Schoenberg, 2022-10-28 *Journey to Forever* By Melvin L Schoenberg Far from Earth a vast journey awaits the crew of the SS Victoria Aaron the scribe writes about the quest to encounter life on the distant planet Solamit 2 They start as youthful cadets with no knowledge of the precarious situations that will arise For them Earth is a memory of their parents and space and the confines of the ship are their home Friendship and harmony allow the crew to survive the catastrophes that ensue And Aaron and his fellow pioneers finally do achieve the long sought incredible goal of finding extraterrestrial life **Through Minds' Eyes** Ryan J. Hite, 2013-03-27 This is a book of history ethics and philosophy It is a record of teachings passed down through the generations from the East and the West It contains the fullness of the sealed covenant established between man and the laws of the universe As we evolve as a race we take things out of our lives because we better understand who we are and what we have achieved The divine refers to the laws of nature and the universe that guide us in our everyday lives The creator that guides our everyday lives is not something that we should worship or pray to out of fear or love it is something that remains unseen and works in natural forces to explain all the events that happen on Earth It is merely a force and it is not necessary to belong to a group to experience the light The path to the light is straight and broad The creator of the universe is a divine

and intellectual force by which all things came into being The sealed covenant is a pact between all of humanity to the world around us and the universal laws that guide our everyday lives to come together and love one another and come to make the world a better place for all people This shall usher in the evolution of religious traditions and humanity to a new age of prosperity
