The Great Teachings Of Edgar Cayce:

More Great Teachings of Edgar Cayce Mark A. Thurston, 1997 **The Great Teachings of Edgar Cayce** Mark A. Thurston, 1996 This book examines fifteen Edgar Cayce psychic readings and discusses how readers might use the information for personal development Covering a wide range of topics these readings speak of the soul's mission in life meditation and holistic healing **Edgar Cayce's Twelve Lessons in Personal Spirituality** Kevin J. Todeschi, 2010-07-18 For years Edgar Cayce the most documented psychic of all time provided a small group of individuals with lessons in soul growth and personal transformation This volume presents a new look at those major principles From the first lesson on cooperation through others on ideals patience oneness and love this book provides specific tools for personal and spiritual development The Cayce information suggests that each individual has a definite purpose for living There is also the promise that with a spiritual intent we can come to understand that purpose We are all here for a reason a reason that joins us in search of a common heritage Presented here are insights for awakening to our spiritual nature and to an awareness of the purpose of the soul Edgar Cayce's Twelve Lessons in Personal Spirituality is designed as a tool for personal reflection as a handbook for small group discussion and even as a source of encouragement during those moments when the challenges of life seem more overwhelming than the beauty of it For though we may be separated by language or religion or customs or race or even vast distances we all share the earth as our temporal home we are all Children of the same God and we are all seekers along the way Edgar Cayce and the Kabbalah John Van Auken, 2010 John Van Auken combines his love of Kabbalah with his 40 years of studying the psychic readings of world famous seer Edgar Cayce to take us on a mind expanding journey through creation and the higher levels of our consciousness Van Aukens easy writing style helps to shed light on the most complicated concepts in Kabbalah making it easier to grasp the five divisions of our being the four planes of existence the seven heavens the ten emanations and the twenty two channels of the Infinite Creative Consciousness We also learn how to expand our minds to perceive these realms to journey through them and to remain sane healthy and active in our present life Van Auken brings in insights from Buddhism Hinduism Taoism and even ancient Egyptian theology and includes Gnosticism and Neo Platonism in this multi dimensional vista A reading journey into Edgar Cayce and the Kabbalah offers you a personal road map to higher consciousness and a happier more fulfilling life **The Essential Edgar Cayce** Mark Thurston, 2004-07-08 A complete guide to the work of the remarkable twentieth century seer Edgar Cayce featuring Cayce's most intriguing and influential readings and a biographical introduction to his life Edgar Cayce is one of the most mysterious men of the twentieth century Sometimes called The Sleeping Prophet he was prone to pick up taglines that reflected the sensationalistic side of his work rather than its real depth and meaning The core of his life's work was actually being an intuitive healer and Christian mystic More than one hundred books have been written about his teachings and his life story Yet no book has combined insightful commentary with lengthy verbatim selections of the full range of his

contribution to holistic healing practical spirituality and the psychology of the soul The Essential Edgar Cayce gives the reader an understanding of each major area in which Cayce helped pioneer the modern holistic living movement as well as the contemporary popular approach to spirituality that weaves together the best of Eastern and Western religious traditions The book's substantial introduction frames Cayce and his life's work and is followed by eight topical sections in which commentaries by Mark Thurston guide the reader through some of the seer's most significant readings Here is a truly integral portrait of the life and work of one of the twentieth century's most fascinating spiritual figures **Twelve Positive**

The Encyclopedic Sourcebook of New Age Religions James R. Lewis, 2004-08-30 In the late 1980s the New Age movement became the focus of both media attention and widespread ridicule as some of the more outlandish aspects of the movement such as channeling and the use of crystals for healing briefly piqued the public's curiosity While the movement was at its height scholars of religion generally sneered at what was perceived to be a daffy shallow craze and ignored it as a subject of serious study Professor James R Lewis was among the first to examine this growing religious phenomenon scientifically In previous books he has investigated the New Age as the most visible manifestation of a significant spiritual subculture the roots of which reach back to Theosophy Spiritualism and New Thought The present collection pursues this theme bringing together some of the best recent scholarship on new religions Since the height of its popular influence the New Age has declined in strength but has given rise to a plethora of new denominations all shaped by New Age ideas and spirituality Reflecting the emergence of this new denominational structure the core chapters of this book focus on specific groups Other chapters examine the movement's historical roots A unique feature of Dr Lewis's work is his inclusion of extensive selections from New Age literature thus allowing readers to experience firsthand the unusual perspectives of the various groups This is a fascinating examination of a significant and persistent religious and social phenomenon *Edgar*
