**John: The Gospel of Wisdom** Michael Card, 2014-07-14 John the longest surviving of the apostles recorded in his Gospel a portrait of Jesus built on years of reflection In this last volume of the Biblical Imagination Series Michael Card shows how John fills out our picture of Jesus divine identity with stories and sayings of Jesus not recorded by the other Gospel writers

**Gospel of John**, 2020 *The Beginning and End of Wisdom (Foreword by Sidney Greidanus)* Douglas Sean O'Donnell, 2011-08-02 The wisdom literature of the Old Testament can be daunting Sidney Greidanus in the book's foreword describes Old Testament wisdom literature as one of the more difficult genres to interpret and preach Yet the numerous proverbs and sayings meet us in everyday life teaching us much about understanding and applying the gospel Pastor Douglas O'Donnell writes Just as every book of the Old Testament adds light to our understanding of Jesus so the revelation of God in the person of Christ enlightens our understanding of the Old Testament Not only do the wisdom books teach us about Jesus Christ but we understand the books better in light of the revelation of God's Son O'Donnell opens up the genre of wisdom literature through six chapters that look at how the gospel shines through Proverbs Ecclesiastes and Job He specifically centers on the first and last chapters of each book noting how the texts illustrate the wisdom of God in the sufferings of our Savior Pastors church leaders and students of Scripture will find this thoughtful volume demonstrative of seeing the gospel in the Wisdom Literature

**Wisdom Christology in the Gospel of John** Dustin R. Smith, 2024-04-18 This volume contends that the Gospel of John presents the most thorough and robust Wisdom Christology of all the New Testament books Wisdom Christology the christological concept that applies the roles characteristics and functions of God's personified wisdom to the man Jesus Christ is displayed to be skillfully interwoven throughout all twenty one chapters of the Fourth Gospel starting with the famous prologue In response to the prevailing tendency among interpreters to project postbiblical understandings of Jesus from the fourth and fifth century church councils back into the Gospel of John this volume shows that a more fitting context emerges from Jewish Wisdom literature By situating the Johannine Jesus in his first century Jewish context readers can appreciate John's commitment to monotheism and Jesus role as the Father's highly empowered human agent fully embodying Lady Wisdom

Jesus the Sage Ben

Witherington, III, 2000-01-01 The path of wisdom from Solomon to Jesus and from Jesus to the church In the early Jesus movement wisdom in the person of Jesus was believed to have returned to heaven exalted to the right hand of God and to reign from there But Jesus as wisdom had left both his legacy and his influence behind The sayings of Jesus recorded in the Gospels reflect not only the influence of the Israelite wisdom traditions but also the tradition of the personification of wisdom In this provocative volume newly available in paperback Ben Witherington provides both an introduction to Israel's wisdom traditions and insight into how Jesus and his sayings fit in that tradition Beyond this he demonstrates the ongoing significance and influence of these traditions on other New Testament writings He concludes that Jesus may be viewed primarily as a prophetic sage emphasizing instruction insight and humor in a vein counter to the dominant culture The Goldsworthy Trilogy Graeme Goldsworthy, 2014-09-01 Combining three incredibly important books for the teaching of the church The Goldsworthy Trilogy offers a complete and comprehensive guide to understanding the gospel throughout the whole of Scripture This collection containing the hugely popular Gospel and Kingdom Gospel and Witness and The Gospel in Revelation will be an essential guide to be used again and again for those who seek to understand the Bible in the light of who Jesus is Those already acquainted with Goldsworthy's work will be familiar with his pithy and engaging style Straightforward in his approach he looks at how the Bible can only be understood through the eyes of the gospel From this base of interpretation he studies the Old Testament and its application for today Israel's wisdom literature and its role in the Christian life and the purpose and contemporary relevance of the book of Revelation while his knowledge of Old Testament idiom and structure enhances his writing This trilogy follows the Bible chronologically to give the reader a complete overview of evangelical biblical interpretation forming an essential one stop reference that will last a lifetime The Parable of Joy Michael Card, Keith Mueller, 1995 Card brings a special blend of artistic craft and scholarly research to this candid look at the text of John including his own translation of the gospel from the original Greek text He introduces readers to the apostle in a fresh new way and offers insight into the apostle's unique outlook on life The Works of Thomas Goodwin, vol. 1 Thomas Goodwin, 2009-04-07 **The Gospel of Thomas and Christian Wisdom** Stevan L. Davies, 2005 Discovered in Egypt in 1945 as part of the Nag Hammadi Library the Gospel of Thomas was long considered irrelevant to the study of Jesus teachings Stevan Davies influential The Gospel of Thomas and Christian Wisdom overturned this view and enabled the Gospel of Thomas to be taken seriously as a source for the earliest Christianity This Bardic Press edition brings a classic work of accessible scholarship back into print A entirely new forty page introduction discusses recent developments in scholarship looks at Thomas independence from the New Testament gospels discusses the role of Mary Magdalene in the Gospel Thomas and offers a variety of valuable insights A fascinating additional essay speculates that Thomas may have been used as an oracle text in a similar way to the I Ching **Wisdom About Wisdom** Greg Giles, 2025-04-29 What is biblical wisdom The Bible gives three very different answers to that question First wisdom is the best possession possible so everyone should get

