The Great Martyrdom Of Husain:

The Shi'i Islamic Martyrdom Narratives of Imam al-Husayn Muhammad-Reza Fakhr-Rohani, 2023-06-14 Martyrdom narratives maqtals represent a prominent genre of Islamic particularly Shi'i literature. In this genre the heart-rending aspects of the martyrdom scenes of religiously prominent people are depicted graphically. Although not exclusively limited to the martyrdom accounts of Imam al-Husayn and his companions who were martyred on the plain of Karbala, Iraq, a great majority of Islamic martyrdom narratives deal with the Ashura episodes. As the first book-length treatment of this genre in English, this text takes the reader from the dawn of Islam in ancient Arabia, exploring the background of the Battle of Karbala and giving a view of the various maqtals and several related studies. Although examining Arabic and Persian sources, this book presupposes little background knowledge on the part of the reader. Chronicles of the Martyrdom of Imam Husayn Muhammad Muhammadi Rayshahri, 2020-01-01 The martyrdom of Imam Husayn sent shockwaves through the early Muslim community. Today this tragedy is still remembered, studied and commemorated. However, in recent years there have been increasing questions over the reliability of the historical accounts of his martyrdom. What material is reliable and what sources can be used when presenting the narrative of his martyrdom to others? The Chronicles of the Martyrdom of Imam Husayn was compiled to fill the need for a strongly reliable source on Imam Husayn's final days. Meticulously researched, it contains narrations about the Imam's last stand that are found only in the earliest extant sources. Hand-selected for their reliability, they have been arranged and translated into fluid, precise English. No detail of the narrative of the martyrdom of Imam Husayn has been left out from his fateful journey towards Iraq to the journey of the captives afterwards and the events surrounding Arba'in. The Chronicles also includes narrations on related topics of interest, such as the custom of mourning the martyrdom of Imam Husayn and fasting on the day of Ashura. Ample preliminary matter, written by recognised Islamic scholars, addresses the question of the reliability of early and medieval sources, the nature of the oral versus the written tradition and the challenges faced in the modern era in presenting a reliable account of Imam Husayn's martyrdom. The Arabic text of the narrations has been included throughout, and the work is rounded out with five detailed maps of the Imam's journey. This work is certain to find a special place in the personal library of historians, students and scholars of Islam, those speaking from the pulpit and anyone with an interest in Imam Husayn ibn Ali ibn Abi Talib. Compiled by Muhammad Muhammadi Rayshahri, Translated by Abbas Jaffer. **History and Philosophy of Husain's Martyrdom** Mohammad Ali Salmin, 1937 The Husaini Revolution of Islam Saiyed Jafar Reza, 2016-01-01 The book in hand is on an interesting international subject, the Battle of Karbala, which was fought against the biggest Muslim Empire of the time, 860 AD, by Imam Husain, the grandson of Prophet Muhammad, who revolutionised in defence of Truth and Justice and became a martyr along with his relatives and associates for the cause and survival of humanity. In modern terminology, it is better known as the Husaini Revolution. Its anniversary is observed regularly in the month of Muharram of the Hijri calendar with

