## **The Great Good Thing:**

**The Great Good Thing** Roderick Townley, 2025-01-21 A storybook princess breaks the fourth wall and incites a new kind of adventure in this imaginative middle grade fantasy perfect for fans of Chris Colfer and Gail Carson Levine Sylvie had an amazing life but she didn't get to live it very often Sylvie has been a twelve year old princess for more than eighty years ever since the book she lives in was first printed She's the heroine and her story is exciting But that's the trouble it's always exciting in the same way So when a new Reader opens the book at long last Sylvie breaks the cardinal rule of all storybook characters she looks up And sets into motion a new story all her own Now Sylvie is in for an adventure beyond any she could have imagined As her journey takes her from the pages of a book to the landscape of dreams Sylvie must summon all her courage to save her kingdom find her way home and figure out what it really means to do a Great Good Thing **The Great Good Thing** Andrew Klavan, 2016-09-20 No one was more surprised than Andrew Klavan when at the age of fifty he found himself about to be baptized The Great Good Thing tells the soul searching story of a man born into an age of disbelief who had to abandon everything he thought he knew in order to find his way to the truth Best known for his hard boiled white knuckle thrillers and for the movies made from them among them True Crime and Don't Say a Word bestselling author and Edgar Award winner Klavan was born in a suburban Jewish enclave outside New York City He left the faith of his childhood behind to live most of his life as an agnostic until he found himself mulling over the hard questions that so many other believers have asked How can I be certain in my faith What's the truth and how can I know it's the truth How can you think live and make choices and judgments day by day if you don't know for sure In The Great Good Thing Klavan shares that his troubled childhood caused him to live inside the stories in his head and grow up to become an alienated young writer whose disconnection and rage devolved into depression and suicidal breakdown In those years Klavan fought to ignore the insistent call of God a call glimpsed in a childhood Christmas at the home of a beloved babysitter in a transcendent moment at his daughter's birth and in a snippet of a baseball game broadcast that moved him from the brink of suicide But more than anything the call of God existed in stories the stories Klavan loved to read and the stories he loved to write Join Klavan as he discovers the meaning of belief the importance of asking tough questions and the power of sharing your story *Summary of Andrew Klavan's The Great Good Thing* Everest Media, 2022-06-10T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I grew up in Great Neck a wealthy town on the north shore of Long Island The riches here were not inherited but earned The town was a haven for newly rich Jews in the 1950s and they were in love with the dream of WASP American elegance 2 In Great Neck the Great Neck of my childhood there was one central difference While other towns and the TV shows that represented them had families that went to church on Sundays Great Neck had families that went to synagogue 3 I grew up in Great Neck a town with a majority Jewish population I never felt any animosity toward Jews and I always thought of myself as an American The idea that my Jewishness might somehow prevent me from

being fully American never occurred to me 4 I was an American through and through I was raised in Great Neck a suburb of New York and I was raised as an American I was called to faith in Jesus Christ and I was unsure if it was a real religious conversion or just the final stage in the process of assimilation that had begun in my hometown so long ago The Great Good Thing Rod Townley,2001 Nothing ever changes inside the storybook kingdom inhabited by twelve year old Princess Sylvie her parents and many other characters until Sylvie discovers that by allying herself with the Reader she can experience new adventures beyond the confines of the book

the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists Manichaeism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes Saint Augustine was originally a Manichaean so his defense of Christianity against this religion comes from a deep understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the rift Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important historical records of that religions practices [English Prose and Verse from Beowulf to Stevenson](#) Henry Spackman Pancoast,1915 [The Canadian Magazine](#) J.
