The Grand Strategy Of The Soviet Union:

The Grand Strategy of the Soviet Union Edward M. Luttwak, OFFICE OF THE SECRETARY OF DEFENSE WASHINGTON DC OFFICE OF THE DIRECTOR NET A SSESMENT., 1982

The Grand Strategy of the Soviet Union Edward Luttwak, 1983

The Grand Strategy of the Soviet Union Canadian Institute of Strategic Studies, 1984

Stalin's Other War Albert L. Weeks, 2002-08-15 On June 22 1941 just less than two years after signing the Nazi Soviet Agreements Adolf Hitler's German army invaded the Soviet Union The attack hardly came as a surprise to Josef Stalin in fact history has long held that Stalin spent the two intervening years building up his defenses against a Nazi attack With the gradual declassifying of former Soviet documents though historians are learning more and more about Stalin's grand plan during the years 1939 1941 Longtime Soviet expert Albert L Weeks has studied the newly released information and come to a different conclusion about the Soviet Union's pre war buildup it was not precaution against German invasion at all In fact Weeks argues the evidence now suggests Soviet mobilization was aimed at an eventual invasion of Nazi Germany The Soviets were quietly biding their time between 1939 and 1941 allowing the capitalist powers to destroy one another all the while preparing for their own Westward march Stalin Weeks shows wasn't waiting for a Nazi attack Hitler simply beat him to the punch

India's Grand Strategy Kanti Bajpai, Saira Basit, V. Krishnappa, 2014-08-07 As India prepares to take its place in shaping the course of an Asian century there are increasing debates about its grand strategy and its role in a future world order This timely and topical book presents a range of historical and contemporary interpretations and case studies on the theme Drawing upon rich and diverse narratives that have informed India's strategic discourse security and foreign policy it charts a new agenda for strategic thinking on postcolonial India from a non Western perspective Comprehensive and insightful the work will prove indispensable to those in defence and strategic studies foreign policy political science and modern Indian history It will also interest policy makers think tanks and diplomats

The Grand Strategies of Great Powers Tudor A. Onea, 2020-08-05 What is grand strategy and what is it good for What are great powers and which states are great powers today What are the grand strategies available to great powers What are the conditions under which a certain strategy is suitable and when should it be rejected What are the factors affecting the success or failure of a given grand strategy The present volume provides answers to these questions by introducing a typology of great power grand strategies as strategies of rising status quo and declining powers as well as through historical illustrations of each type The reader is thus exposed to strategies such as divide and conquer biding your time opportunity strike primacy semi detachment concert and appeasement through the experiences of leaders such as Bismarck Peter the Great Metternich Deng Xiaoping Neville Chamberlain and Stalin This analysis is then brought to bear on present developments in the grand strategies of the United States China and Russia The volume should be of interest to both the academic and foreign policy making communities and in particular to students of international relations diplomacy history and current international affairs

Grand Strategies in War and Peace Paul M. Kennedy, 1991-01-01 Examines how the US the Soviet Union and various European powers have developed their grand Strategies how they have integrated their political economic and military goals in order to preserve their long term interests in times of war and peace The Grand Strategy that Won the Cold War Douglas E. Streusand, Norman A. Bailey, Francis H. Marlo, 2017-07-15 This book demonstrates that under the leadership of President Ronald Reagan and through the mechanism of his National Security Council staff the United States developed and executed a comprehensive grand strategy involving the coordinated use of the diplomatic informational military and economic instruments of national power and that grand strategy led to the collapse of the Soviet Union In doing so it refutes three orthodoxies that Reagan and his administration deserve little credit for the end of the Cold War with most of credit going to Mikhail Gorbachev that Reagan s management of the National Security Council staff was singularly inept and that the United States is incapable of generating and implementing a grand strategy that employs all the instruments of national power and coordinates the work of all executive agencies The Reagan years were hardly a time of interagency concord but the National Security Council staff managed the successful implementation of its program nonetheless The Oxford Handbook of Grand Strategy Thierry Balzacq, Ronald R. Krebs, 2021-09-13 A clearly articulated well defined and relatively stable grand strategy is supposed to allow the ship of state to steer a steady course through the roiling seas of global politics However the obstacles to formulating and implementing grand strategy are by all accounts imposing The Oxford Handbook of Grand Strategy addresses the conceptual and historical foundations production evolution and future of grand strategy from a wide range of standpoints The seven constituent sections present and critically examine the history of grand strategy including beyond the West six distinct theoretical approaches to the subject the sources of grand strategy ranging from geography and technology to domestic politics to individual psychology and culture the instruments of grand strategy s implementation from military to economic to covert action political actors including non state actors grand strategic choices the debatable merits of grand strategy relative to alternatives and the future of grand strategy in light of challenges ranging from political polarization to technological change to aging populations The result is a field defining interdisciplinary and comparative text that will be a key resource for years to come *South Korea's Grand Strategy* Ramon Pacheco Pardo, 2023-10-10 Since the end of the Cold War South Korea has taken on a greater role in global affairs Ramon Pacheco Pardo provides a groundbreaking analysis of South Korea s foreign policy from its transition to democracy in the late 1980s through the present day arguing that the country s approach to the world constitutes a grand strategy This book examines the key factors and goals that shape South Korea s long term strategy with analysis that brings together its diplomatic military economic and soft power components Pacheco Pardo shows that South Korea s fundamental aim has been to move beyond its past as a shrimp among whales and instead attain autonomy and freedom of action He explores how South Korean leaders across parties and governments have pursued security prosperity and status Pacheco Pardo tracks South Korea s

