Kirkus Like all mothers mine had a set of maxims that she thought were important to impart to me if you can t say anything nice then don t say anything at all unless it s irresistibly funny it s as easy to fall in love with a rich man as it is with a poor man a nice idea in theory if you want to commit suicide wait until tomorrow advice which has it turns out saved my life Like many daughters of elderly parents Pat MacEnulty finds herself in a maze of healthcare negotiations and surprising discoveries when her mother can no longer care for herself Pat s mother who stood by her through her darkest years was a small town icon as a composer pianist organist and musical director She is suddenly unable to be the accomplished independent person she once was Now Pat has two goals to help her daughter avoid the mistakes that derailed her own life and to see her mother s masterpiece *An American Requiem* find a new life and a new audience in her mother s lifetime Along the way Pat rediscovers her own strength humor and rebelliousness at the most unlikely moments **Living with the Party**

Yifan Shi, 2023-02-18 This book explores the subcultures cultural trends and regulations of leisure and subcultures among young people in Beijing from 1949 to the 1980s It complicates our understanding of the successes of the CCP and the nature of those successes more a synergy or synthesis than victory over society or defeat It argues that while the CCP aimed to direct the most private sphere in people s everyday life i e leisure it did not achieve this goal by coercive means but by appealing ways through organized leisure activities This book suggests that although elements of youth subcultures can be observed throughout the Mao era we should not treat them as a way of passive resistance Instead we must position these subcultures between different layers of the Party s leisure regulation to examine what the CCP actually achieved Many people who engaged in subcultures defied the blatant politicization of their leisure some might have defied the process of collectivization but few defied the process of institutionalization during which people did not find state intervention contradictory to their own way of pleasure seeking This book also suggests that instead of regarding the Deng Xiaoping era as a breakaway from Maoist interventionist rule we need to see the historical continuity as revealed by the Party s

uninterrupted policy of leisure regulation Thought provoking and at times amusing this book will interest sinologists historians and scholars of China s social form **Gathered From Coincidence** Tony Dunsbee,2015-03-01 Combining the personal memories and critical analysis of a self confessed pop addict with a wealth of contemporary documentary evidence Gathered From Coincidence reconstructs a truly momentous era to tell the story of the music of the Sixties year by year By tracing in parallel the origins and development of the recording careers of major talents on both sides of the Atlantic the Beatles the Rolling Stones the Beach Boys Bob Dylan Dusty Springfield and many more besides this account shows how they traded creativity with one another All the great Sixties hits as well as a host of less well known gems are described in the context of the charts of the day tracking the ups and downs of different trends as they came and went such as rock n roll rhythm blues psychedelia modern folk the concept album or supergroups But beyond this each chapter also places the music in a broader historical and cultural setting of landmark events at home and abroad the space race the Profumo affair the Cold War Vietnam the growth of satire to show how as the decade unfolded the paths of pop and current affairs drew ever closer together If you thought the Sixties were just about the fleeting dreams of hippies in the Summer of Love then think again This book will open your eyes to a far reaching imaginative legacy and how it came to shape pop music as a dazzling art form in its own right *Favorite Classical Melodies for Easy Piano* ,1992-02 Includes Peter and the Wolf Love Theme from Romeo and Juliet Rachmaninoff s Piano Concerto No 2 Theme from Carmen Tchaikovsky s Concerto No 1 The Merry Widow Waltz Theme from the Surprise Symphony O Mio Babbino Caro The Blue Danube Waltz Polovtsian Dance Symphony from the New World Solace and many more **Party Like a Rockstar** J.T.
