The Gospel According To Science Fiction

James F. McGrath

The Gospel According To Science Fiction:

Gospel According to Science Fiction Allan John, 1986-12-01 *The Gospel according to Science Fiction* Gabriel McKee, 2007-01-02 In this thorough and engaging book Gabriel McKee explores the inherent theological nature of science fiction using illustrations from television shows literature and films Science fiction he believes helps us understand not only who we are but who we will become McKee organizes his chapters around theological themes using illustrations from authors such as Isaac Asimov and H G Wells television shows such as Star Trek and The Twilight Zone and films such as The Matrix and Star Wars With its extensive bibliography and index this is a book that all serious science fiction fans not just those with a theological interest will appreciate **The Gospel According to Science Fiction** John Allan, 1978

Theology and Science Fiction James F. McGrath, 2016-09-22 What is the difference between a god and a powerful alien Can an android have a soul or be considered a person with rights Can we imagine biblical stories being retold in the distant future on planets far from Earth Whether your interest is in Christianity in the future or the Jedi in the present and whether your interest in the Jedi is focused on real world adherents or the fictional religion depicted on the silver screen this book will help you explore the intersection between theology and science fiction across a range of authors and stories topics and questions Throughout this volume James McGrath probes how science fiction explores theological themes and vice versa making the case in conversation with some of your favorite stories TV shows and movies that the answers to humanity's biggest questions are best sought by science fiction and theology together as a collaborative effort **The Gospel**

according to Star Wars, Second Edition John C. McDowell, 2017-09-07 In a new and updated version of this best selling book John McDowell explores the many spiritual themes that weave throughout the Star Wars films From the Force to the dark side the issues discussed in the films have a moral and spiritual complexity that if paid attention to can help us better understand our place in the world and our relation to others and to God George Lucas the creator of Star Wars did not intend for his films to be mere entertainment McDowell argues Rather he hoped his films would be used as a vehicle for moral education This new version has been thoroughly revised to include discussion of The Force Awakens and other new developments in the Star Wars universe The Gospel According to Star Wars John C. McDowell, 2007-01-01 McDowell explores the many spiritual themes that weave throughout the six films and shows the moral and spiritual complexity of the movies The author contends that George Lucas creator of the series did not intend for his films to be mere entertainment

The Gospel According to the Novelist Magdalena Maczynska, 2015-08-27 Why have so many prominent literary authors from Philip Pullman and Jos Saramago to Mich le Roberts and Colm T ib m recently rewritten the canonical story of Jesus Christ What does that say about our supposedly secular age In this insightful study Magdalena Maczynska defines and examines the genre of scriptural metafiction novels that not only transform religious texts but also draw attention to these transformations In addition to providing rich examples and close readings Maczynska positions literary studies within

interdisciplinary debates about religion and secularity Her book demonstrates a surprising turn of events even as contemporary novelists deconstruct the traditional categories of secular and sacred writing they open up new spaces for scripture in contemporary culture The Gospel According to Star Trek Kevin C. Neece,2018-01-01 What s Christian about Star Trek Nothing That s the way most people see it and that certainly seems to be the way the franchise is intended There s no question that the Trek universe is based on a doggedly humanistic worldview and is set in a future time when religion has essentially vanished from Earth If that s the case how can there even be a Gospel According to Star Trek In The Gospel According to Star Trek you ll discover how the continuing voyages of Kirk and company aboard the Enterprise from the Original Series to Star Trek Beyond tell us more about our human quest for God than you ever imagined You ll learn how Star Trek creator Gene Roddenberry s own spiritual quest informed the franchise what he and the series really have to say about God and religion and the amazing image of Christ contained in Star Trek s most popular character You ll also see how Star Trek can help us recover a deeper more fully human gospel that embraces our humanity instead of denigrating it and echoes the call of both Spock and Christ Live long and prosper John 10 10 *Religion and Science Fiction* James F McGrath,2012-09-27 This multidisciplinary book focuses on the intersection between religion and science fiction Several perspectives are addressed by scholars from different disciplines theology literature history music and anthropology From Frankenstein by way of Christian apocalyptic to Star Wars Star Trek Battlestar Galactica and much more and from the United States to China and back again the authors who contribute to this volume serve as guides in the exploration of religion and science fiction as a multifaceted multidisciplinary and multicultural phenomenon The Gospel According to Superheroes B. J. Oropeza,2005 And 1970s and the dark and violent creatures who embody the pre and post millennial crises of faith Lavishly illustrated the articles come to startling conclusions about what we have really been reading under the covers with flashlights for generations Annotation 2004 Book News Inc Portland OR booknews com Scientology in Popular Culture Stephen A. Kent,Susan Raine,2017-07-14 This multidisciplinary study of Scientology examines the organization and the controversies around it through the lens of popular culture referencing movies television print and the Internet an unusual perspective that will engage a wide range of readers and researchers For more than 60 years Scientology has claimed alternative religious status with a significant number of followers despite its portrayals in popular culture domains as being bizarre What are the reasons for the vital connections between Scientology and popular culture that help to maintain or challenge it as an influential belief system This book is the first academic treatment of Scientology that examines the movement in a popular culture context from the perspective of several Western countries It documents how the attention paid to Scientology by high profile celebrities and its mention in movies television and print as well as on the Internet results in millions of people being aware of the organization to the religious organization s benefit and detriment The book leads with a background on Scientology and a discussion of science fiction concepts pulps and movies The next section examines

