"The House GOP continues to attempt to undermine an active investigation and ongoing New York criminal case with an unprecedented campaign of harassment and intimidation. Repeated efforts to weaken state and local law enforcement actions are an abuse of power and will not deter us from our duty to uphold the law. These elected officials would better serve their constituents and the country, and fulfill their oath of office, by doing their jobs in Congress and not intruding on the sovereignty of the state of New York by interfering in an ongoing criminal matter in state court."
