Antarctica: the prison of fallen angels in Enoch's prophecy Cinzia Palmacci, 2023-09-21 Why do so many powerful people on Earth often go to Antarctica What do they know about us that is important Is Antarctica the kingdom of the antichrist One thing is certain the hybrid offspring of Lucifer for millennia have been interacting and working to pervert Creation and persecute humanity We see this from the iniquitous laws of a ruling class in corrupt and evil minded power It is written that Enoch and the prophet Elijah will return for the final battle against the antichrist And it doesn't seem to be that far off Knowing is defending and reacting Enjoy reading *The Idea of Biblical Interpretation* James L. Kugel, Judith H. Newman, Judith Hood Newman, 2004 In this Festschrift James Kugel's creative scholarship in biblical interpretation provides the inspiration for a wide ranging collection of essays that treat the history of Jewish and Christian scriptural interpretation from antiquity to the present

Prophets, Prophecy, and Ancient Israelite Historiography Mark J. Boda, Lissa Wray Beal, 2013-01-18 The 18 essays by members of the Canadian Society for Biblical Studies published in this volume showcase the work of leading authorities on ancient Israelite and Jewish historiography as it intersects with the phenomenon of prophecy A deep divide exists between the traditions of historiography and prophecy in the academic study of the Hebrew Bible and the concern of the contributors is to close that gap to expose the close relationship between these two traditions in the literature of the Hebrew Bible The first section of the book explores prophecy and prophets in ancient Israelite and Jewish historiographic books Torah Deuteronomistic History Chronicles Ezra Nehemiah Second Temple Jewish historiography The second section surveys historiography in Israelite and Jewish prophetic books Isaiah Jeremiah Ezekiel Book of the Twelve Daniel 1 Enoch The contributors engage diverse methodological perspectives in these studies the goal first being to show the role that the prophets played within the great Hebrew historiographic works and second to demonstrate the role that historiography plays within the great Hebrew prophetic works this makes it clear that the influence is bidirectional *Prophets Prophecy and Ancient Israelite Historiography* will be of value for advanced students and scholars working on historiographic and prophetic materials in the ancient Israelite and Jewish traditions featuring the best of research and analysis and interacting with many major ancient literary traditions of historiography and prophecy *Year of Prophecy* Elizabeth Clare Prophet, Summit University Press, 1989

The Quran and Quranic Studies 5 Islam and Islamic Studies The A to Z of Prophets in Islam and Judaism treat each entry as a compilation of relevant data culled from these different traditions in order to take the reader beyond the expected parameters of research Originally envisioned as an initial resource for students of comparative religion the extensive chronology bibliography and the overall accessibility of the passages make the book suitable for a much wider audience
