The hidden world part 2 John Baselmans, 2015-05-24 Through these two books I want to show you as much as possible the completely blueprint where I've worked on for years It's my library a collection from which I work and the many documents that I now use as evidence This book is a collection of quotations from many books magazines newspapers internet documents and reports from others Therefore I see this book as a manual reference book for those interested It's important to me that finally there is a book where everything that is concealed for us for centuries is at a glance What you do with the information and how much it is worth to you to know these things is up to you Here I simply put those pieces that in my eyes came closest to the truth and which fitted together like a puzzle The past has big secrets which still are carefully concealed in the present By putting the many citations and articles at a glance we see a strong message Wake up people

The Academy, 1878 Theocrat Hank T. Cannon, 2013-11-30 Vycta Franks always considered himself a man of Faith an unconventional Faith a private Faith He believes what he feels he was told by God Follow my voice and your path but do not teach Do this and you will reach paradise When he died he went to Heaven where everyone has Faith They are still people and where there are people there is conflict Man warring on man because interpreting how to express Faith is still an issue Faith is always an issue From the orbiting paradisiac Principalities connected to the war ravaged spiritual earth by great orbital elevators to the hidden secret cospes man's free will is only trumped by God's law God was not a busybody on Earth he is not one in Heaven The Choir of Heaven keeps them from ultimate destruction while the discussions continue Vycta is drawn immediately into these wars of Faith Despite thinking he is different he is just another theocrat and he has a lot to learn about Faith and the even more precious Grace
