

THE GREAT SUBSTITUTION

"If he has wronged you at all, or owes you anything,
charge that to my account. I, Paul, write this with my own hand:
I will repay it—to say nothing of your owing me even your own self"
(Philemon 1:18-19)

*"That if you confess...
you will be saved"
(Romans 10:9)*

The Great Substitution:

The Rage of Replacement Michael Feola, 2024-07-30 Tracing how the Great Replacement narrative has shaped far right extremism and propelled its dangerous political projects and acts of violence The Great Replacement narrative which imagines that historic white majorities are being intentionally replaced through immigration policies crafted by global elites has effectively mobilized racist nationalist and nativist movements in the United States and Europe The Rage of Replacement tracks how this narrative has shaped the politics and worldview of the far right binding its various camps into a community of rage obsessed with nostalgia for a white supremacist past Showing how the replacement narrative has found significant purchase in recent mainstream discourse through the rise of Trumpism right wing media figures like Tucker Carlson and events such as 2017's Unite the Right rally in Charlottesville Virginia Michael Feola diagnoses the dangers this racist theory poses as it shapes the far right imagination expands through civil society and deforms political culture In particular he tracks how the replacement narrative has given rise to malignant political strategies designed to take back the nation from its perceived enemies by force if deemed necessary Identifying the Great Replacement narrative as a central force behind the rise and expansion of far right extremism Feola shows how it has motivated a variety of dangerous political projects in pursuit of illiberal antidemocratic futures From calls for the creation of segregated white ethnostates to extremist violence such as the mass shootings in Christchurch El Paso and Buffalo The Rage of Replacement makes clear that replacement theory poses a dire threat to democracy and safety
