She was reaching toward her new self Heretofore she had ruled those about her proudly secure in her power and influence  
Now she saw that all along her influence had in not one jot exceeded that of the winsome girl She had no real power at all  
They went mercilessly on in the grim way of their fathers dealing justice even handed according to their own crude  
conceptions of it without thought of God or man She turned hot all over as she saw herself in this new light as she saw those  
about her indulgently smiling at her airs of the mistress of it It angered her though the smile might be good humored even

Delight* Jyotikar K PATTNI,2006-05-01 A Flight of Delight is a work of experiential philosophical text that contemplates the  
nature of such subtle topics as Karmic evolution Divine Cosmic Truth and the relationship between Divinity and Humankind  
Utilising an expressive narrative approach that places emphasis on description and aesthetics finely the author has  
endeavoured to render a thought provoking analysis in a prose poetic style The fine text touches the core concepts of  
theology that look at life as a freely flowing channel of energies in profound human experiences One of the central ideas of  
the work is the difference between institutional religion and experiential philosophy with the conceptual emphasis leaning  
toward the latter Fear destroys true faith Institutional religion is constrictive that remains fixated on rules systems and  
political bureaucracies A profound human spiritualism on the other hand suggests a cyclical direction of energy that flows  
without fear suppression oppression exploitation manipulation and falsity Realising and understanding compassion and love  
is much more important and significant than following set of doctrines in conflict This is attainable in spiritual evolution a self  
discovery in profound experiences without the confines of specific creed cast or race The discourse includes detailed  
explorations of different types of Vedic yoga s mantras and consciousness The emphasis placed on the pursuit of divine  
wisdom and divinity incorporates all of these elements to form a comprehensive insight of profound experience for the inner  
well ness and peace The reader of A Flight of Delight may also benefit from the organised structure afforded to the text The  
detailed explanation of the experiential theories familiarises the reader with carefully distilled notions of spiritualism and  
divinity Here is an extra ordinary work of self healing texts from a very special person who has journeyed through adversities  
himself The lyrics of this book are particularly special because the author writes from the depth of his heart to express in the

profoundest sense the relevance of the ancient Vedic Wisdom to the hectic modern world The mind enriching lyrics bring to us a re awakening of beautiful divinity filled with solace hope and compassionate love Life oh life Let it be a flight of delight
