Daley, 1997      *The Green Desert* Harri Webb, 1976-01-01      **The Green Desert** Rita Winters, 2004 The author chronicles fifteen days of her inner journey during which she retreats from her comfortable life into the Sonoran desert to live among half dead things and commune with the Creator of the universe in a quiet place      **The green desert** Edward Banks,      **The Green Desert** Rita Winters, 2001 Rita Winters burnt out creative director for a national advertising agency in Chicago reads a book about sabbaticals and retreat centers while flying back from a new business pitch On impulse she leaves her job and family behind books a flight to Tucson and begins her first silent retreat ever at the Desert House of Prayer in the Sonoran Desert It is here that Winters transformation from jaded workaholic to spiritual pilgrim begins The desert s stillness let me finally hear my own voice and occasionally what I thought to be God s And within it I came to feel connected to all those in the past who had sought the desert s isolation she writes By listening instead of talking Winters regains respect for the power of words Like the high desert that surrounds her she is made new and green by the hidden wells she discovers in herself and the ancient forbidding landscape      *The Green Desert* Harri Webb, 1969      **Paradoxes of Green** Gareth Doherty, 2017-02-07 This innovative multidisciplinary study considers the concept of green from multiple perspectives aesthetic architectural environmental political and social in the Kingdom of Bahrain where green has a long and deep history of appearing cooling productive and prosperous a radical contrast to the hot and hostile desert Although green is often celebrated in cities as a counter to gray urban environments green has not always been good for cities Similarly manifestation of the color green in arid urban environments is often in direct conflict with the practice of green from an environmental point of view This paradox is at the heart of the book In arid environments such as Bahrain the contradiction becomes extreme and even unsustainable Based on long term ethnographic fieldwork Gareth Doherty explores the landscapes of Bahrain where green represents a plethora of implicit human values and exists in dialectical tension with other culturally and environmentally significant colors and hues Explicit in his book is the argument that concepts of color and object are mutually defining and thus a discussion about green becomes a discussion about the creation of space and place      Saguaro National Park Will Macpheat, 2011-06-01 A collection of photographs taken in Saguaro National Park Arizona near Tucson      Geology of the Green River Desert-cataract Canyon Region Arthur Alan Baker, Emma Mertins Thom, 1946      At the Desert's Green Edge Amadeo M.
