The Good War Oral History Of World War Two

Patrick Finney

The Good War Oral History Of World War Two:

The Good War Studs Terkel, 1997-01-01 Personal narratives of 121 persons involved in World War II **"The Good War"** Studs Terkel, 1986 *The Good War* Studs Terkel, 2011 The Good War for which Terkel won the Pulitzer Prize is a testament not only to the experience of war but to the extraordinary skill of Terkel as interviewer As always Terkel's subjects are open and unrelenting in their analyses of themselves and their experiences producing what People magazine has called a splendid epic history of World War II With this volume Terkel expanded his scope to the global and the historical and the result is a masterpiece of oral history Tremendously compelling somehow dramatic and intimate at the same time The New York Times **The Good War** Studs Terkel, 1984 *Detroit And The "Good War": The World War II Letters of Mayor Edward Jeffries and Friends* Dominic J. Capece, Jr., Edward J. Jeffries Jr was elected mayor of Detroit in 1937 and for a decade led the city through a period of race riots union turmoil and unprecedented growth Jeffries's circle of friends was made up primarily of newspaper reporters who shared his interests and lifestyle Devoted to family they nevertheless worked long hours smoked heavily drank moderately and gambled often in their running card games of gin and poker After Pearl Harbor Jeffries watched his closest friends most twelve to fourteen years his junior enlist in the armed forces Voracious letter writers over the next four years they shared with one another their innermost hopes and fears They told stories about Gen George S. Patton the surrender of Japan of commanding African American soldiers during the Normandy invasion and the battles on the home front in the heart of Detroit the Arsenal of Democracy These letters present a candid portrait of the intellectual and political leadership of Detroit and America These men were confident in their values aware of their responsibilities and logical in their actions as they helped forge the weapons that turned back the fascist threat to democracy Their letters also reveal a level and kind of male camaraderie seemingly lost in the depersonalized technocratic society of the postwar era As such this work provides a more complete understanding of how Americans reacted to and were changed by the Good War

Looking for the Good War Elizabeth D. Samet, 2021-11-30 A remarkable book from its title and subtitle to its last words A stirring indictment of American sentimentality about war Robert G. Kaiser The Washington Post In Looking for the Good War Elizabeth D. Samet reexamines the literature art and culture that emerged after World War II bringing her expertise as a professor of English at West Point to bear on the complexity of the postwar period in national life She exposes the confusion about American identity that was expressed during and immediately after the war and the deep national ambivalence toward war violence and veterans all of which were suppressed in subsequent decades by a dangerously sentimental attitude toward the United States exceptional history and destiny Samet finds the war's ambivalent legacy in some of its most heavily mythologized figures the war correspondent epitomized by Ernie Pyle the character of the erstwhile G. I. turned either cop or criminal in the pulp fiction and feature films of the late 1940s the disaffected Civil War veteran who looms so large on the screen in the Cold War Western and the resurgent military hero of the post-Vietnam period Taken together these figures

reveal key elements of postwar attitudes toward violence liberty and nation attitudes that have shaped domestic and foreign policy and that respond in various ways to various assumptions about national identity and purpose established or affirmed by World War II As the United States reassesses its roles in Afghanistan and the Middle East the time has come to rethink our national mythology the way that World War II shaped our sense of national destiny our beliefs about the use of American military force throughout the world and our inability to accept the realities of the twenty first century s decades of devastating conflict

The Myth of the Good War Jacques R. Pauwels,2002-10-25 This book offers a fresh and provocative look at the role of the USA in World War II It spent four months on the nonfiction bestseller lists in Europe when it was first published in Belgium in 2000

The "Good War" in American Memory John Bodnar,2010-10-01 The Good War in American Memory dispels the long held myth that Americans forged an agreement on why they had to fight in World War II John Bodnar s sociocultural examination of the vast public debate that took place in the United States over the war s meaning reveals that the idea of the good war was highly contested Bodnar s comprehensive study of the disagreements that marked the American remembrance of World War II in the six decades following its end draws on an array of sources fiction and nonfiction movies theater and public monuments He identifies alternative strands of memory tragic and brutal versus heroic and virtuous and reconstructs controversies involving veterans minorities and memorials In building this narrative Bodnar shows how the idealism of President Franklin Roosevelt s Four Freedoms was lost in the public commemoration of World War II how the war s memory became intertwined in the larger discussion over American national identity and how it only came to be known as the good war many years after its conclusion

The Real History of World War II Alan Axelrod,2008 Traces the causes of World War II explores the motivations of important people involved with it presents the events of the war grouped by the theater in which they took place and examines its aftermath

The American Experience in World War II: The atomic bomb in history and memory Walter L. Hixson,2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set The American Experience in World War II For a complete list of the volume titles in this set see the listing for The American Experience in World War II ISBN 0 415 94028 1

Remembering the Road to World War Two Patrick Finney,2010-09-13 This is comparative history on a grand scale skilfully analysing complex national debates and drawing major conclusions without ever losing the necessary nuances of interpretation Stefan Berger University of Manchester UK Remembering the Road to World War Two is a broad and

comparative international survey of the historiography of the origins of the Second World War It explores how in the case of each of the major combatant countries historical writing on the origins of the Second World War has been inextricably entwined with debates over national identity and collective memory Spanning seven case studies the Soviet Union Germany Italy France Great Britain the United States and Japan Patrick Finney proposes a fresh approach to the politics of historiography This provocative volume discusses the political cultural disciplinary and archival factors which have contributed to the evolving construction of historical interpretations It analyses the complex and multi faceted relationships between texts about the origins of the war the negotiation of conceptions of national identity and unfolding processes of war remembrance Offering an innovative perspective on international history and enriching the literature on collective memory this book will prove fascinating reading for all students of the Second World War