splendor in almost every country especially by the Muslims But no such book is available in English with a analysis of the religious perspective achievements and effects of the Husain i Revolution Professor Saiyed Jafar Reza and internationally known scholar thinker and litterateur has compensated this scarcity through the present book as an authentic document of a valuable subject His studies on the Husain i Revolution are thorough and path breaking give rare insight into the liberal and spiritual dimension of Isl am His writing is to be read again and again read in bits and pondered over *The Making of Martyrdom in Modern Twelver Shi'ism* Adel Hashemi,2022-02-24 In Twelver Shi a Islam the wait for the return of the Twelfth Imam Muhammad ibn al Hasan al Mahdi at the end of time overshadowed the value of actively seeking martyrdom However what is the place of martyrdom in Twelver Shi ism today This book shows that the Islamic revolution in Iran resulted in the marriage of Shi i messianism and extreme political activism changing the mindset of the Shi a worldwide Suddenly each drop of martyrs blood brought the return of al Mahdi one step closer and the Islamic Republic of Iran supposedly became the prelude to the foretold world revolution of al Mahdi Adel Hashemi traces the unexplored area of Shi i discourse on martyrdom from the 1979 revolution when the Islamic Republic s leaders cultivated the culture of martyrdom to topple the Shah s regime to the dramatic shift in the understanding of martyrdom today Also included are the reaction to the Syrian crisis the region s war with ISIS and other Salafi groups and the renewed commitment to the defense of shrines This book shows the striking shifts in the meaning of martyrdom in Shi ism revealing the real relevance of the concept to the present day Muslim world *Medieval Islamic Civilization* Josef W. Reliving Karbala Syed Akbar Hyder, 2006-04-20 In 680 C E a small band of the Prophet Muhammads family and their followers led by his grandson Husain rose up in a rebellion against the ruling caliph Yazid The family and its supporters hopelessly outnumbered were massacred at Karbala in modern day Iraq The story of Karbala is the cornerstone of institutionalized devotion and mourning for millions of Shii Muslims Apart from its appeal to the Shii community invocations of Karbala have also come to govern mystical and reformist discourses in the larger Muslim world Indeed Karbala even serves as the archetypal resistance and devotional symbol for many non Muslims Until now though little scholarly attention has been given to the widespread and varied employment of the Karbala event In Reliving Karbala Syed Akbar Hyder examines the myriad ways that the Karbala symbol has provided inspiration in South Asia home to the worlds largest Muslim population Rather than a unified reading of Islam Hyder reveals multiple sometimes conflicting understandings of the

meaning of Islamic religious symbols like Karbala He ventures beyond traditional scriptural interpretations to discuss the ways in which millions of very human adherents express and practice their beliefs By using a panoramic array of sources including musical performances interviews nationalist drama and other literary forms Hyder traces the evolution of this story from its earliest historical origins to the beginning of the twenty first century Today Karbala serves as a celebration of martyrdom a source of personal and communal identity and even a tool for political protest and struggle Hyder explores how issues related to gender genre popular culture class and migrancy bear on the cultivation of religious symbols He assesses the manner in which religious language and identities are negotiated across contexts and continents At a time when words like martyrdom jihad and Shiism are being used and misused for political reasons this book provides much needed scholarly redress Through his multifaceted examination of this seminal event in Islamic history Hyder offers an original complex and nuanced view of religious symbols

The Intertwined Conflict Najebah Marafi (Naj Murphy), 2012-09-29 This book looks into the different aspects of Islam and culture and how culture rather than Islam is affecting Muslims today It will examine the conflict between Islamic values and social and culture ones How Islam has always been seen as a religion of oppression and terrorism through the Western eyes this book will illustrate the factors which created those stereotypes and impression about it The book frankly explores the events and life in the Islamic world Kuwaiti society and the wrongdoings of Muslims It also finds out how Muslims are influenced by the surrounding circumstance and the folklore of their ancestors whether living amongst their compatriots or expatriates The book refers to some practices of Muslims briefly by extracting religious texts The Quran The Sunnah and the Sharia and explaining the misconception of those referred texts by fanatics and very conservative Muslims The book compiled information and references about different Islamic topics such as social relationships jurisprudence and Islam and the modern world It also explores how Islam is compatible with the past present and future

