The Gospels Mark L. Strauss,2018-02-01 The four New Testament books known as the Gospels give us a rich perspective into the life of Jesus While each may focus on various spiritual themes or present different aspects of Jesus s earthly life each gospel should be respected and appreciated for its literary and historical integrity Each writer s gospel book fueled by the Holy Spirit gives a unique window into who Jesus Christ is and what He came to accomplish Together they weave a beautiful tapestry of the story of salvation

The Gospels ,1877 *The Gospel of Jesus* James M. Robinson,2005-09-06 We all know the Gospels of Matthew Mark Luke and John but what was the gospel of Jesus That is what was the original good news the first disciples heard from Jesus What did Jesus really say that started the dramatic movement in Galilee that grew to become the largest religion in the world Jesus s original gospel has been lost from sight hidden behind the version preferred by the church We have put him on a pedestal rather than walked in his footsteps In *The Gospel of Jesus* James M Robinson the preeminent expert on the earliest sources of information about Jesus provides the primary texts in all their unvarnished honesty to get to the true historical message of Jesus what Robinson calls a brittle upsetting comforting challenging gospel The Gospel of Jesus draws on a combination of the most ancient and authentic texts to reveal what Jesus really said and to illuminate what he may still have to say to us today Robinson addresses such provocative questions as What can we know about Jesus s childhood and youth What was his family like What sort of education did he receive How observant a Jew was he What do we know about his sex life What do we know about his relation to Mary Magdalene What was John the Baptist s impact on him What message did Jesus really preach What do we know about his crucifixion Why did his followers believe so fervently in his resurrection Drawing on the earliest Gospel Mark plus the source for Matthew and Luke known as Q as well as from Jewish sources such as the Dead Sea Scrolls and the ancient extra biblical Gnostic texts discovered at Nag Hammadi Robinson not only reconstructs the good news Jesus preached and practiced two thousand years ago but shows how relevant his message still is and how we can apply it to our lives today The Gospel of Jesus offers one of the most authentic and stirring accounts ever written of the message preached by the figure whose followers today number more than two billion

The Gospels Rose Publishing,2007-09 Gospels Lost and Found Who really wrote the Gospels Was it really Matthew Mark Luke and John Or were the gospels written by people who were utterly unconnected with eyewitnesses as some books and TV shows claim Were the gospels written so long after Jesus death and resurrection that they cannot be relied upon Were there gospels that were included in the New Testament and later removed Why were these four books chosen and not others 14 panels fits inside most Bibles Pamphlet is 8 5 x 5 5 inches and

unfolds to 38 inches long Gospels Lost and Found gives solid reasons to trust the New Testament writings and provides answers to Bart Ehrman's book Misquoting Jesus The Story Behind Who Changed the Bible and Why Author Timothy Paul Jones Ph D shows where the critics are incorrect and provides us with a logical well reasoned arguments for believing that Jesus lived died and rose again according to the Scriptures Now is the time to discuss textual criticism because critics are bringing this to the public debate and claiming that the Bible cannot be trusted It is important help Christians become better informed ready to defend the faith Dr Jones interest in this topic began many years ago when he came across arguments against the Bible At first his faith was badly shaken and he wondered if he still believed in the Bible But as he researched more he found answers In just fourteen concise pages Dr Jones shows the errors in critics logic and facts and does it in an easy to understand style Dr Jones professor at Southern Baptist Theological Seminary has received the Baker Book House Award for excellence in theological scholarship He is author of Answers to the Da Vinci Code and Christian History Made Easy Click [HERE](#) to see more comments from top scholars on Dr Jones's work including his book length discussion on this topic published by InterVarsity Press Misquoting Truth Or enter into your browser http://www.ivpress.com/cgi/ivpress/book.pl?review_code=3447

A Short Introduction to the Gospels Ernest De Witt Burton, 1913 [Feasting on the Gospels--Luke, Volume 1](#) Cynthia A. Jarvis, E. Elizabeth Johnson, 2014-01-01 Feasting on the Gospels is a new series that follows up on the success of the Feasting of the Word series to provide another trusted preaching resource this time on the most preached on books in the Bible the four Gospels Inside cover [How to Read the Gospels](#) Yung Suk Kim, 2024-05-29 This accessible introduction to the Gospels examines the distinctive messages offered by the texts giving students a better understanding of methods and interpretations It explores a close reading of each Gospel and encourages students to approach texts from their own perspectives from postcolonialism to environmentalism The discussion questions included will help students focus their reflections on the gospel narrative its theology and methods of reading it How to Read the Gospels is an ideal textbook for undergraduate and seminary classrooms The book aims to reach seminary and graduate students who study the Gospels critically and comprehensively It provides user friendly summaries such as the basics of each Gospel authorship history important parables etc the Jesus of each Gospel and notable interpretation and translation issues Without reading the entire story readers often focus on only specific passages This book aims to foster close reading of each entire text sensitizing students to historical and literary issues that commonly arise and helping them better understand various ways to interpret these formative stories What makes this book unique is that it also engages various readings of the Gospels from traditional to deconstruction approaches including womanist interpretation disability interpretation ecological interpretation and many more For example how can readers understand the story of Jesus surprising conversation with the Samaritan woman in John

4 through the lens of feminism Or postcolonial criticism By providing alternative ways to think about these stories and various methods of approaching texts that may be new to the student the book opens up how such passages can be interpreted and appreciated *Jesus, Paul, and the Gospels* James D.G. Dunn,2011-05-03 This compact theological primer from a widely respected scholar offers a well integrated and illuminating approach to a variety of basic issues in the study of the New Testament Provided by publisher Reading the Gospels Wisely Jonathan T. Pennington,2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources Rather he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation

Biblical Commentary on the Gospels ,1847 **Jesus and the Gospels, Third Edition** Craig L.

Blomberg,2022-11-15 In *Jesus and the Gospels* New Testament scholar Craig Blomberg immerses the reader in the historical and cultural world of Gospel narratives for them to better understand and appreciate their focal point Jesus of Nazareth

The Cambridge Companion to the Gospels Stephen C. Barton,2006-11-23 An introduction covering historical theological and ethical aspects of the gospels through the ages Paul and the Gospels Michael F. Bird,Joel Willitts,2013-05-01 This volume which collects together the work of several established scholars attempts to situate the Apostle Paul the Pauline writings and the earliest Christian Gospels together in the context of early Christianity It addresses the issue of how the Christianity depicted in and represented by the individual Gospels relates to the vision of Christianity represented by Paul and the Pauline writings This raises such questions as to what extent did Paul influence the canonical and non canonical Gospels In what way are the Gospels reactions to Paul and his legacy A comparison of the Gospels and Paul on topics such as Old Testament Law Gentile mission Christology and early church leadership structures represents a fruitful area of study While a number of volumes have appeared that attempt to assess the relationship between the historical Jesus and the Apostle Paul relatively few studies on Paul and the Gospels have been published This volume excellently fills this gap in New Testament Studies and makes a valuable contribution to studies on Christian Origins Pauline research and the Gospels
