Committee on Agriculture and Forestry,1956 **Price of the Modi Years** Aakar Patel,2022-06-27 Columnist author and political commentator Aakar Patel has long been a close observer of the political scenario In Price of the Modi Years he seeks to explain the data and facts on India s performance under Narendra Modi Modi s predecessor Manmohan Singh had once said that Modi would be a disaster as prime minister This book shows how It concedes Modi s popularity this is an accounting of the damage he has wrought It is the history of India since 2014 assessing the damage across the polity from the economy national security federalism foreign relations legislations and the judiciary to media and civil society Our memories are not long news cycles are transient and incidents are forgotten or misclassified as being only episodic unless documented unified and placed together as a record And therefore this book a history of these present times The Cheyenne and Black Hills Stage and Express Routes Agnes Wright Spring,2025-06-24 In this detailed historical account Agnes Wright Spring chronicles the rise and fall of the Cheyenne and Black Hills Stage and Express routes critical arteries of transportation and communication during the gold rush era in the Dakota Territory Stretching between Cheyenne Wyoming and the mining camps of Deadwood and the Black Hills these routes were lifelines for prospectors merchants and lawmen during the 1870s Spring draws from archival materials diaries newspapers and oral histories to reconstruct the perilous journeys of stagecoaches across treacherous terrain past hostile outposts and through areas contested by Indigenous nations resisting encroachment She recounts the stories of famed drivers robbers scouts and entrepreneurs all of whom played a role

in this thrilling chapter of Western expansion The book also examines the economic political and military implications of the routes showing how they helped accelerate the settlement and destabilization of the Northern Plains With a storyteller's eye and a scholar's discipline Spring brings to life the dust danger and drama of stage travel on the edge of empire The Cheyenne and Black Hills Stage and Express Routes remains a key work for students of Western history transportation heritage and frontier mythmaking

A narrowing space: Violence and discrimination against India's religious minorities, 2017-06-29 Religious minorities have long been the target of a range of different forms of persecution such as hate crimes threats attacks on places of worship and forced conversion Nevertheless in recent years there has been rising hostility against India's religious minorities particularly since the current right wing BJP government promoting Hindu nationalism took power at the national level after its election in May 2014 In particular communal violence disproportionately affects India's religious minorities especially Muslims but also Christians and Sikhs While often instrumentalized for political gains communal violence draws on and exacerbates a climate of entrenched discrimination against India's religious minorities with far reaching social economic cultural and political dimensions Such violence is frequently met with impunity and in certain instances direct complicity from state actors ranging from inciting violence through hate speech to refusing to properly investigate communal incidents after they have occurred The aim of this short briefing is to contextualise these recent developments drawing attention to the ways communal violence is linked to wider discrimination against religious minorities and infringes upon their enjoyment of minority rights
