

## The Art of Voice Acting: The Craft and Business of Performing for Voiceover

**copy link in description**

The Art of Voice Acting covers all aspects of the craft and business of performing voiceover. This sixth edition is reorganized and completely updated to include the latest information on how to get started in voiceover, performing techniques, setting up a personal recording space, voiceover demos, the basics of running a voiceover business, working with agents, unions, and much more. Dozens of URL's are included with additional resources and several chapters include all new scripts written specifically for this edition. Two new chapters include contributions from some of the voiceover world's top professionals. Additional content can be found on the Voice Acting Academy website at
