The Greatest Gresham Gillian Avery,1972 **The Greatest Gresham ... Illustrated by John Verney** Gillian Elise AVERY,1962 Genealogy of the Family of Gresham ... Granville William Gresham Leveson Gower,1883 History and genealogical data including heraldry of the Gresham family of England They lived in London as well as in the counties of Surrey Sussex Norfolk and elsewhere in England and several members of the family were significant in the political and economic history of the nation One such was Sir Thomas Gresham founder of the Royal Exchange Includes numerous extracts from parish registers for Gresham individuals and families *Gresham's Law* John Guy,2019-06-20 Thomas Gresham was arguably the first true wizard of global finance He rose through the mercantile worlds of London and Antwerp to become the hidden power behind three out of the five Tudor monarchs Today his name is remembered in economic doctrines in the institutions he founded and in the City of London's position at the economic centre of the earth Without Gresham England truly might have become a vassal state His manoeuvring released Elizabeth from a crushing burden of debt and allowed for vital military preparations during the wars of religion that set Europe ablaze Yet his deepest loyalties have remained enigmatic until now Drawing on vast new research and several startling discoveries the great Tudor historian John Guy recreates Gresham's life and singular personality with astonishing intimacy He reveals a calculating survivor flexible enough to do business with merchants and potentates no matter their religious or ideological convictions Yet his personal relationships were disturbingly transactional He was a figure of cold unsentimentality even to members of his own family Elizabeth I found herself at odds with Gresham's ambitions In their collisions and wary accommodations we see our own conflicts between national sovereignty and global capital foreshadowed A story of adventure and jeopardy greed and cunning loyalties divided mistaken or betrayed this is a biography fit for a merchant prince The Greatest Works of H.
