The 12string Guitar Of Roger Mcguinn:

Rickenbacker Electric 12-String Tony Bacon,2010-04-01 The definitive history of the world s most famous 12 string electric guitar When the Byrds recorded their hit version of Dylan s Mr Tambourine Man they popularized a new sound in pop music the electric 12 string guitar Rickenbacker is the guitar maker that brought the electric 12 string to market and has since been almost single handedly responsible for establishing what such a guitar should do The California company gave one of its earliest 12 strings to George Harrison of the Beatles on the group s first tour of the United States in 1964 He immediately used it live and in the studio and showed off the sound of electric jangle to the rest of the world This book tells the story of those heady days in the 60s of the competitors who tried and failed to match the sound and of the instrument s continuing production by Rickenbacker and use by many modern guitarists Complete with high quality photos and exclusive interviews with many of the 12 string s leading players this is the best guide yet to the history of the sound of jingle jangle

Margotin,Jean-Michel Guesdon,2022-01-18 An updated edition of the most comprehensive account of Bob Dylan s Nobel Prize winning work yet published with the full story of every recording session every album and every single released during his nearly 60 year career Bob Dylan All the Songs focuses on Dylan s creative process and his organic unencumbered style of recording It is the only book to tell the stories many unfamiliar even to his most fervent fans behind the more than 500 songs he has released over the span of his career Organized chronologically by album Margotin and Guesdon detail the origins of his melodies and lyrics his process in the recording studio the instruments he used and the contribution of a myriad of musicians and producers to his canon

Rock N Roll Gold Rush Maury Dean,2003 An appreciation of Rock n Roll song by song from its roots and its inspriations to its divergent recent trends A work of rough genius DeanOCOs attempt to make connections though time and across genres is laudable

The Byrds on track Andy McArthur,2024-06-17 The Byrds were just a little bit ahead of their time By releasing six genre defining albums in three years their transformative powers took electric guitars to traditional folk music brought jazz into psychedelic pop and helped introduce what we now know as Americana being the first major rock band to embrace the sound of Nashville They were heralded as the pioneers of folk rock acid rock and country rock not to mention space rock abstract electronics and all the inter genre crossover material that defines most of their albums They influenced so many of the musical movements that followed as they constantly progressed hungry to push the boundaries of popular music This book examines each one of the band s 12 studio albums highlighting the many high points especially from their mercurial 1965 1968 era and the less successful later years when the law of diminishing returns took over Also discussed within the Connected Flights part of each chapter are the band s

contemporaneous non album singles and B sides Previously unreleased tracks that were later released as part of their extensive reissue campaigns will also be covered making this book one of the most extensive guides to The Byrds music yet produced Andy McArthur is a retired teacher who in a previous life worked in finance He now works part time in the education charity sector Having always loved writing he previously contributed to a national newspaper s football fanzine section This is his first book He lives in Edinburgh with his wife Karen and daughters Amy and Zoe When not walking Mojo the dog up the Braid Hills Andy loves listening to music watching Ayr Utd and drinking zesty ales in pubs where he bores people by telling them how The Byrds changed popular music three times in the space of three years

The History of Rickenbacker Guitars Richard R. Smith,1987 Reference This 256 page soft cover book gives a complete and illustrated history of the development of Rickenbacker instruments from 1931 to the present Rickenbacker is the only book of its kind to chronicle the history of the company who in 1931 introduced electric instruments to the world The book provides information and full color photos of the many artists who have used and are using Rickenbacker instruments Rickenbacker collectors will find this book invaluable as it contains recently discovered accurate facts previously unavailable to researchers

Act Naturally Steve Matteo,2023-05-15 The Beatles produced five films during their time together A Hard Day s Night Help Magical Mystery Tour Yellow Submarine and Let It Be Some were cinematic successes and some were not but along with subsequent reissues bonus material and Peter Jackson s The Beatles Get Back a documentary companion to Let It Be they comprise an endlessly fascinating document of key phases in the group s career In this comprehensive deep dive into the band s movies author and longtime music journalist Steve Matteo follows the origins filming and often frenzied fan reception of projects from the 1964 premiere of A Hard Day s Night through 1970 s Let It Be to the release of Get Back in 2022 Matteo explores the production process original theatrical film releases subsequent VHS DVD and Blu ray releases and bonus materials along with the US and UK soundtracks In addition to copious anecdotes and behind the scenes details he also places these films in their larger context a period of unprecedented artistic and commercial innovation in British and world cinema Filled with stories and insights that will satisfy collectors buffs and casual fans alike this is the definitive account of an underappreciated part of the Beatles creative output
