The Last Of The Templars:

The Last Templar Raymond Khoury, 2006-01-19 The first thrilling novel in Raymond Khoury's New York Times bestselling Templar series In 1291 a young Templar knight flees the fallen holy land in a hail of fire and flashing sword setting out to sea with a mysterious chest entrusted to him by the Order's dying grand master The ship vanishes without a trace In present day Manhattan four masked horsemen dressed as Templar Knights stage a bloody raid on the Metropolitan Museum of Art during an exhibit of Vatican treasures Emerging with a strange geared device they disappear into the night The investigation that follows draws archaeologist Tess Chaykin and FBI agent Sean Reilly into the dark hidden history of the crusading knights and into a deadly game of cat and mouse with ruthless killers as they race across three continents to recover the lost secret of the Templars

The Last of the Templars Barry Bliss, 2005-08 A fictionalised story set against the backdrop of the suppression of the Knights Templar based on documentary evidence *The Last Templar* Alain Demurger, 2004 A Pioneering investigation into the last days of the mighty Knights Templar and their last Grand Master by one of France's greatest medieval scholars The end of the mighty Order of the Temple is one of the great stories of the Middle Ages In 1307 Philip the Fair the devious King of France brought one of the most powerful and wealthy institutions in the world to trial and to an ignominious end Jacques de Molay the Temple's last Grand Master was at the heart of the events in which the chivalric ideal was ousted by treachery and greed In this pioneering investigation one of France's great medieval scholars describes Jacques de Molay's dazzling career and provides a vivid retelling of the drama of his and his Order's last days De Molay's life took him from Burgundy to a career in the Middle East Elected head of the Temple he had to face the loss of the Latin Crusader States He withdrew to Cyprus and dreamed of the reconquest of Jerusalem Summoned to France by the Pope for discussions he was caught up in the King of France's trap and burned at the stake for refusing to repudiate his order

The Last of the Templars William Watson, 1999 In the chaotic aftermath of the fall of Acre in 1291 and the reconquest of the Holy Land by the Moslems the last survivors of the Order of the Temple make their bloody retreat from the Middle East to France Here they will face the Inquisition and ultimately their destruction The Last Templar Thaddeus Jean, 2009-01-12 The story starts in Roma Italy with a faithful priest of the Vatican Abel who has been in hiding for 20 years His twin brother Cain a sinful genius who should have been dead years ago from cancer finds him With a threat on Abel's life to find a hidden treasure of the knights Templar's The key to the secret is within the walls of the Vatican A mysterious treasure hunt begins with Abel's mentor Father Mark they embark on a twistful journey finding out more than they should and possibly a secret so great that the church itself does not know The plot thickens as Abel wakes up on an off island in the middle of nowhere on Cain's island a place of human cloning and human animal mutations are performed and tested Abel finds himself having to make the hardest decision based on his faith and the need for vengeance that tugs on his soul Templar one of the original nine knights templars is found frozen in ice is brought back to life but not a life that God gave

him but one of an abomination of man With a remarkable historical run of excitement and gripping tales from the bible the battle begins between good and evil treasures are needed as the stage for the Armageddon begins As Templar gathers his team to battle evil the Nephilim Cain and the fallen angels raise their own armies Back of book Tracers zoomed by Templar just before one slammed dead center into his chest sending him reeling head over heels 30 feet into the air Landing on his back he finally slid to a rest in the snow The 50 cal went silent as everyone focused on the motionless body lying just outside the gates Abel held his breath as he watched Templar lying there Abel zoomed in on Templar s chest to see the damage What he saw blew his mind away the wound was actually mending itself rapidly right before his eyes Within seconds the injury was gone and the 50 cal round slid off his chest Frozen and hidden by God over 700 years ago Templar is now awakened to an unfamiliar world on the brink of annihilation Already made perfect and powerful by God his body has now been dramatically altered and endowed with mans greatest technologies He will need all the help he can get since his new assignment includes keeping mankind from destroying the world before God brings in the last judgment
