Counterpoints Anti-Eviction Mapping Project, 2021-08-03 *Counterpoints* A San Francisco Bay Area Atlas of Displacement and Resistance brings together cartography essays illustrations poetry and more in order to depict gentrification and resistance struggles from across the San Francisco Bay Area and act as a roadmap to counter hegemonic knowledge making and activism Compiled by the Anti Eviction Mapping Project each chapter reflects different frameworks for understanding the Bay Area s ongoing urban upheaval including evictions and root shock indigenous geographies health and environmental racism state violence transportation and infrastructure migration and relocation and speculative futures By weaving these themes together *Counterpoints* expands normative urban studies framings of gentrification to consider more complex regional historically grounded and entangled horizons for understanding the present Understanding the tech boom and its effects means looking beyond San Francisco s borders to consider the region as a socially economically and politically interconnected whole and reckoning with the area s deep history of displacement going back to its first moments of settler colonialism *Counterpoints* combines work from within the project with contributions from community partners from longtime community members who have been fighting multiple waves of racial dispossession to elementary school youth envisioning decolonial futures In this way *Counterpoints* is a collaborative co created atlas aimed at expanding knowledge on displacement and resistance in the Bay Area with rather than for or about those most impacted

Always Enough L. Craft, 2006-06 As a child Sue Martin struggles to understand why her mother keeps her at a distance Always eavesdropping she hears her mother constantly referring to her as poor ol Sue This contributes to her low self esteem and leaves her feeling abnormal The story begins in the 1960 s and spans the most formative years of her life Possessing an intensity about everything Sue intellectually and emotionally matures at a young age Gary Waltham a student of art seeks to show her the beauty of the world Everything about him is a contrast to the turmoil and unrest inside her Very mature for their age they grow in love However one night while Sue is alone at a party her curiosity about alcohol leads to reckless drinking As her inhibitions diminish her repressed sexual desires quickly unfold This is the beginning of Sue s secret life of sexual exploration Slowly the reckless disregard for herself erodes her stability Seeking to sort life out at college Sue is stunned by the coldness and indifference of Dr Sarah McBride the Dean of Women Challenged by her demeanor Sue relentlessly breaks through her facade and discovers an amazing story of Sarah s character and strength to out live her sentence of death Unbeknownst to either of them their lives have a parallel reality and connection Sarah McBride now in her sixties is forced to look back at the great love story of her

life meanwhile Sue is forced to cope with a devastating tragedy that reveals overwhelming evidence of a love beyond her comprehension An appealing 1960s coming of age story Sue Martin struggling with an emotionally distant mother who refers to her as poor ol Sue suffers from low self esteem and feelings of abnormality But with the encouragement of others she begins to transform her life losing weight and dressing in her own style Narrated by Sue the story reads like a diary imbued with all of the attendant emotional intimacy and quotidian minutiae Though the characters often seem impossibly good forthright and articulate they remain highly sympathetic as they travel through the predictable but engaging plot Always Enough is a pleasant reminder of the magic of young love and the importance of cherishing our loved ones A rewarding read
