The Legislative Legacy of Edward M. Kennedy
Craig A. Horowitz, 2014-02-14 Sweeping biographies abound authorized and nonauthorized regarding Ted Kennedy They tend either to applaud him for his ideals or criticize him for his personal flaws The present work differs Using historical tools and legal analysis it closely examines ten major pieces of legislation Kennedy sponsored or strongly backed as well as the attempt at immigration reform he spearheaded with John McCain This is a balanced and thoroughly researched book By tracing the legislation from their introduction through passage and analyzing the actual language of the legislation the book sheds considerable light both on the unintended consequences through time of the legislation as well as consequences Kennedy intended in attempting to promote reform and combat discrimination

Ted Kennedy Edward Klein, 2010-08-17 Presents the life and accomplishments of the Massachusetts senator from his early childhood and family life to the deaths of his brothers and his later life as a senator and family man

Ted Kennedy John A. Farrell, 2025-10-21 LONGLISTED FOR THE 2022 NATIONAL BOOK AWARD FOR NONFICTION An enthralling and groundbreaking new biography of one of modern America's most fascinating and consequential political figures drawing on important new sources by an award winning biographer who covered Kennedy closely for many years John A Farrell's magnificent biography of Edward M Kennedy is the first single volume life of the great figure since his death Farrell's long acquaintance with the Kennedy universe and the acclaim accorded his previous books including his New York Times best selling biography of Richard Nixon a finalist for the Pulitzer Prize helped garner him access to a remarkable range of new sources including segments of Kennedy's personal diary and his private confessions to members of his family in the days that followed the accident on Chappaquiddick Farrell is without question one of America's greatest political biographers and a storyteller of deep wisdom and empathy His book does full justice to this famously epic and turbulent life of almost unimaginable tragedy and triumph As the fourth son of the close knit but fiercely competitive Kennedy clan Ted was the runt of the litter Expelled from Harvard University for cheating he was a fun loving playboy who nevertheless served his brothers loyally and effectively It was easy to take Ted lightly and many did But when he was elected to the United States Senate at the age of thirty to fill his brother Jack's seat something unexpected happened He found his home and his calling there Over time Ted Kennedy would build arguably the most significant senatorial career in American history His life was buffeted by heartbreak the violent deaths of his three older brothers his own terrible plane crash his children's bouts with cancer and the hideous self inflicted wounds of Chappaquiddick and stretches of drinking and womanizing that caused irreparable damage to an already fragile first marriage Those wounds scarred Ted deeply but also tempered his character and eventually he embarked on a run as legislator party elder and paterfamilias of the Kennedy family that would change America for the better John A Farrell brings
