The Gospel And Its Proclamation:

The Gospel and Its Proclamation Robert D. Sider, 1984-01-01 **The Gospel and Its Earliest Interpretations** Orello Cone, 1893 The Gospel & Its Proclamation Robert Dick Sider, 1983 The Truth of the Gospel Gerhard Ebeling, 2007-01-01 In this intensive exegesis of the Epistle to the Galatians renowned German theologian Gerhard Ebeling strives to open our eyes to the explosive force that produced this text a force which through this text can explode over and over again Using rigorous technical tools Ebeling interprets Galatians in such a way that the truth of the Gospel confronts the general reader as well as the specialist He clarifies and emphasizes the relevance of this explication to the real life struggles of contemporary Christians Critical and Exegetical Hand-book to the Gospels of Mark and Luke Heinrich August Wilhelm Meyer, 1884 **1 Corinthians (Brazos Theological Commentary on the Bible)** Kimlyn J. Bender, 2022-11-08 The Brazos Theological Commentary on the Bible advances the assumption that the Nicene creedal tradition in all its diversity provides the proper basis for the interpretation of the Bible as Christian scripture The series volumes written by leading theologians encourage readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today In this addition to the series respected theologian Kimlyn Bender offers a theological reading of 1 Corinthians As with other volumes in the series this commentary is designed to serve the church providing a rich resource for preachers teachers students and study groups It demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible

The Church in the Movement of the Spirit William R. Barr, 1994 A collection of seven essays exploring how the Spirit moves in an amazing variety of ways through the church's life and witness Based on a four year study by the Faith and Order Working Group of the National Council of Churches this volume offers an ecumenical view of the Spirit at work in the church and of the wider movement of the Spirit in creation and in human history **The Pastoral Epistles** George William Knight, 1992-07-22 Knight's study on the Pastoral Epistles is part of The New International Greek Testament Commentary a series based on the UBS Greek New Testament which seeks to provide thorough exegesis of the text that is sensitive to theological themes as well as to the details of the historical linguistic and textual context **From the Gospel to the Gospels** Petr Pokorný, 2013-01-30 The monograph is devoted to a crucial point of Christian theology its development from the short formulae of the gospel euangelion as the first reflected expressions of Christian faith to the theology of literary Gospels as texts that evoked the idea of Christian canon as a counterpart of the Law and Prophets In the formulae of the oral gospel the apocalyptic expectations are adapted into a doubled or split eschatology The Messiah has appeared but the messianic reign is still the object of expectation The experience with Jesus post Easter impact has been named as resurrection of which God was the subject Since the apocalyptic resurrection applied for many or all people the resurrection of Jesus became a guarantee of hope The last chapters analyze the role of the oral gospel in shaping the earliest literary Gospel Mark This book analyses Gospels as texts that re introduced Jesus traditions into the Christian liturgy and literature

Concluding paragraphs are devoted to the titles of the individual Gospels and to the origins of the idea of Christian canon

Dictionary for Theological Interpretation of the Bible Kevin J. Vanhoozer, 2005-11 This groundbreaking reference tool introduces key names theories and concepts for interpreting Scripture The Structure of Second Corinthians Kei Hiramatsu, 2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul's discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter *The God Who Is with Us* Benjamin H. Kim, 2022-10-21

Contemporary theologies of mission rely on the central concept of the *missio Dei* which states that mission properly belongs to the triune God over the church However present accounts fail to establish any corresponding link between God's trinitarian economy and ontology In other words the problem of the *missio Dei* is the problem of the break between the act and being of God Benjamin H Kim argues that a repair is needed for *missio Dei* theology and this repair is found in reexamining Barth's doctrine of revelation In doing so the locus of mission moves from God's trinitarian sending to his trinitarian revealing The repair is further advanced by Dietrich Bonhoeffer through his concept of person which functions as the unity of act and being This account returns mission to its original definition which was intended to describe the inner trinitarian being of God in relation to humanity The concept of person recovers this meaning of mission by locating it first in the person of Christ and second in the collective person of the church existing as the Christ community Thus Bonhoeffer's description of revelation in terms of personhood provides an account that is more faithful to the *missio Dei*'s core insights

Reading the Gospels Wisely Jonathan T. Pennington, 2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as

historical sources Rather he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation *The Gospel of the Lord* Michael F. Bird,2014-08-22 In this book through a distinctive evangelical and critical approach Michael Bird explores the historical development of the four canonical Gospels He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and in turn how these accounts further shaped the early church Bird s study clarifies the often confusing debates over the origins of the canonical Gospels Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus the story by which they believed they were called to live The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels Watch an interview with Michael Bird from our Eerdmans Author Interview Series **Paul and Conflict Resolution** Robinson Butarbutar,2007-06-01 This book is a literary and historical exegesis of Paul s apostolic paradigm in 1 Corinthians 9 The author argues that chapter 9 is part and parcel of Paul s unified arguments of 1 Corinthians 8 10 which are written to mediate in a dispute over food offered to idols The questions of how the dispute emerged how Paul arranges his arguments in the three chapters and what role 1 Corinthians 9 has in the overall discourse are addressed carefully in the book Moreover the question of why Paul and his coworkers did not receive financial support from his audience which was contrary to the practice of the other missionaries and the normal workforce of the time and of why he uses such a practice as an example to be imitated by those insisting on their right to eat food offered to idols are dealt with judiciously Based on his exegesis of 1 Corinthians 9 the author furthermore attempts to see the relevance of 1 Corinthians 9 for dispute resolution today taking the conflict within his own church as an example **The Book of the Gospels** ,2019-06-27 The eye catching volume features the gospel reading for Sundays solemnities feasts of the Lord and all ritual Masses design and size suitable for procession in the liturgy thirty pieces of full color original art front back and spine stamped in five colors of reflective foil large readable type printed on premium acid free paper gilded edges and a wide ribbon marker *Word Studies in the New Testament* Marvin Vincent,2013-06-19 Marvin Vincent was a 19 century Presbyterian minister and professor of New Testament at Union Theological Seminary in New York City He is best known for his classic Word Studies in the New Testament Vincent opened his Word Studies by remarking New Testament commentaries are so numerous and many of them so good that a new essay requires some explanation The present work is an attempt in a field which so far as I am aware is not covered by any one book though it has been carefully and ably worked by many scholars Taking a position midway between the exegetical commentary and the lexicon and grammar it aims to put the reader of the English Bible nearer to the stand point of the Greek scholar by opening to him the native force of the separate words of the New Testament in their lexical sense their etymology their history their inflection and the peculiarities of their usage by different evangelists and apostles *Christ in the Letters of Paul* Hendrikus Boers,2012-02-14 This study addresses the centrality of Christ in Paul s

thought recognizing at the same time that he does not express the meaning of Christ as an existing teaching Christ as a person not a teaching determines Paul's thinking for himself and in his reasoning with his readers Christ comes to expression in Paul as the explication of the fundamental reality for himself and for his readers He develops his thoughts about Christ in each case anew as expressions of the Lord who determines his life and the lives of his readers In his reasoning with his readers he expects them to become aware of Christ as the one who determines them in their new lives as believers
