**Serious Fraud and Current Issues** Sally Ramage, 2005 Fraud is big business and it rots the fabric of finance and accountancy as it is exercised by all day trading of bonds junk bonds loans Twenty five years ago fraud was said to be rapidly expanding and manifests itself by shady deals fraudulently converted cash Fraudsters who are active especially electronic fraud do in fact treat the use of fraud as serious business and the execution of frauds as work much as other criminals treat their activities as their job Identity theft poses a frightening

threat of being taken in by crooks If twenty five years ago it was estimated that the amount of fraudulent cash around the world at any one time more than equalled the Gross National Products of several third world countries it would not be believed a damning indictment indeed In this fascinating and comprehensive study on Fraud the author takes advantage of the fact that people seem thrilled to hear about frauds like murders She has prepared works that will use the reader s attention to discuss law enforcement and the consequences of breaking the law by committing frauds Legal Bibliography, New Series ,1907
