Chapais,2016-08-26 The Great Intendant Thomas Chapais,2017-12-08 Excerpt from The Great Intendant A Chronicle of Jean Talon in Canada 1665 1672 The hour was auspicious for the entreaties of New France Petitions and statements were addressed to the king by Mgr de Laval the head of ecclesiastical affairs in the colony by the governor Avaugour and by the Jesuit fathers and Pierre Boucher governor of the district of Three Rivers was sent to France as a delegate to present them Louis and his minister studied the conditions of the colony on the St Lawrence and decided in 1663 to give it a new constitution The charter of the One Hundred Associates was cancelled and the old Council of Quebec formed in 1647 was reorganized under the name of the Sovereign Council This new governing body was to be composed of the governor the bishop About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Great Intendant** Thomas Chapais,2004-06-01 The magistrates were vigilant but the merchants were cunning and often succeeded in evading the tariff In July 1667 the habitants syndic appeared before the council to complain of the various devices resorted to by merchants to extort higher prices from the settlers than were allowed by law So the council made a ruling that all merchandise should be stamped in the presence of the syndic according to the prices of each kind and quality and ordered samples duly stamped in this way to be delivered to commissioners specially appointed for the purpose It will be seen that these regulations were minute and severe Trade was thus submitted to stern restrictions which would seem strange and unbearable in these days of freedom What an outcry there would be if parliament should attempt now to dictate to our merchants the selling price of their merchandise *The Intendant as a Political Agent Under Louis XIV ...* Allen Johnson,1899 **The Intendant System in Spanish America** Lillian Estelle Fisher,1929 The Greatest Works of Kate Douglas Wiggin (Illustrated Edition) Kate Douglas Wiggin,2023-12-06 In The Greatest Works of Kate Douglas Wiggin Illustrated Edition readers are invited into a richly illustrated compilation that showcases Wiggin s heartfelt narratives often centered around the themes of childhood innocence and the transformative power of love Her writing style characterized by vivid imagery and emotional depth captures the essence of early 20th century American literature where the idealization of rural life and the significance of familial bonds are prevalent This edition not only presents her beloved tales like Rebecca of Sunnybrook Farm and The Birds Christmas Carol but also enriches them with illustrations that bring her whimsical settings and characters to life enhancing the reader s experience and understanding of her poignant themes Kate Douglas Wiggin an esteemed American author and educator was a pioneer in children s literature and a staunch advocate for the importance of childhood education Her formative experiences including

Officialdom Unmasked T.L. Yang,2001-06-01 It has been said that the downfall of the Qing dynasty was due not so much to the 1911 Revolution as to the pervasive corruption and weakness within the Qing administration The regime was rotting from within and it did not take much to topple the three hundred year old dynasty Officialdom Unmasked was written by Li Boyuan in the early years of the twentieth century as the dynasty crumbled Bizarre though they may seem the stories told in the novel are based on true stories From senior ministers to junior clerks few were immune from taking bribes stealing philandering dereliction of duty or other wrongdoings Here the writer portrays an official class who placed their selfish interests above that of the state and who were so devoid of any moral rectitude that one could but wonder how a once mighty empire had fallen into so complete a decline Unlike most satires often written with a degree of humour which evoke a chuckle here and there this work came from a broken heart it brings only tears not smiles