core relationships with North Korea the United States and China and he details the country's objectives and policies across East Asia the Asia Pacific region and the rest of the world Drawing on in depth interviews with past and present policy makers this book presents an analytical account of how South Korean strategy is made and practiced It expertly lays out South Korea's grand strategy and more broadly makes a compelling case that middle powers like South Korea can implement grand strategies

Thucydides on Strategy Athanassios Platias,Constantinos Koliopoulos,2026-01-15 Masterfully crafted and surprisingly modern History of the Peloponnesian War has long been celebrated as an insightful eloquent and exhaustively detailed work of classical Greek history The text is also remarkable for its deep political and military dimensions and scholars have begun to place the work alongside Sun Tzu's The Art of War and Clausewitz's On War as one of the great treatises on strategy The perfect companion to Thucydides' impressive History this volume details the specific strategic concepts at work within the History of the Peloponnesian War and demonstrates through case studies of recent conflicts in Kosovo Afghanistan and Iraq the continuing relevance of Thucydidean thought to an analysis and planning of strategic operations Some have even credited Thucydides with founding the discipline of international relations Written by two scholars with extensive experience in this and related fields Thucydides on Strategy situates the classical historian solidly in the modern world of war

Grand Strategy in Theory and Practice William C. Martel,2015-01-12 This book explores fundamental questions about grand strategy as it has evolved across generations and countries It provides an overview of the ancient era of grand strategy and a detailed discussion of its philosophical military and economic foundations in the modern era The author investigates these aspects through the lenses of four approaches those of historians social scientists practitioners and military strategists The main goal is to provide contemporary policy makers and scholars with a historic and analytic framework in which to evaluate and conduct grand strategy By providing greater analytical clarity about grand strategy and describing its nature and its utility for the state this book presents a comprehensive theory on the practice of grand strategy in order to articulate the United States past present and future purpose and position on the world stage

Encyclopedia of American Foreign Policy Glenn P. Hastedt,2014-05-14 Presents an A to Z reference guide that examines United States foreign policy

Before and After the Fall Nuno P. Monteiro,Fritz Bartel,2021-12-23 As the Cold War came to a close in 1991 US President George H W Bush famously saw its shocking demise as the dawn of a new world order that would prize peace and expand liberal democratic capitalism Thirty years later with China on the rise Russia resurgent and populism roiling the Western world it is clear that Bush's declaration remains elusive In this book leading scholars of international affairs offer fresh insight into why the hopes of the early post Cold War period have been dashed and the challenges ahead As the world marks the thirtieth anniversary of the collapse of the Soviet Union this book brings together historians and political scientists to examine the changes and continuities in world politics that emerged at the end of the Cold War and shaped the world we inhabit today

The Search for a Cold War Grand Strategy United States Army

Command and General S, United States Army Command and Staff College, 2015-06-10 The Soviet Union's behavior following the conclusion of World War II challenged United States policy Communist aggression around the world created a turbulent and difficult environment for the United States and Western Europe to address Communist actions increased the difficulties for the United States which simultaneously attempted to stabilize the global economy and Western European governments U S policy lacked focus and senior leaders urged President Harry S Truman to review national policy The political environment following the conclusion of World War II was not optimal for President Truman to request an increase in the U S military budget The North Korean attack on South Korea gave impetus to an invigorated national defense policy The attack justified an increase in defense spending in support of NSC 68 policy recommendations President Dwight D Eisenhower assumed responsibility for a coherent national strategy after his successful election following President Harry S Truman President Eisenhower campaigned on a review of the national strategy as part of his promise for a New Look This study focuses on the creation and evolution of National Security Council policy recommendations by two distinctly different staffing procedures It also identifies presidential and senior leadership experiences and influences of staff organizations that created successful national security policies Their policy actions ultimately contributed to the successful collapse of the Union of Soviet Socialist Republics and degraded communism as a legitimate form of government in the late 1980s The Grand Strategy that Won the Cold War Norman A. Bailey, Francis H. Marlo, Douglas E. Streusand, Paul D. Gelpi, 2016-01-14 This book demonstrates that under the leadership of President Ronald Reagan and through the mechanism of his National Security Council staff the United States developed and executed a comprehensive grand strategy involving the coordinated use of the diplomatic informational military and economic instruments of national power and that grand strategy led to the collapse of the Soviet Union In doing so it refutes three orthodoxies that Reagan and his administration deserve little credit for the end of the Cold War with most of credit going to Mikhail Gorbachev that Reagan's management of the National Security Council staff was singularly inept and that the United States is incapable of generating and implementing a grand strategy that employs all the instruments of national power and coordinates the work of all executive agencies The Reagan years were hardly a time of interagency concord but the National Security Council staff managed the successful implementation of its program nonetheless **The Red Hammer: The Untold Story of the Soviet Union's Grand Scheme** Pasquale De Marco, In the annals of history a hidden chapter unfolds a tale of grand strategy deception and unyielding ambition The Red Hammer The Untold Story of the Soviet Union's Grand Scheme unveils Stalin's secret plan to conquer Nazi Germany and reshape the world order As the Second World War loomed on the horizon Stalin the enigmatic leader of the Soviet Union harbored a vision of a world remade in his image He saw the impending conflict as an opportunity to expand Soviet influence topple his rivals and establish a communist utopia With cunning precision he orchestrated a series of diplomatic maneuvers and military deployments all while projecting an image of neutrality Behind the scenes the Soviet

