truth James Shepherd was named by the 1983 Stewart Royal Commission as second in charge of the Mr Asia Drug Syndicate and was given a 25 year sentence for his role The long years spent in jail contemplating the murder and misery caused by the syndicate convinced him that the full story needed to be told as a warning to others if nothing else The result is something unique as fascinating as it is horrifying It s the real insiders account of the multi million dollar kill or be killed world of our most notorious international drug syndicate **The Last Man Standing | Will Humanity Survive the fight against Evil**