Scientology's ongoing relationship with the Hollywood elite including the group's use of celebrities in its drug rehabilitation program and explores movies and television shows that contain Scientology themes or comedic references. Readers will learn about how the Internet and the mainstream media of the United States as well as of Australia, Germany, and the UK have regarded Scientology. The final section investigates the music and art of Scientology. *The Bible in Motion* Rhonda Burnette-Bletsch, 2016-09-12. This two-part volume contains a comprehensive collection of original studies by well-known scholars focusing on the Bible's wide-ranging reception in world cinema. It is organized into sections examining the rich cinematic afterlives of selected characters from the Hebrew Bible and New Testament, considering issues of biblical reception across a wide array of film genres ranging from noir to anime, featuring directors from Lee Chang-dong to the Coen brothers, whose body of work reveals an enduring fascination with biblical texts and motifs, and offering topical essays on cinema's treatment of selected biblical themes, e.g., lament, apocalyptic, particular interpretive lenses, e.g., feminist interpretation, queer theory, and windows into biblical reception in a variety of world cinemas, e.g., Indian, Israeli, and Third Cinema. This handbook is intended for scholars of the Bible, religion, and film, as well as for a wider general audience. **The Theology of Battlestar Galactica** Kevin J. Wetmore, Jr., 2014-01-10. The reimagined television series *Battlestar Galactica* (2005 to 2009) on the Sci-Fi Channel features religion and theology among its central concerns but does not simply use its myriad faiths as plot devices or background material. *Battlestar Galactica* is in and of itself a theological text. Over the course of 87 episodes and two television movies, the series' narrative arc explores the meanings of salvation, prophecy, exile, apocalypse, resurrection, and messianism and clearly demonstrates the working of a divine will in a material world. The book offers a systematic theology for each of *Battlestar Galactica*'s invented religions and surveys echoes of American Christianity in the groundbreaking series. *Extraterrestrials in the Catholic Imagination* Jennifer Rosato, Alan Vincelette, 2021-02-10. What do scientists know about the possibility of life outside our solar system? How does Catholic science fiction imagine such worlds? What are the implications for Catholic thought? This collection brings together leading scientists, philosophers, theologians, and science-fiction authors in the Catholic tradition to examine these issues. In the first section, Christian scientists detail the latest scientific findings regarding the possibility of life on exoplanets. The second part brings together leading Catholic science-fiction authors who describe how alien life forms have been prevalent in the Catholic imagination from the Middle Ages right up to the present day. In the final section, Catholic philosophers and theologians examine the implications of discovering intelligent life elsewhere in the universe. Rather than worrying that the discovery of intelligent extraterrestrials might threaten the dignity of humans or their existence, the contributors here maintain that such creatures should be welcomed as fellow creatures of God and potential subjects of divine salvation. *Handbook of Scientology* James R. Lewis, 2017-01-05. The *Handbook of Scientology* brings together a collection of fresh studies of the most persistently controversial of all contemporary New Religions. In recent years, increasing scholarly attention has been directed at the