The Bad City in the Good War Roger W. Lotchin, 2003-03-03 Riders were very appropriate to a western war but these horsemen could not have been more different One group patrolled the oceanfront of The City after dark While the residents of the nearby Sunset District and Seacliff huddled around the radios in their living rooms curtains pulled and blinds lowered listening to war news or to One Man s Family other residents rode the beaches Mounted on their own ponies the men of the San Francisco Polo Club labored through the sands of China Beach Baker Beach and the Ten Mile Beach looking for Imperial Japanese intruders from the book In the mythology of the West the city was seen as a place of danger and corruption but the bad city proved its mettle during the Good War In this book Roger W Lotchin has written the first comprehensive study of California s urban home front United by fear of totalitarianism the diverse population of California s cities came together to protect their homes and to aid in the war effort Whether it involved fighting in Europe or Asia migrating to a defense center writing to service personnel at the front building war machines in converted factories giving pennies at school for war bonds saving scrap material or pounding a civil defense beat urban California s participation was immediate constant and unflagging Although many people worked in offices factories or barracks the wartime community was also fed by a vast army of volunteers which until now has been largely overlooked The Bad City in the Good War is a comprehensive local history of the California home front that restores a little known part of the story of the Second World War

World War II in the Pacific Stanley Sandler, 2003-12-16 Stanley Sandler one of America s most respected and best known military historians has brought together over 300 entries by some 200 specialists in the field to create the first encyclopedia specifically devoted to the Pacific Theatre of World War II Extending far beyond battles and hardware the coverage ranges from high policy making grand strategy and the significant persons and battles of the conflict to the organization of the Allied and Japanese divisions aircraft armor artillery psychological warfare warships and the home fronts covering the interactions of each topic along the way

Why the Allies Won R. J. Overy, 1997 Overy has written a masterpiece of analytical history posing and answering one of the great questions of the century Sunday Times London

The U.S. Military in the Print News Media Dr. Luke

Peterson,2024-04-02 This book provides an innovative and critical view into the linkages between discourse and politics and between culture and policies within the United States looking at various critical moments in the history of the development of the American Empire Ultimately this book provides insight into the complex interrelationships between policy the military discourse and culture focusing upon the power centres of discourse creation while connecting previously disjointed lines of historical and media research considering the U S military and its undisputed global impact throughout the twentieth and twenty first century *God, School, 9/11 and JFK* Bruce de Torres,2021-05-21 GOD SCHOOL 9 11 AND JFK by Bruce de Torres exposes the lies that are killing us we are poor miserable sinners who deserve God s condemnation and school s incarceration salvation and careers depend on doing what we are told and the truth that sets us free we are eternal love and consciousness creating all we behold The lies of 9 11 and the JFK assassination prove our government was hijacked by elites who strip our rights wage wars of aggression and accumulate unspendable riches as they seek to rule the world The ideals of the American Founding enthrone our sovereignty our right to be free and oversee a transparent and accountable government What is seen by those who die and return suggests eternal life and safety The truth restores our sanity braces us to play this game of life and allows us to love each other as ourselves as we create the solutions that we need *Understanding U.S. Military Conflicts through Primary Sources* James R. Arnold,Roberta Wiener,2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq by examining documents relating to military strategy and national policy judgments by U S military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards *A Companion to 20th-Century America* Stephen J. Whitfield,2008-04-15 A Companion to 20th Century America is an authoritative survey of the most important topics and themes of twentieth century American history and historiography Contains 29 original essays by leading scholars each assessing the past and current state of American scholarship Includes thematic essays covering topics such as religion ethnicity conservatism foreign policy and the media as well as essays covering major time periods Identifies and discusses

the most influential literature in the field and suggests new avenues of research as the century has drawn to a close **Dark Carnivals** W. Scott Poole, 2022-10-04 The panoramic story of how the horror genre transformed into one of the most incisive critiques of unchecked American imperial power The American empire emerged from the shadows of World War II As the nation's influence swept the globe with near impunity a host of evil forces followed from racism exploitation and military invasion to killer clowns flying saucers and monsters borne of a fear of the other By viewing American imperial history through the prism of the horror genre Dark Carnivals lays bare how the genre shaped us distracted us and gave form to a violence as American as apple pie A carnival ride that connects the mushroom clouds of 1945 to the beaches of Amity Island Charles Manson to the massacre at My Lai and John Wayne to John Wayne Gacy the new book by acclaimed historian W Scott Poole reveals how horror films and fictions have followed the course of America's military and cultural empire and explores how the shadow of our national sins can take on the form of mass entertainment Extreme Exoticism W. Anthony Sheppard, 2019-09-20 Extreme Exoticism explores the role of music in shaping American perceptions of the Japanese the influence of Japanese music on American composers and the place of Japanese Americans in American musical life over the past 150 years

The Good War Oral History Of World War Two Introduction

In today's digital age, the availability of The Good War Oral History Of World War Two books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Good War Oral History Of World War Two books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Good War Oral History Of World War Two books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Good War Oral History Of World War Two versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, The Good War Oral History Of World War Two books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Good War Oral History Of World War Two books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Good War Oral History Of World War Two books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, The Good War Oral History Of World War Two books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Good War Oral History Of World War Two books and manuals for download and embark on your journey of knowledge?

FAQs About The Good War Oral History Of World War Two Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Good War Oral History Of World War Two is one of the best book in our library for free trial. We provide copy of The Good War Oral History Of World War Two in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Good War Oral History Of World War Two. Where to download The Good War Oral History Of World War Two online for free? Are you looking for The Good War Oral History Of World War Two PDF? This is definitely going to save you time and cash in something you should think about.
