**Let's find out more about
the Last Hundred Days
Campaign (WWI)!**

The Hundred Days Campaign was a series of significant battles fought on the Western Front between August 1918 and November 1918 at the end of the World War I (WWI). The British, Belgian, French, and American soldiers launched a number of offensive actions, driving the German army from their significant springtime gains and compelling the German leadership to seek peace. The Hundred Days, actually just a total of 95 days, was the final, climactic battle of the WWI which began at the Battle of Amiens on 8 August until the Armistice on 11 November.

The Last Hundred Days:

The Last Hundred Days Patrick McGuinness, 2012-05-22 Once the gleaming Paris of the East Bucharest in 1989 is a world of corruption and paranoia in thrall to the repressive regime of Nicolae Ceau escu Old landmarks are falling to demolition crews grocery shelves are empty and informants are everywhere Into this state of crisis a young British man arrives to take a university post he never interviewed for He is taken under the wing of Leo O Heix a colleague and master of the black market and falls for the sleek Celia daughter of a party apparatchik Yet he soon learns that in this society friendships are compromised and loyalty is never absolute And as the regime s authority falters he finds himself uncomfortably then dangerously close to the eye of the storm By turns thrilling and satirical studded with poetry and understated revelation **The Last Hundred Days** captures the commonplace terror of Cold War Eastern Europe Patrick McGuinness s first novel is unforgettable

The Last 100 Days John Toland, 2014-11-26 A dramatic countdown of the final months of World War II in Europe **The Last 100 Days** brings to life the waning power and the ultimate submission of the Third Reich To reconstruct the tumultuous hundred days between Yalta and the fall of Berlin John Toland traveled more than 100 000 miles in twenty one countries and interviewed more than six hundred people from Hitler s personal chauffeur to Generals von Manteuffel Wenck and Heinrici from underground leaders to diplomats from top Allied field commanders to brave young GIs Toland adeptly weaves together these interviews using research from thousands of primary sources When it was first published **The Last 100 Days** made history revealing after action reports staff journals and top secret messages and personal documents previously unavailable to historians Since that time it has come to be regarded as one of the greatest historical narratives of the twentieth century

The Last 100 Days David B. Woolner, 2017-12-12 A revealing portrait of the end of Franklin Delano Roosevelt s life and presidency shedding new light on how he made his momentous final policy decisions The first hundred days of FDR s presidency are justly famous often viewed as a period of political action without equal in American history Yet as historian David B Woolner reveals the last hundred might very well surpass them in drama and consequence Drawing on new evidence Woolner shows how FDR called on every ounce of his diminishing energy to pursue what mattered most to him the establishment of the United Nations the reinvigoration of the New Deal and the possibility of a Jewish homeland in Palestine We see a president shorn of the usual distractions of office a man whose sense of personal responsibility for the American people bore heavily upon him As Woolner argues even in declining health FDR displayed remarkable political talent and foresight as he focused his energies on shaping the peace to come

Hundred Days Nick Lloyd, 2014-01-28 Describes the difficult and bloody four month battle that tipped the stalemate on the Western Front in favor of the Allies in 1918 and drove back the Germans bringing World War I to an end
