**Bowker's Complete Video Directory 2001**, 2001 **Bowker's Directory of Videocassettes for Children 1999** R R Bowker Publishing, Bowker, 1999-03 [The Adventure of A Lifetime](#) Polly L. Hall, 2007-08-08 We woke up early and excited It is June 1st and we have been on the road since May 15th In the back of our minds always lurks Oh God What have we done All our hopes and fears of someday are here Our house is sold all the money we have is with us Everything that is left is in the truck and trailer The only direction we can go from here is up and we have never been happier After my quite reflection of the past I realize that today we will see our new if temporary home Jo Jurgeliet has found us a place to rent It s an A frame about 20 x24 It was high up at mile 8 5 out of town No need to worry about the utilities there weren t any to speak of A propane bottle ran the stove refrigerator and water heater A fuel oil stove kept it warm and running water was a series of hoses going up the mountain behind the place and it was gravity flow from a stream up there There was no electricity or phone I finally decided that what didn t kill me would make me stronger and it did We were an awful sight that morning After some coffee and cereal we are headed home We are headed west from Whitehorse Yukon to Haines Junction It is 100 miles and the Milepost told us there are no gas stations in that stretch so we make sure the tank is full It took about 3 hours It was so quite you could imagine what it was like 100 years ago I think we were all reflecting on what the day would bring I am sure our poor cat Kitty Poo had decided he was going to spend the rest of his life in the back of the pickup truck We had never seen an extended cab in 1974 and with 4 of us in that front seat there was no room for the cat In all our travels in Alaska I have never seen a place more naturally beautiful that that stretch from Haines Junction going into Haines The only thing that compares to it is topping Baycrest Hill going into Homer so keep reading Our jobs and fits of exploring took us from Juneau Haines Homer Kodiak the Aleutian Islands to Fairbanks and south to Valdez and many other places in between so believe me this is spectacular The first major body of water is Kathleen Lake There are mountains of the St Elias and Wrangell ranges all snow covered and glowing in the sun There appears to be a lot of places set aside for camping About 15 miles south there is Dezadeash Lake and the Dezadeash Mountain Range Over the years the lodge and the German family running it were important to us Katie and Heinz ran the lodge bar gas station and garage with only a generator for power and the food could put many 4 Star restaurants to shame The road in front of us looks like a long winding snake On this June 1st there are still walls of snow on both sides of the road I insist we stop so I can take some pictures and I am glad we did In all the years and many more trips since I have never seen the walls of snow and ice we saw that day The wind is howling and we are climbing That poor truck is struggling with the load On we went and finally made the summit of Chilkat Pass over 6

000 feet the highest on the road The wind blows constantly and it did not take long to figure out the 12 poles along the road were markers so the snow equipment knew where the road was There are a lot of closures in winter As you travel along toward Haines in a short distance you see The Three Guardsmen and it is a sight to behold The mountains all white in the sun are directly behind the lake About 10 miles south of there is the old US Army pipeline For years it pumped oil from Haines over the St Elias Mountains to the Alaska Highway at Haines Junction in the Yukon We crossed the border from the Yukon into British Columbia about 40 miles ago Here we are at last at Pleasant Camp It is the Canadian Custom checkpoint and we are about to cross over into Alaska at last It s the only road into Haines and is 42 more miles of mountains *Alaska Adventure 55 Ways* John Wolfe, Jr., Rebecca Wolfe, 2022-06-01 Features hiking skiing paddling biking and more New and substantially revised trips with all new full color photos and maps throughout Emphasis on traverses and loop trips for both summer and winter always with simpler and shorter options Originally published in 1972 the classic guide known as 55 Ways to the Wilderness in Southcentral Alaska has been fully updated and reinvented as Alaska Adventure 55 Ways This robust reboot covers a diverse range of activities for year round fun from quick day trips to adventures that could extend to a week or longer including canoe trails wilderness cabins easy summits forest walks cross country ski routes summer mountain biking and winter fat bike trails wild skating and more John Wolfe Jr and Rebecca Wolfe a father daughter team describe activities spanning the broad swath of Southcentral Alaska 300 miles north to south and 350 miles east to west The guide features activities on the lakes and peaks of the Kenai Peninsula the Anchorage front range the Matanuska and Susitna Valleys and the Copper River basin taking in Chugach and Denali State Parks Chugach National Forest Kenai Fjords and Wrangell St Elias National Parks several wildlife refuges and portions of the Iditarod National Historic Trail With an emphasis on adventures regular people can enjoy and destinations that don t require highly technical skills expensive flights to remote locations or demanding levels of athletic fitness this guide appeals to all ages with family friendly shorter options and trip extensions adding up to more than a hundred ways to adventure **The Video Librarian** ,1997 Alaska 2000 Fodor's, Fodor's Travel Publications, Inc.
