The Gower Coast:

The Gower Peninsula. The Official Guide. [With Illustrations and a Map.], 1962 *The Gower Peninsula. The Official Guide*, 1965 *The Gower Peninsula*, 1956* *The Gower Peninsula* British Publishing Company Limited, 1972 **The Gower Peninsula**, 1968 **The complete travel guide for Wales (United Kingdom)**, *Gower Peninsula* Clare Gogerty, 2017-04-03 From Rhossili's seemingly unending stretch of sand to the wilderness of Cwm Ivy few places are as unspoilt and lovely as the Gower Peninsula. It's certainly not hard to see why this varied landscape tucked away on the South Wales coast was the first place in the UK to be designated an Area of Outstanding Natural Beauty. This guidebook takes an in-depth look at key areas of the Peninsula including their history and wildlife. Discover caves that were home to Prehistoric people and smugglers' haunts where to find otters wading birds and rare plants and how the writer Dylan Thomas once got stranded on Worms Head overnight. Seven walks with step by step instructions ranging from gentle 1 mile wanders to longer more challenging excursions are the perfect way to get to know the Peninsula by foot while a fold out Spotter's Guide helps identify species you'll spot here including birds butterflies and plants *A Wander Around the Coast of Wales* Steve Plant, 2014-05-07 Rugged coastline outstanding beaches numerous historic buildings and a good dollop of folklore are just some of the fabulous attractions of the Wales Coast Path. Add to this the warmth and friendliness of the Welsh people and a wander around Wales becomes a truly memorable experience. The 870 miles of continuous coast path offer a unique view of Wales and all that it has to offer. Every geographic section of the path has its own highlights and every day presents you with a new experience to savour and enjoy. So charge your camera walking boots at the ready and prepare to be amazed as you wander around the Wales Coast Path whatever the weather **Natural Landscapes of Britain from the Air** Nicholas Stephens, 1990-09-06 *The Macmillan Guide to the United Kingdom 1978-79* NA NA, 2015-12-25 **The South Wales Coast from Chepstow to Aberystwyth** Ernest Rhys, 1911 *The Edge of Cymru* Julie Brominicks, 2023-03-06 In the course of a year Julie Brominicks walked around the edge of Wales having left her job in environmental education at the Centre for Alternative Technology in Machynlleth. As an English incomer and a Welsh learner with a long association with the country she was interested in what Wales meant and how she did or didn't fit in to it. The result is a fascinating alternative travelogue which merges topography history environmentalism and observation of nature to produce the long view of Wales discovering the roots of the present in the past. Sometimes the distant past Brominicks' observations of the places and people she discovers around Wales are lively and well written although this is her journey in many senses of that word the narrative is at least as interested in who she meets and what she sees especially of ordinary life. She brings the everyday to life in thought provoking ways her book a new way of looking at the place where we live and the people with whom we live our lives knowingly and unknowingly. Her writing is lyrical studded with engaging and striking coinages and images which take the reader along the journey with her both entertained and informed. *The Edge of Cymru* is a refreshingly new way of looking at

place identity memory and belonging especially through an environmental lens It rewards the reader whether they are interested in Wales specifically or the world generally Bursts with beautiful descriptive prose which picks up the minutia of each moment Brominicks skilfully examines broad social environmental political economic and even geological changes without the book feeling dry as accessible as a novel and would make a great holiday read as much as a bedside book Countryfile Magazine **National Geographic Traveler: Great Britain** Christopher Somerville,2007 This new edition offers the latest information on historic sites city highlights scenic drives walking tours and more from London s venerable Westminster Abbey to John Lennon s boyhood home in Liverpool as well as the distinctive countries of Scotland and Wales

Imagining Landscapes Monica Janowski,Tim Ingold,2016-05-13 The landscapes of human habitation are not just perceived they are also imagined What part then does imagining landscapes play in their perception The contributors to this volume drawn from a range of disciplines argue that landscapes are imagined in a sense more fundamental than their symbolic representation in words images and other media Less a means of conjuring up images of what is out there than a way of living creatively in the world imagination is immanent in perception itself revealing the generative potential of a world that is not so much ready made as continually on the brink of formation Describing the ways landscapes are perpetually shaped by the engagements and practices of their inhabitants this innovative volume develops a processual approach to both perception and imagination But it also brings out the ways in which these processes animated by the hopes and dreams of inhabitants increasingly come into conflict with the strategies of external actors empowered to impose their own ready made designs upon the world With a focus on the temporal and kinaesthetic dynamics of imagining *Imagining Landscapes* foregrounds both time and movement in understanding how past present and future are brought together in the creative world shaping endeavours of both inhabitants and scholars The book will appeal to anthropologists sociologists and archaeologists as well as to geographers historians and philosophers with interests in landscape and environment heritage and culture creativity perception and imagination **Great Britain** Christopher Somerville,2011 The allure of Great Britain s natural beauty famously refined culture and storied history has long held sway over visitors The country is the number one destination for Americans traveling to Europe Annually more than 4 000 000 tourists cross the Atlantic to enjoy the island s myriad charms including the rolling moors of Devon and Yorkshire some of the world s finest museums dining and theater in the fabled streets of London Travelers are able to soak in the rich history and stunning scenery of Scotland s islands and highlands as well as the stately aristocratic mansions and castles that dot the countryside Illustrated with more than 150 vivid photographs and 30 detailed full color maps *National Geographic Traveler Great Britain 3rd Edition* brings you everything you need to know to plan a trip to this most enticing of regions Veteran travel author Christopher Somerville a native Englishman guides you shire by shire through the fascinating landscape that is 21st century Britain beginning with a detailed introduction to the island s history food land and culture factors that have clearly shaped the distinctive tongue in

cheek character of the British people The book provides an in depth exploration of the area s individual regions including the very distinct countries of Scotland and Wales covering in detail every corner of this diverse and beguiling land From venerable Westminster Abbey and the cutting edge art at the Tate Modern museum in London to Shakespeare s scenic hometown of Stratford Upon Avon to John Lennon s boyhood home in Liverpool it s all here In addition special detailed features give comprehensive information on many diverse topics such as the relaxing parks of London Wedgewood and the potteries Thomas Hardy s Dorset and golfing in Scotland The book also offers seventeen guided walks and drives through many of Britain s most scenic and historic regions including tours of the ancient cities of Oxford and Bath and drives around Snowdonia National Park in Wales and Wordsworth s beautiful Windermere in the hugely popular Lake District A thorough Travelwise section provides recommendations for hotels and restaurants in all price ranges and in all areas Whether you re birdwatching on the islands of Scotland s Inner Hebrides visiting the famous and impressive Bronze Age monument at Stonehenge or gazing upon the famous portraits of storybook kings and queens in the National Portrait Gallery in London National Geographic Traveler Great Britain has every tool you need to make your trip a memorable one
