At the top, there is a large, abstract shape that resembles a stylized bird or a cluster of leaves. Below it, towards the center, is another abstract shape that looks like a folded piece of paper or a leaf. To the right of the center, there is a drawing of a single, elongated leaf or petal. At the bottom right, there is a drawing of a flower bud or a small, pointed leaf. The overall aesthetic is artistic and somewhat somber.

The Struggle for Shakespeare's Text Gabriel

Egan,2010-10-21 We know Shakespeare's writings only from imperfectly made early editions from which editors struggle to remove errors The New Bibliography of the early twentieth century refined with technological enhancements in the 1950s and 1960s taught generations of editors how to make sense of the early editions of Shakespeare and use them to make modern editions This book is the first complete history of the ideas that gave this movement its intellectual authority and of the challenges to that authority that emerged in the 1980s and 1990s Working chronologically Egan traces the struggle to wring from the early editions evidence of precisely what Shakespeare wrote The story of another struggle between competing interpretations of the evidence from early editions is told in detail and the consequences for editorial practice are comprehensively surveyed allowing readers to discover just what is at stake when scholars argue about how to edit Shakespeare

Shakespeare and Text John Jowett,2019 An introduction to the foundations of the text of Shakespeare that examines Shakespeare's writing in the environment of the theatre and the printing of the earliest surviving texts This revised edition includes a new chapter on digital text digital editing and their interface with the traditional media