Union underwent a remarkable transformation. Factories churned out tanks, aircraft, and artillery at an unprecedented pace while millions of men were conscripted into the Red Army, the largest fighting force the world had ever seen. Yet Stalin's true intentions remained hidden, masked by a carefully constructed facade of peace and non-aggression. Stalin played a dangerous game of brinkmanship, skillfully manipulating the major powers to serve his own ends. He signed the infamous Nazi-Soviet Pact with Hitler, a pact that stunned the world and paved the way for the invasion of Poland, the event that ignited the Second World War. But Stalin's ultimate goal extended far beyond securing territorial gains. He envisioned a world order dominated by the Soviet Union, a world where capitalism would be vanquished and communism would reign supreme. The invasion of Nazi Germany was to be the catalyst for this grand revolution, the first step in a carefully orchestrated plan to reshape the global landscape. As the war raged across Europe, Stalin's hidden agenda remained shrouded in secrecy. His generals and diplomats executed his orders with unwavering loyalty, unaware of the true objectives that fueled their sacrifices. The Soviet Union's military might grew exponentially, poised to strike when the time was ripe. Fate, however, had other plans in store. In June 1941, Hitler's armies launched a surprise attack on the Soviet Union, shattering Stalin's carefully laid plans. The ensuing conflict would be long and bloody, costing millions of lives and leaving an indelible scar on the world. The Red Hammer delves into this hidden narrative, meticulously piecing together the fragments of Stalin's grand strategy. Drawing upon declassified documents, expert analysis, and meticulous research, this book reveals the intricate web of deception, military buildup, and political maneuvering that characterized this audacious plan. It is a story of ambition, deception, and the unyielding pursuit of power. It is a story that has been largely forgotten, overshadowed by the horrors of the Second World War. But it is a story that deserves to be told for it offers a unique perspective on one of the most pivotal conflicts in human history. If you like this book, write a review.

The Evolution of Modern Grand Strategic Thought Lukas Milevski, 2017-07-04. In strategic studies and international relations, grand strategy is a frequently invoked concept. Yet despite its popularity, it is not well understood, and it has many definitions, some of which are even mutually contradictory. This state of affairs undermines its usefulness for scholars and practitioners alike. Lukas Milevski aims to remedy this situation by offering a conceptual history of grand strategy in the English language, analysing its evolution from 1805 to the present day in the writings of its major proponents. In doing so, he seeks to clarify the meaning and role of the concept, both theoretically and practically, and shed light on its continuing utility today.

The Geopolitics Of Super Power Colin S. Gray, 2014-10-17. What is Soviet-American competition all about? Is the Soviet Union a security problem that the United States must solve? Or is it an insecurity condition with which the U.S. must learn to live, and if so, on what terms? What kind of a player is the United States in the great game of power politics? In *The Geopolitics of Super Power*, one of our most respected strategic theorists answers these and other questions. In geopolitical terms, Colin Gray sees the Soviet-American antagonism as an enduring contest between a continental empire and a maritime coalition, each with its distinctive character and purposes. Gray explores the roots of the American style in foreign

policy and strategy and how that style relates to defense options He identifies four broad alternatives for U S national security policy passive and active means of containment disengagement from foreign security commitments and the rollback of the Soviet empire Gray argues vigorously for active containment for the systematic deemphasis of nuclear weapons and for the intelligent use for deterrence and defense purposes of the West s great competitive strengths in the political economic and technological spheres

Muslims' Perceptions of the Bush Doctrine Masoud Bonyanian, 2009 This book is an investigation of Muslims perceptions of Islamic Fundamentalism and of the United States foreign policy It specifically deals with the impact of the Bush Doctrine and examines how this doctrine served as a social political mechanism for mobilizing many Muslims The book offers guidance in how to end an era of distrust and discord between the Muslim and the Western worlds

might not be the The Grand Strategy Of The Soviet Union full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Grand Strategy Of The Soviet Union eBooks, including some popular titles.

FAQs About The Grand Strategy Of The Soviet Union Books

What is a The Grand Strategy Of The Soviet Union PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Grand Strategy Of The Soviet Union PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Grand Strategy Of The Soviet Union PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Grand Strategy Of The Soviet Union PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Grand Strategy Of The Soviet Union PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
