*The Greatest Jewish City in the World* Harry Golden,1972      *The Spectator* ,1928      **"The" Book of History** ,1915  
New York Jews and the Decline of Urban Ethnicity, 1950-1970 Eli Lederhendler,2001-11-01 The first book length study of Jewish culture and ethnicity in New York City after World War II Here is an intriguing look at the cause and effect of New York City politics and culture in the 1950s and 1960s and the inner life of one of the city s largest ethnic religious groups The New York Jewish mystique has always been tied to the fabric and fortunes of the city as has the community s social aspirations political inclinations and its very notion of Jewishness itself All this points out Eli Lederhendler came into question as the life of the city changed Insightfully and meticulously he explores the decline of secular Jewish ethnic culture the growth of Jewish religious factions and the rise of a more assertive ethnocentrism Using memoirs essays news items and data on suburbanization religion and race relations the book analyzes the decline of the metropolis in the 1960s increasing clashes between Jews and African Americans and postwar transiency of neighborhood based ethnic awareness      **The Soul of America** Stanton Coit,1914      *The Advocate of Peace* ,1910      American Standard ,1924      **The Outline of Knowledge: Travel** James Albert Richards,1924      **The American Friend** ,1913      **The Reform Advocate** ,1920      The Missionary Review of the World ,1901      **The Encyclopaedia Britannica** Hugh Chrisholm,1911      **The Provincials** ,2005-02-01 This portrait of Jews in the South takes readers inside the nexus of southern and Jewish histories from the earliest immigrants to the present day This edition includes a gallery of more than two dozen family and historical photographs as well as a new introduction by the author      *This is Not the Way* David Goldberg,2012-03-06 Few subjects invoke such passion as the history and current situation of Jews in Western societies David Goldberg a progressive Rabbi with many years experience of dealing with other faiths and other Jews takes the most difficult issues of this fraught relationship and confronts them head on He argues that it is wrong to equate anti Semitism with anti Zionism that it is far more difficult to be a Muslim in twenty first century Britain than it is to be a Jew that Israel is far too often treated sentimentally and that the identification of Israel with the Holocaust memorializing the latter and sacralising the former has had baneful effects His discussion of the perennial question who is a Jew is equally trenchant he rejects all strict rabbinic criteria proposing that a Jew is simply anyone who insists that he or she is one Forthright challenging and witty This is Not the Way will spark debate criticism and delight in equal measure      *The Uttermost Part of the Earth* Richard R. Losch,2005 Losch provides brief summaries of 76 towns cities and empires of importance in the Bible or the ancient world He includes locations from both the Old and New Testaments as well as places that are not mentioned in the Bible but still influenced the world of those who lived in biblical times      The Athenaeum ,1915      *The Encyclopædia Britannica* Hugh Chisholm,1910