wisdom Second wisdom is God's domain which no one can understand so the only wise path is to fear him Third Jesus the Messiah is God's wisdom alive He is co-wise with God and reveals God's wisdom We can access his wisdom by living as he lived One lesson all of the wisdom writers agree upon is that wisdom is not about being smarter than everyone else but about having good character The wise display their wisdom in humility and good deeds *The God of the Gospel of John* Marianne Meye Thompson, 2001-10-09 While there are numerous studies of God in the Old Testament the concept of God has largely been ignored as a subject of inquiry in contemporary New Testament theology As this superb work by Marianne Meye Thompson shows however an understanding of the identity of God is central to the New Testament particularly to the Gospel of John Thompson here offers the first comprehensive study of the concept of God in John's Gospel She shows that one must first grasp the importance of God to John before one can properly appreciate the Gospel's Christology and overarching message By arguing that John is rightly understood to be a theocentric work Thompson challenges the prevailing theory that John is primarily concerned with Christology While Thompson uses traditional historical and exegetical approaches to the New Testament and ancient sources her study is mainly theological in scope She asks how John portrays God and how after reading the Gospel we ought to speak of the identity of God Unlike many recent studies of John this one does not try to reconstruct the history behind the text but rather tries to fully illumine the theological content of John's message A seminal study with lasting implications for New Testament theology *The God of the Gospel of John* will become a standard text for students of the New Testament *The genius of the gospel; a homiletical commentary on the Gospel of st. Matthew*, ed. by W. Webster David Thomas, 1873 **The Christological Metaphors of Wine, Water, and Bread in the Gospel of John in Relation to Their Sapiential Background** Michał Filip Powęska, 2024-12-09 When focusing on the sapiential traits in text of the Fourth Gospel it should be noted that in its images of wine water and bread connected by the common theme of eating and drinking one can see Jesus the Giver who like the Old Testament personified wisdom bestows his gifts on man Although single references to the Old Testament sapiential texts have been suggested for the Johannine images of wine water bread light and the vine no detailed study of these images as well as their juxtapositions even in the aspect of eating and drinking has been published so far The selected topic seems to be important for showing a comprehensive approach to the Johannine banquet motif in its sapiential aspect broken down into particular Johannine images which are the events related to wine water and bread It is ultimately significant to present Jesus' full identity through these three metaphors referring to the personified and preexisting wisdom as described in the Old Testament sapiential literature **The Gospel of Jesus** John Davidson, 2005 An uplifting study of Jesus his times and his teaching *The gospel according to S. John* Alfred Plummer, 1896 Dictionary of Jesus and the Gospels (2nd edn) J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding

of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels New Daily Study Bible - The Gospel of John (Volume 1) William Barclay, 2013-01-25 William Barclay reveals why for many Christian people the Gospel according to John is the most precious book of the New Testament *An Exposition of the New Testament* ,1811
