That Same Persistent Chase Arthur Hale, 2004-07 What goes through the mind of someone who has spent forty years or more pursuing the occult investigating New Age thinking and or generally resisting the message of Jesus Christ when he can no longer keep running from the Hound of Heaven That Same Persistent Chase records some of the thoughts that led to this change and some thoughts that have come along since It is a book about the beauty and wonder of His death and resurrection about grace and mercy I am not a believer in so called channeling says this new Christian but I wake up at 3 a m with a sermon or essay going on in my head and have no hope of sleeping again until I get up and write it down I believe my Lord is telling me things and I had better share them That Same Persistent Chase is both religious and anti religious It assumes that a committed Christian will be associated with a church but warns that mere church membership does not constitute membership in the Kingdom of God Regarding much of religion today the book poses the question When did Jesus ask for that

One Christian's Journey through Racism to Financial Security Earl C. Johnson, 2022-10-13 In this book I share with you a little about myself How I grew up and my meager beginning while being raised by my grandparents back in Cincinnati Ohio The lack of financial management training I received while growing up and my unawareness to my condition of lower class living I give you some insight into some of my struggles with racism while in the military and the effects it had on me navigating the military s system of advancement How some military personnel believed that race was a determining factor in a person s capacity to do certain jobs and consequently shouldn t have equal access to promotions and opportunities I share multiple scriptures with you as proof positive that God the creator of heaven and Earth the King of kings and the Lord of lords is our source and it is He who gives us the believers the power to gain wealth The Parable of the Talent in the book of Matthew and the Parable of the Minas in the book of Luke are solid evidence that God expects us to be good servants of the money He blesses us with And I also share with you my six step financial management system that will help any believer who follows it to become financially secure and

a good servant of the money God has and will bless you with The six step financial management system is sequential meaning you start with the first step and you don t progress to the second step until the first step is complete Doing so will ensure you have built a financial foundation that will not be shaken or destroyed by the tests trials and tribulations we all experience in this world It ends with answering three questions about retirement When do you start preparing for retirement How much money will you need for retirement And what does your retirement look like This is the first book and it will serve as a financial foundation to those who absorb its contents To you that have ears to hear if you read and believe you will achieve your financial goals It is the will of God 2 **Paul Guide to Christian Living , Christian Science Sentinel ,1899**