The Intertwined Conflict The reason I chose this title for my book *The Intertwined Conflict* is because of the conflict most of Arab countries have when it comes to culture tradition and religion Everything is embedded with Islam when it has nothing to do with it It's all about making Islam seem to be the problem when it's all about culture tradition and the wrongdoings of the real means of Islam People take Islam as an excuse to cover up what they believe in and what they think is right so they relate it to Islam Fanatics mostly misunderstand Islam the Quran and the Sunnah and tend to decipher things according to their preference Matrimony and divorce vs Islam Marriage is the most complicated issue which is affected by traditions of the country in where one lives Different countries have different interpretations of Islam and marriage Different tribes ethnic groups and races in a country have different interpretations of marriage In terms of marriage In Islam the conjugal right is as much a woman's right as it is a man's right because one of the purposes of marriage is to protect the chastity of both men and women This right is also based on the fact that if woman does not have the right to sexual intercourse it would not have been mandatory in Islamic law for both spouses to insure the maximum possible self fulfillment

for each other Racism and Islam Racism in Islam is forbidden and in the sight of Allah no man is superior to another by color race class or ethnicity Indeed all human beings are equal to Allah and what distinguishes them from another is their good deeds religious commitments good manners and following and obeying the Quran and the Sunnah Equality is one part of the targets of Islam and one of its fundamental bricks Equality is embedded in most of the Islamic manners and rules Women their role and Property Owning Women in Islam have the full right to own property and possessions money in whatever manner they prefer They do not transfer their possessions to their husbands once they get married They get to keep their money and belongings and the husband still has to pay for her trivial expenses such as the household her children and whatever she needs as a woman not extravagantly but fairly Islam and Neighborhood Neighborhood is one of the important things that Islam exhorted us to pay attention to It is one of the things that we should not neglect Taking care of your neighbor urges peace love and tolerance Not only Islam exhorts it but also Prophet Mohammed pbuh he was a good example to all of us Muslims in all matters and this matter too He use *Revolutionary Ideology and Islamic Militancy* Najibullah Lafraie,2009-02-28 The war on terror tends to circumscribe crucial developments in the Islamic world within a narrow definition of Islamic terrorism This partial and incomplete perspective fails to comprehend the links between today s scenario and the Iranian revolution of 1979 a revolution fought in the name of God and spearheaded by religious scholars It is vital to examine the relationship between religious and revolutionary ideologies and the revolutionary potentials of Islamic teachings In a penetrating new study Najibullha Lafraie examines how revolutionary ideologies function and applies these insights to the Quran and its interpreters in the vanguard of the Iranian revolution By unpacking these discourses Lafraie develops and refines the concept of a Quranic revolutionary ideology The Ideology of the Islamic Revolution delineates the different ways in which the Quran was used to mobilise action in 1979 and in so doing provides a context for understanding today s Islamist movements BEACONS OF GUIDANCE (5) THE LIFE OF IMAM HUSAYN ('a), THE MASTER OF ALL MARTYRS Munthir al-Hakim,Wisam al-Baghdadi,'Uday al-Gharbawi, *Muhammad and Jesus* William E. Phipps,2016-10-06 This carefully researched and provocative treatment of the two most influential persons in world history sets aside the cultural prejudices that often hamper open honest comparison of Muhammad and Jesus Phipps begins with a thorough biographical investigation of the early lives of the Meccan and the Nazarene and a thoughtful assessment of their later contributions as statesman and reformer He then debunks many of the invidious myths about Jesus and Muhammad during the course of a careful exploration of the ways in which they interpreted Hebrew Scriptures their prescriptions for moral conduct and their attitudes toward rewards and punishment on earth and in the afterlife Islam compiled from Wikipedia entries and published by Dr Googelberg, *Surprising Bedfellows* Sushil Mittal,2003-01-01 *Surprising Bedfellows* Hindus and Muslims in Medieval and Early Modern India argues that religious and cultural identities in medieval and early modern India were marked by fluid and constantly shifting relationships rather than by the binary model of opposition that is assumed in so much scholarship

Building on the pioneering work of scholars such as Cynthia Talbot and Brajadulal Chattopadhyaya these chapters seek to understand identity perception through romances historical documents ballads and historical epics inscriptions and even architecture The chapters in this volume urge readers to reconsider the simple and rigid application of categories such as Hindu and Muslim when studying South Asia s medieval and early modern past It is only by doing this that we can understand the past and perhaps help prevent the dangerous rewriting of Indian history
