The Great Train Robbery John Gosling,1965 **The Great Train Robbery** Andrew Cook,2013-01-01

The Great Train Robbery of 1963 is one of the most infamous crimes in British history The bulk of the money stolen equivalent to over 40 million today has never been recovered and there has not been a single year since 1963 when one aspect of the crime or its participants has not been featured in the media Despite the wealth and extent of this coverage a host of questions have remained unanswered Who was behind the robbery Was it an inside job And who got away with the crime of the century Fifty years of selective falsehood and fantasy has obscured the reality of the story behind the robbery The fact that a considerable number of the original investigation and prosecution files on those involved and alleged to have been involved were closed in many cases until 2045 has only served to muddy the waters still further Now through Freedom of Information requests and the exclusive opening of many of these files Andrew Cook reveals a new picture of the crime and its investigation that at last provides answers to many of these questions

The Secret Train Robber Lee Sturley,2015-05-21

The Crime of the Century The biggest train heist in Britain s history The Great Train Robbery In the early hours of Thursday 8th August 1963 a fifteen strong gang stole 2 6 million 45 million of today s money from the Glasgow to London mail train at Sears Crossing Buckinghamshire The crime was so epic every single development of the case was followed tirelessly by the press Countless books have since been published and even today films television dramas and documentaries continue to study the smallest of details of one of the most daring and cleverly concocted criminal plans of all time Much of the gang were later captured and paid the price with lengthy jail sentences But 50 years on many still question who the real mastermind behind the plot For years most people accepted that Bruce Reynolds was but is that really the case One man knows the answer and the true identity of the man behind the robbery all too well In this engrossing biography the

only living person who personally knows the real mastermind revisits the Great Train Robbery and rewrites history as we know it Full of explosive fresh revelations The Secret Train Robber sees the final piece of the puzzle firmly set in place and the name of one of Britain s most sophisticated criminal minds ever is finally revealed **Case of the Great Train Robbery** Rae Bains,1982 Mark and his pet skunk Sheldon outwit a pair of train robbers *Great Train Robberies of the Old West* R. Michael Wilson,2006-11-01 During the 1800s trains carried the nation s wealth throughout the east but no one thought to rob a speeding train until 1866 In 1870 the first western train was robbed in Nevada and within hours a second train was robbed Railroads made every alteration to their cars and changed every procedure they could imagine to thwart the robbers but to no avail Robbing trains became epidemic over the next five decades even when the legislatures made train robbery a capital crime A few of the hundreds of train robberies stand out as thrilling and dangerous affairs and the greatest of these 15 20 are included in this book **The Great Train Robbery** ,1991 **The Men Who Robbed The Great Train Robbers** Mick Lee,2013-12-02 A fictional retelling of the story behind the great train robbery providing a sinister portrayal of the loyalties and fear operating within criminal and police circles in the sixties If you thought the great train robbers were unlucky to get caught you don t know half the story In the early hours of the 8th August 1963 several men hold up a GPO mail train in rural Buckinghamshire Two and a half million pounds equivalent to over 45 million today is snatched from under the noses of the GPO the police and the establishment This creates a gang of heroes who the public fall in love with some of whom like Ronnie Biggs become a part of British folklore But behind the bravado lays a darker story one of greed betrayal and both thieves and police turning on each other Eddie Maloney an IRA fundraiser and Tommy Lavery a northern crime boss know who the robbers are and where they live because they hired them for the job The men traditionally seen as Robin Hoods were set up and all with the exception of Biggs are brought to justice unsurprising given that Maloney and Lavery reach deep inside the investigating Flying Squad There is a reason that most of the money from the robbery was never recovered the two men at the top systematically robbed and cheated the men who did the dirty work In the aftermath will there be honour between the two masterminds of the operation the two men who were never caught There have been some attempts to catalogue the story of the great train robbery in the past almost all from a factual perspective looking at both the thieves and police This fictionalised account adds a fascinating twist to the story and will appeal to lovers of thrillers especially crime thrillers and those interested in true crime **The Great Train Robbery Quiz Book** Mike Gray,2013-12-20 The Great Train Robbery is one of the most well documented crimes of all time but how much do you really know about what happened on that fateful day in 1963 and in the years beyond This new quiz book will tell you everything you ever wanted to know about the Great Train Robbery and the people involved How many train robbers escaped from prison What was the robbers hideout called Who was the first 30 year sentence train robber to be released The answers to these brain teasers and more can all be found inside The Great Train Robbery Quiz Book With 100 questions all about the people involved in the robbery where they are
