**The greatest story ever told** Fulton Oursler,1997 Fulton Oursler's *The Greatest Story Ever Told* was first broadcast as a weekly radio show in 1947 It is the enduring dramatic narrative of all time the life of Jesus Christ Starting with the birth of Jesus and his boyhood in Nazareth following his life and the people whose impact shaped it this is a timeless classic **The Greatest Story Ever Told (video).** ,1965 [The Greatest Story Ever Told](#) Fulton Oursler,1949 **The Greatest Story Ever Told** Robert Dickie,2020-05-06 The greatest story ever told is the story of Jesus Christ the Son of God It has captured the imaginations of millions of people and has given the world the most profound moral teachings in the history of mankind The story of Jesus as found in the Bible is unsurpassed for the beauty glory and wonders of its themes It is a story that towers over history and has filled the hearts of those who worship Jesus Christ with unceasing devotion and undying love Discover this wonderful and life changing story for yourself in *The Greatest Story Ever Told* **The Greatest Story Ever Told** Dr. Teresa A. White,2022-05-06 There is nothing more powerful than the Word of God These images are to bring more enlightenment to your understanding of the Word of God This book will help you to be more familiar with the Bible to understand the Scriptures better and to see what God is really saying through these stories It is to help build your faith because the word of God says in Romans 10 17 So then faith comes by hearing hearing by the word of God Not all who hear will respond Hearing and believing produce new life hearing and refusing produce death The problem is not with the message or the messenger but with the hearer Do hear the Word of God and be blessed This story is to let you see exactly how God operates through his holy Scriptures You see the Word of God is our Salvation our Anchor our Rock our Strong Tower According to John 8 32 You shall know the truth and the truth shall make you free God loves us dearly but he wants us to walk in obedience to him so that the enemy cannot have a free course in our lives *The Greatest Story Ever Told* Bear Grylls,2025-06-19 The incredible true story about a Galilean stonemason who changed the course of the world forever Beautifully told through the eyewitness accounts of those who knew him best This real life story will never leave you This is the incredible true story of a Galilean stonemason who changed the course of the world forever He lived and died over 2 000 years ago fulfilling expectations that existed long before his birth His birth had been mystically foretold by astrologers for hundreds of years yet the rulers of his day dreaded his coming This humble builder teacher became a magnet for the poor and down trodden a symbol of love and mercy who transformed the lives and restored the health and purpose in all who encountered him The local elite and governing rulers eventually tortured him and put him to death in the most violent and public of ways Yet that was only the beginning In the years since billions of people have dedicated their lives to this man and have testified to his divinity and truth To others he is little more than another rebel who was killed by one of the most brutal empires in human history How we each respond to this story dictates the course of our lives And it all rests on the great mystery that occurred at the end of his life a supernatural event that he had predicted with utter clarity Did this humble man

tell the truth Could one man really be the focal point of the universe Read on to find out and get ready to make up your own mind Wherever this journey takes you this is arguably THE GREATEST STORY EVER TOLD **The Greatest Story Ever Told** Fulton Oursler, 2013-10 This is a new release of the original 1949 edition *The Greatest Story Ever Told--So Far* Lawrence M. Krauss, 2017-03-21 From award winning physicist public intellectual and the bestselling author of *A Universe from Nothing* Lawrence Krauss comes a masterful blend of history modern physics and cosmic perspective that empowers the reader to not only embrace our understanding of the universe but also revel in what remains to be discovered Neil deGrasse Tyson American Museum of Natural History In this grand poetic vision of the universe Lawrence Krauss tells the dramatic story of the discovery of the hidden world that underlies reality and our place within it Reality is not what you think or sense it's weird wild and counterintuitive and its inner workings seem at least as implausible as the idea that something can come from nothing With his trademark wit and accessible style Krauss leads us to realms so small that they are invisible to microscopes to the birth and rebirth of light and into the natural forces that govern our existence His unique blend of rigorous research and engaging storytelling invites us into the lives and minds of remarkable scientists who have helped unravel the unexpected fabric of reality with reasoning rather than superstition and dogma and to explain how everything we see and can't see came about A passionate advocate for reason Krauss gives the rationale for the seemingly irrational and the mysteries and apparent contradictions of quantum physics and explores what that means for our lives here on Earth and beyond At its core *The Greatest Story Ever Told So Far* is about the best of what it means to be human an epic history of our ultimately purposeless universe that addresses the question Why are we here *The Greatest Story Ever Told, Etc. [A Life of Jesus Christ.]* Charles Fulton OURSLER, 1949 *The Greatest Story Ever Told*, 1962 **The Greatest Story Ever Told** Douglas K. Mikkelsen, 2004 The 1965 film *The Greatest Story Ever Told* ranks among the most popular Jesus movies ever made However the film inevitably leads viewers to ask Is that in the Bible or did they make that up or what *The Greatest Story Ever Told A Silver Screen Gospel* attempts to answer this question Provided is a scene by scene summary of and commentary on the movie The analysis is anchored by reviewing scenes of the movie alongside analogous events in the New Testament The detailed commentaries also explore the relationship of the scenes to other ancient literary sources such as the Old Testament Hebrew Bible non canonical gospels apocryphal literature ancient Jewish and Roman authors such as Josephus and Tacitus and more **The Second Greatest Story Ever Told** Michael Gaitley, MIC, 2015-02-19 In *The Second Greatest Story Ever Told* bestselling author Fr Michael Gaitley MIC reveals St John Paul II's witness for our time Building on the prophetic voices of Margaret Mary Alacoque Thérèse of Lisieux Maximilian Kolbe and Faustina Kowalska *The Second Greatest Story Ever Told* is more than a historical account of the Great Mercy Pope This book expounds on the profound connection between Divine Mercy and Marian consecration It serves as an inspiration for all those who desire to bear witness to the mercy of God focused on Christ and formed by Mary Now is the time of mercy Now is the time to make John Paul's

The Greatest Story Never Told Dan Sandler, 2019-09-25 Sometimes the greatest story ever told never really gets told Believers and unbelievers alike see God and his Word through our own lenses unintentionally filtering truth and seeking out teachers and communities whose image of God resembles our own As a result we have had conflict between religions denominations and those with opposing views for two millennia about the same story Comprised of layers of thought The Greatest Story Never Told invites students of the Bible to lay down what they think they know about God s Word and begin an adventure into the unknown by reading observing and looking at what might be to become like children again and experience the great story of the gospel with new eyes Taking this posture toward Scripture Daniel gives specific tools on how to read and reread the Bible through the lens of shifting cultural values language characteristics elements of story patterns of thought and driving national narratives of the biblical authors Christ followers will be challenged to rethink long held suppositions and to better understand the unfolding revelation God offers bringing us to intellectually honest theological positions
