social history **The Trained Nurse and Hospital Review**, 1915 A monthly magazine of practical nursing devoted to the improvement and development of the graduate nurse [Long Island Medical Journal](#) Henry Goodwin Webster, Paul Monroe Pilcher, Frank Overton, Alec Nicol Thomson, 1926 **Annual Report and Proceedings of The...annual Convention** National League for Nursing, National League of Nursing Education (U.S.), 1915 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1992 [The American General Hospital](#) Diana E. Long, 2019-06-30 This collection of ten essays by leading scholars in the social history of medicine provides a window into the world of the hospital exploring the increasing complexity of both its internal and external dynamics as well as the relationship between the two An introductory essay describes and evaluates the shifting balance between the hospital's moral and medical purposes tracing the social technical physical and medical developments that have continually shaped the image and activities of the general hospital from 1800 to the 1980s Part One of the book places American general hospitals in the larger context of their regional ethnic religious and racial communities It contains four essays including two case studies of local hospitals one urban the other rural in transition a photographic essay of life in community hospitals and an account of the attempt to move black hospitals into the mainstream during the years 1920 to 1945 Part Two focuses on the professional communities within the hospital Four essays explore the impact of technology on the modern hospital science and the nursing profession the changing education of hospital administrators and the coming of age in the 1960s of the first hospital workers union A concluding article addresses crucial public policy issues and considers prospects for the future of the American general hospital [Nurses' Work](#) Patricia D'Antonio, RN, PhD,

FAAN, Ellen D. Baer, RN, PhD, FAAN, Sylvia Rinker, RN, PhD, Joan E. Lynaugh, RN, PhD, FAAN, 2006-09-01 Designated a Doody's Core Title Winner of an AJN Book of the Year Award Every nursing student and practicing nurse would benefit from reading this book Score 91 4 stars Doody's The excerpts taken from original writings and events provide readers with a sneak peak into a forgotten world This book is a must for anyone in the nursing profession Essential All levels Choice With contributions from some of the most renowned nursing scholars and historians the real life history of how nurses worked and how they endured the ever changing economic social educational and technological milieus is presented in a captivating collection of articles Through time and place experts chronicle the rich variety of nurses work by presenting actual accounts of clinical practice experiences Tracing the evolution of nursing from the role as family caregiver to roles in clinical practice today the contributors approach this history by focusing on four thematic categories Who does the work of nursing Who pays for the work of nursing What is the real work of nursing How have our nursing predecessors struggled with the relationship between work and knowledge Nurses Work provides an incredible collection of significant historical scholarship and contemporary themes that encourages us to understand and think these questions and the future of nursing Industrial Arts Index, 1928 Taking Charge Sandra B. Lewenson, 2014-02-04 First Published in 1994 Part of the series on the Development of American Feminism Sandra Lewenson's Taking Charge is the first in this series and the selection reflects the intent to assist in enlarging our general understanding of an often overlooked presence of feminism in such professional activities as those of the Modern Nursing Movement in the United States from the Gilded Era to World War I This work will greatly enlighten the reader regarding the struggles and accomplishments of women in nursing *Report* National League of Nursing Education, 1917 *The Journal of the Medical Society of New Jersey* Medical Society of New Jersey, 1927 Includes the society's Annual reports *Modern Hospital*, 1928 *Current Catalog* National Library of Medicine (U.S.), 1992 First multi year cumulation covers six years 1965-70 **Professions, Work and Careers** Anselm L. Strauss, 2018-04-24 Professions Work and Careers addresses some of the central themes that preoccupied the eminent sociologist Anselm Strauss This collection is directed at sociologists concerned with the development of theory and graduate and undergraduate students in the sociology of work and the sociology of medicine His approach is both thematic and topical Straus examines organization profession career and work in addition to related matters such as socialization occupational identity social mobility and professional relationships all in a social psychological context Because medicine is considered by many to be the prototype profession Strauss effectively illustrates many of the points by allusion to nurses chemists hospitals wards and terminal care The progression of ideas in these essays are a befitting source for the study of structure interaction and process other themes that occupied Strauss in his other research enterprises As Irving Louis Horowitz noted at the time of Anselm Strauss's death in 1996 Anselm was and remained a social psychologist of a special sort He appreciated that what takes place in the privacy of our minds translates into public consequences for the social fabric His statements on personal

problems are invariably followed in quick succession by intensely sociological essays on close awareness face to face interaction and structured interactions The subtext distinguishes sociological from psychiatric conventions seeing everything from daydreams to visions in interactionist frames rather than as pathology The implications of his explorations into the medical profession are stated gently but carry deep ramifications for the act of people treating each other compassionately not less than professionally is also an act of awareness Treating the human person as a creature of dignity when generalized becomes the basis for constructing human society The late Anselm Strauss was a pioneer in bridging the gap between theory and data in sociology This collection of his works available in paperback for the first time will be a valuable resource for professionals and students interested in grounded social theory Anselm L Strauss was professor of sociology and chairman of the graduate program in sociology University of California San Francisco He is the author of numerous books including *Creating Sociological Awareness* and editor of *Where Medicine Fails* both published by Transaction
