The Gospel Of Matthew Vol 1:

The Gospel of Matthew, vol. 1 Walter T. Wilson, 2022-11-29 What was the original purpose of the Gospel of Matthew For whom was it written In this magisterial two volume commentary Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE Wilson s compelling thesis frames Matthew s Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority Thus the text clarifies Jesus s essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day most notably the Pharisees and open to cordial association with non Jews Through meticulous engagement with the Greek text of the Gospel as well as relevant primary sources and secondary literature Wilson offers a wealth of insight into the first book of the New Testament After an introduction exploring the background of the text its genre and literary features and its theological orientation Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology Scholars students pastors and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson s deep contextualization of the text informed by his years of studying the New Testament and Christian origins

The Gospel of Matthew ,1956 *The Gospel of Matthew : Vol. 1, Matthew, Ch. 1-13:52* Frederick Clifton Grant,1955 *The Gospel of Matthew, Vol. 1* Rick Gregory,2016-06-10 The Gospel written by Matthew is a divinely inspired record of the life and ministry of Jesus Christ In each of the Gospels the Holy Spirit provides unique insights into the life and ministry of Jesus Christ As the gospel authors penned their works the Holy Spirit directed their writing to ensure that the view of Christ they presented was an exact and accurate record of what Jesus did and said this is who Jesus is Matthew was directed to write to a primarily Jewish audience for the purpose of demonstrating how that Jesus is the fulfillment of the Messianic promises to David that his descendant would sit on the throne of Israel forever Jesus as the son of David is presented as the rightful King of Israel with all of the corroboration required to certify His right to rule From the beginning of His gospel account Matthew anticipates through the eyes of the Magi the glories of the king of the Jews Matthew 2 2 At the end of his account Matthew records the conclusion of the matter that unwittingly came out of the declaration by Pontius Pilate who placed the ascription at the top of Jesus cross This is Jesus King of the Jews Matthew 27 37 Everything in his gospel underscores this truth that Jesus is the King A study of this gospel will inevitably lead to a deeper appreciation for the majesty and glory of the King Jesus Christ It will also provide insight in the devastation brought about by unbelief and rejection of Jesus Christ as Savior and Lord May you benefit from an enrichment of your personal faith as you study God s Word with the help of these exegetical outlines

of Matthew stands first among the Gospels and in the new Testament because it was first written and may be rightly termed the Genesis of the New Testament Genesis the first book of the Bible contains in itself the entire Bible and so it is with the first Gospel it is the book of the beginnings of a new dispensation It is like a mighty tree The roots are deeply sunk in massive rocks while its uncountable branches and twigs extend upward higher and higher in perfect symmetry and beauty The foundation is the Old Testament with its Messianic and Kingdom promises Out of this all is developed in perfect harmony reaching higher and higher into the new dispensation and to the beginning of the millennial age About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Beatitudes From the Back Side Dr. J.

Ellsworth Kalas, 2010-09-01 Using his method of approaching Bible passages from an unusual angle or a unique starting point J Ellsworth Kalas presents new insight into the beatitudes Jesus blessings from the Sermon on the Mount The book contains sessions and a study guide for personal use or for use in groups This book continues Kalas popular series of Back Side books The beatitudes form the introduction to what is no doubt the best known sermon ever preached We call it the Sermon on the Mount see Matthew 5:7 and of course it was preached by Jesus When we start examining the beatitudes we realize that in Jesus view happiness is not something we get by pursuing it indeed almost the contrary We are told that we will be happy or blessed if you prefer in what appears to be the near antithesis of happiness If we choose to live by the beatitudes we make a

declaration of dependence We put ourselves into bondage to such things as poverty of spirit purity of heart and a readiness for persecution This isn't the sort of product they advertise on prime time television indeed I'm not sure that it appears overly often in our prime time worship services That is because this is not a spiritual quick fix It doesn't come in a five easy lessons capsule Instead it is largely contrary to the way we live and to the way we think Before we go any further however let me say that over the past twenty centuries a very great many people have found in these beatitudes a depth of peace and joy beyond anything our common culture promotes and seeks But it isn't easy and it isn't obvious There's nothing easy or soft about this kind of dependence Rather it is an attitude that demands a huge store of courage It's the kind of dependence the trapeze artist displays when he or she lets go of the bar and with no safety net awaiting flies off into space trusting Welcome to the beatitudes And may you be eternally happy beginning now adapted from the introduction

Jesus, Revolutionary of the Poor Mark Bredin, 2017-11-06 Is Jesus relevant to the sufferings of the helpless the voiceless those dying of hunger those traumatized by violence people with learning difficulties In Matthew we see Jesus to be a man on the frontline battling against the forces that stop the non poor from living generously and the poorest of the poor living abundantly the way God intended This is Jesus as one who in his very being is an expression of God's wrath against human beings who live their lives as if creation is a battle zone where only the selfish and powerful flourish Matthew's Jesus is outraged at the lethargy and apathy that permits non poor people to live according to practices that lead so many to be excluded from the fruits of God's creation But the Jesus found in this gospel is also one who teaches that God has created a world that is good to see it is abundant as long as people live according to the dynamic order God has inwardly established in creation one rooted in generosity hospitality love self sacrifice righteousness justice Torah and mercy

Beatitudes, Not Platitudes Paul Louis Metzger, 2018-03-22 Beatitudes Not Platitudes shows that the Beatitudes are not overused well worn answers to the question What would Jesus do Rather they are undervalued and hardly touched claims that transform our destinies More than spiritual nuggets for personal devotion practical advice or propositions to be believed the Beatitudes in Matthew 5 envision and entail a reorientation of the good life in view of Jesus kingdom Jesus teachings reveal to us that living our best purpose driven life now involves dying to self and the world system and dying for our enemies Ideal for group study this series of meditations on each of the Beatitudes followed by cultural reflections and study questions helps to bridge the gaps between personal devotion and societal revolution the academic and the practical the ancient and the contemporary All of us want to be happy to be well and blessed and esteemed with honor However we look for happiness wellness blessing and honor in different places and with mixed results This book helps us reimagine the good life by taking a fresh look at the Beatitudes as citizens of Jesus ever new kingdom order
