**A Grammar of New Testament Greek** Rodney A. Whitacre, 2021-11-30 A reader's guide to the morphology and syntax of Koine Greek From the pen of a seasoned instructor of biblical Greek this book functions as both an essential resource for second year students and an invaluable asset for all readers as they continue to hone and deepen their linguistic skills It begins with a basic overview of the language for new learners and for those looking for a brief refresher before moving into nuanced matters of morphology and syntax Whitacre's aim is ultimately to help readers understand the subtleties of the language on the pages of the New Testament thus he engages with the biblical text both grammatically and exegetically so that readers can experience its full power and