Church of Scientology resulting in a small tsunami of new scholarship We have finally reached a point in time where a book on Scientology need not restrict itself to basics Thus for example the historical chapters in the present volume are not really aimed at providing elementary facts on Scientology s background but rather focus on understanding how the Church of Scientology developed over the years In short the Handbook of Scientology will provide a wealth of new information on a topic that one might otherwise have thought exhausted Contributors are Matthew Charet Dorthe Refslund Christensen Carole M Cusack Bernard Doherty Marco Frenschkowski Liselotte Frisk Kjersti Helles y Don Jolly James R Lewis Renee Lockwood Andr s M t T th G bor D niel Nagy Johanna Petsche Erin Prophet Susan Raine David G Robertson Mikael Rothstein Lisbeth Tuxin Rubin Nicole S Ruskell Shannon Trospen Schorey Michelle Swainson Inga Brdsen T llefsen Hugh G Urban Donald A Westbrook and Benjamin Zeller

Holy Sci-Fi! Paul J. Nahin, 2014-04-09 Can a computer have a soul Are religion and science mutually exclusive Is there really such a thing as free will If you could time travel to visit Jesus would you and should you For hundreds of years philosophers scientists and science fiction writers have pondered these questions and many more In Holy Sci Fi popular writer Paul Nahin explores the fertile and sometimes uneasy relationship between science fiction and religion With a scope spanning the history of religion philosophy and literature Nahin follows religious themes in science fiction from Feynman to Foucault and from Asimov to Aristotle An intriguing journey through popular and well loved books and stories Holy Sci Fi shows how sci fi has informed humanity s attitudes towards our faiths our future and ourselves

The Search for Home Paul Delashaw, 2022-07-19 Do you want to find rest Do you want to enter the place you belong Jesus gives you grace to take the necessary steps In The Search for Home author Pastor Paul Delashaw presents an intriguing devotional and commentary that provides insights into John 14 and facilitates your path to maturity While serving as a teaching aid for individuals and groups it challenges you to grow and love God with all your heart soul mind and strength Offering a mix of one hundred devotionals and commentaries The Search for Home introduces you to basic principles and vocabulary of inductive Bible study and helps you structure your devotional life It focuses on John because it s the most unique of gospels Written last it s a product of careful reflection and through the power of the Holy Spirit offers a way back to the true origin of life found only in Jesus Christ A coming of age from a Christian perspective Delashaw details practical steps for intellectual growth and character development faith hope and love

Understanding Religion and Popular Culture Dan W. Clanton Jr., Terry Ray Clark, 2012-05-04 This introductory text provides students with a toolbox of approaches for analyzing religion and popular culture It encourages readers to think critically about the ways in which popular cultural practices and products especially those considered as forms of entertainment are laden with religious ideas themes and values The chapters feature lively and contemporary case study material and outline relevant theory and methods for analysis Among the areas covered are religion and food violence music television and videogames Each entry is followed by a helpful summary glossary bibliography discussion questions and suggestions for further reading viewing

Understanding Religion and Popular Culture offers a valuable entry point into an exciting and rapidly evolving field of study

The Gospel According to Hollywood Greg Garrett, 2007-01-01 In this new book in the Gospel According To series Garrett looks at the theological elements in dozens of classic Hollywood films including a discussion about what the new openness to spirituality in the movies might mean for the future of American cinema and American religion Biblical Studies **The Gospel of Fred** Fred Wurlitzer, MD FACS, 2019-10-04 Dr Wurlitzer MD FACS has written an unusual book of religious poetry that he calls doggerel He addresses many hot topics in Christianity today that challenge modern minds Arcane and unusual topics such as the multiverse God thinking in eleven dimensions an itinerant Jesus redemption for early Hominids euthanasia the virgin birth abortion what is the soul and evolution are discussed from the standpoint of believing in Jesus Evidence is given for a great flood destruction of Sodom and Gomorrah and Jonah being swallowed by a big fish Put on your thinking caps because these doggerels will challenge you to think Over the last several decades secularism has risen in America About twenty years ago only 5 percent approximately of the American population stated they did not go to church Today in America about 5 percent of the population are agnostics another 5 percent atheists and about 20 to 25 percent assert they do not go to church Although the reasons for increasing secularism in the United States has not been explained well by anyone a significant cause is the tendency in the modern age to believe in evolution and dismiss Adam and Eve as the first humans and cast aside the unusual topics Dr Wurlitzer addresses as being unimportant Thereby they dismiss the Bible and church as being irrelevant It is Dr Wurlitzer's hope that his book of religious doggerel will bring many doubting Christians back to God and a Christian church and encourage them to ask questions about unusual topics their pastors may tell them are trivial

When somebody should go to the ebook stores, search opening by shop, shelf by shelf, it is in fact problematic. This is why we present the books compilations in this website. It will utterly ease you to see guide **The Gospel According To Science Fiction** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections.
