The Great American Fourth of July Parade Archibald MacLeish, 1976 **The Great American Fourth of July Parade** Archibald MacLeish, 1975 The spirits of Thomas Jefferson and John Adams meet on July 4 1976 and argue about their visions for the United States and their differing interpretations of the contemporary mood *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1976 **American Literature from 1945 Through Today** Adam Augustyn Assistant Manager and Assistant Editor, Literature, 2010-08-15 Explores the works and writers from post World War II America to today including Stephen Crane Arthur Miller and Allen Ginsberg *The Influence of Mysticism on 20th Century British and American Literature* David Garrett Izzo, 2009-04-23 This volume discusses the relationships between the philosophy of Mysticism which traces its lineage back into prehistory with that of the world of more traditional philosophy and literature The author argues for the centrality of mysticism's role in the philosophical and artistic development of western culture The connections between these worlds are underscored as the author examines the works of Heraclitus Schopenhauer Nietzsche Iris Murdoch Yeats George Russell T S Eliot Joyce Woolf Auden Huxley Lessing Gabriel Garcia Marquez and Tony Kushner among others **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1976 *The International Poetry Forum of Pittsburgh, 1966-1986* Anne Mullin Burnham, 1986 **Twentieth Century Drama** Simon Trussler, 1983-04-01 A compendium of information on all the main events individuals political groupings and issues of the 20th century It provides a guide to current thinking on important historical topics and personalities within the period and offers a guide to further reading **Roots of the Republic** Stephen L. Schechter, 1991-11-01 Roots of the Republic shows how the Constitution was a product not simply of the Constitutional Convention in 1787 but of a legal and philosophical tradition almost two centuries old The editors have selected eighteen key documents in the development of that tradition and reproduced them with essays that explain what they mean why they were written and why they are important today Each key document is accompanied by an interpretive essay written by a contemporary scholar These essays focus on the importance of each frame of government and include commentaries on why they are meaningful today Intended to help readers learn how to read and understand these documents the book is also a handy reference and a strong introduction to the development of political thought and the debates surrounding the formation of the state governments and the federal union **Focus 101** LaVerne Harrell Clark, 1979 *The Concise Oxford Companion to American Literature* James D. Hart, Wendy Martin, Danielle Hinrichs, 2021-01-21 For nearly half a century James D Hart's Oxford Companion to American Literature has offered a matchless guided tour through American literary culture both past and present with brief biographies of important authors descriptions of important literary movements and a wealth of information on other aspects of American literary life and history from the Colonial period to the present day In this second edition of the Concise version Wendy Martin and Danielle Hinrichs bring the work up to date to more fully reflect the diversity of the subject Their priorities have been

foremost to fully represent the impact of writers of color and women writers on the field of American literature and to increase the usefulness of the work to students of literary theory To this end over 230 new entries have been added including many that cover women authors Native American African American Asian American Latino a and other contemporary ethnic literatures LGBT trans and queer studies and recent literary movements and evolving areas of contemporary relevance such as eco criticism disability studies whiteness studies male masculinity studies and diaspora studies **Twentieth Century American Literature** Warren French,1980-11-01 *American Poets, 1880-1945, First Series* Peter Quartermain,1986

Essays on the writers whose works are the story of modern American poetry to World War II the story of successive generations of writers increasingly gaining familiarity in and security with the American idiom gaining confidence in being American poets without having to turn to Europe for models or for approval nor of having to turn away from Europe
