The Great Raid William B. Adams, 2016-04-15 By any measure the battles of Bataan and Corregidor were among the most intensely fought and devastating episodes in the World War II Pacific theater Beginning in early 1942 the Japanese Imperial Army invaded the Philippines in an attempt to control the Pacific region and expand its sphere of influence The defense and last stand of Filipino and American allied forces marked the largest surrender in their respective military histories Their efforts slowed the Japanese advance but only at great cost John A Adams Jr provides a new and compelling exploration of these pivotal events by recounting the history of Bataan and Corregidor through the eyes of 89 soldiers and officers who were former students and citizen soldiers from the Agricultural and Mechanical College of Texas All were products of the Corps of Cadets and indeed no other institution could boast of such a large deployment in the opening of the war While many words have been written on Bataan and Corregidor none have taken the approach of collective biography as The Fightin Texas Aggie Defenders of Bataan and Corregidor does here As a result this book is not only a new contribution to the history of World War II but also stands to be a landmark publication on the history of Texas A M University **Great Wartime Escapes and Rescues** David W. The Cabanatuan Prison Raid Gordon L. Rottman, 2012-10-20 On 27 January 1945 the 6th Ranger Battalion and the 6th Army Special Reconnaissance Unit the Alamo Scouts began the most dangerous and important mission of their careers to rescue 500 American British and Dutch prisoners of war held at a camp near Cabanatuan This daring plan was fraught with difficulties the rangers had to struggle with harsh jungle terrain 30 miles behind enemy lines against a far larger force knowing that if their secret mission was leaked the POWs would be massacred by their captors Yet with the help of a Filipino guerilla force they managed to liberate 513 prisoners and kill 225 Japanese in 15 minutes while only suffering two losses themselves Relive the dramatic rescue in this action packed account complete with bird s eye view and battlescene artwork Gordon Rottman details the build up to and execution of the operation analyzing the difficulties faced and the contribution made by the guerrillas This is a story not only of extraordinary military success but a compelling tale of courage in the face of overwhelming odds

Race Against Death: The Greatest POW Rescue of World War II (Scholastic Focus)

Deborah Hopkinson, 2023-04-18 A thrilling account of the most daring World War II rescue mission liberating hundreds of American prisoners of war Scholastic Focus is the premier home of thoroughly researched beautifully written and thoughtfully designed works of narrative nonfiction aimed at middle grade and young adult readers These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able to analyze and understand our past participate in essential discussions about our present and work to grow and build our future Following the bombing of Pearl Harbor America entered World War II and a new theater of battle opened up in the Pacific But US troops along with thousands of Filipino soldiers who fought alongside them were overtaken in the Philippines by a fiercely determined Japanese navy and many Americans and Filipino fighters were killed or captured These

American and Filipino prisoners of war were forced to endure the most horrific conditions on the deadly trek known as the Bataan Death March. Then the American servicemen who were held captive by the Japanese military in Cabanatuan Camp and others in the Philippines faced beatings, starvation, and tropical diseases and lived constantly under the threat of death. Unable to forget their comrades' fate and concerned that these POWs would be brutally murdered as the tides of war shifted in the Pacific, the US Army Rangers undertook one of the most daring and dangerous rescue missions of all time. Aided by the Angels of the Underground, the Sixth Ranger Battalion, and courageous Filipino guerrilla soldiers, they set out on an uncertain and treacherous assignment. Often called the Great Raid, this remarkable story remains largely forgotten. Sibert Honor author Deborah Hopkinson presents an extraordinary and unflinching look at the heroic servicemen and women who courageously weathered the worst of circumstances and conditions in service to their country, as well as those who answered the call to save their fellow soldiers.

Inside the Bataan Death March Kevin C. Murphy, 2014-09-24 For two weeks during the spring of 1942, the Bataan Death March, one of the most widely condemned atrocities of World War II, unfolded. The prevailing interpretation of this event is simple: American prisoners of war suffered cruel treatment at the hands of their Japanese captors, while Filipinos sympathetic to the Americans looked on. Most survivors of the march wrote about their experiences decades after the war, and a number of factors distorted their accounts. The crucial aspect of memory is central to this study: how it is constructed by whom and for what purpose. This book questions the prevailing interpretation, reconsiders the actions of all three groups in their cultural contexts, and suggests a far greater complexity. Among the conclusions is that violence on the march was largely the result of a clash of cultures: undisciplined, individualistic Americans encountered Japanese who valued order and form, while Filipinos were active, even ambitious, participants in the drama.

Escape From Davao John D. Lukacs, 2023-04-04 Documents the escape of ten American prisoners of war from a World War II Japanese prison camp in the Philippines, describing the inhumane conditions they endured and the political struggle that influenced their return home.

USS Pampanito Gregory F. Michno, 2016-01-12 Most World War II submarine stories are glorifications of war, written by submarine captains about their own boats. But the USS Pampanito was not a typical submarine. The sub and its crew caused plenty of destruction, but they found the pinnacle of their honor and fame in a dramatic sea rescue. Gregory F. Michno relates the experiences of the crewmen, both enlisted men and officers who served on the USS Pampanito. The Pampanito story begins with the boat's construction in 1943, continues through its six combat missions, and concludes with its decommissioning after the war in 1945. The heart of the book is the September 12, 1944, attack on a Japanese convoy carrying English and Australian POWs from the Burma Siam Railway of Bridge on the River Kwai, fame to prison camps in Japan. The Pampanito helped sink two of the prison ships, unwittingly killing hundreds of Allied soldiers, but then returned to rescue the survivors. The crew picked a record seventy-three men from the sea.
