## **Slovo The Unfinished Autobiography:**

**Slovo** Joe Slovo, 1995 Both a personal and political book Joe Slovo's memoir covers many of the major events in his country's turbulent history as well as his own life story Unfinished at the time of his death in January 1995 Slovo's widow adds a fitting epilogue After Lives Barbara Harlow, 1996-11-17 History holds many examples of political activists who have paid for their politics with their lives From military suppressions to secretly engineered assassinations the price of revolutionary politics is often dear especially when the revolutionaries are writers whose only offences against the state are their words In a powerful study of three victims of political assassination Barbara Harlow explores the intricate relations between politically engaged imaginative writing and participation in revolutionary struggles Ghassan Kanafani in Palestine Roque Dalton in El Salvador and Ruth First in South Africa laboured on behalf of social revolutions that none of them lived to see In all three cases the result of the armed conflict in which they were involved has been negotiated settlements with the enemy After Lives explores the complex tensions that motivate and condition political writing as well as its legacies to the movements in whose names it was undertaken A product of political passion and engagement but also an impressive work of scholarship After Lives measures the costs and benefits that accrue to writers who put their lives and works on the line

**Rivonia's Children** Glenn Frankel, 2011 Rivonia's children is the harrowing and inspiring account of a number of white Jewish activists who risked their lives to battle apartheid when South Africa plunged into an era of darkness in the 1960s from which it has only recently emerged The Man behind the Beard Graham Dominy, 2023-12-01 Deneys Schreiner was an academic a scientist and a man of strong liberal principles with a good sense of humor and widespread interests in the sciences arts and public affairs In his steady way he transformed the University of Natal and the community around it Between the 1960s and 1980s Schreiner supported and initiated several endeavors to promote constitutional futures other than those imposed by the apartheid government One of the most significant was the Buthelezi Commission which he chaired This biography sets out the context of the times in which Schreiner lived and his life from his ancestors to his tenure as Vice Principal This book is created with extensive archival research supported by interviews with family members former colleagues friends and journalists Schreiner was a man who made a considerable contribution to the struggle for democracy in South Africa And then there is the story of his beard once described as a potent symbol of his presence and implacable integrity Print edition not for sale in Sub Saharan Africa **Armed Struggle and Democracy** Martin Legassick, 2002 The impact of the concept's of armed struggle for the notion's of democracy in South ern Africa is the focus of this paper Originally submitted to a conference on Re Conceptualising Democracy and Liberation in Southern Africa held in Windhoek Namibia during July 2002 it argues from the point of departure of the personal involvement of the author in the issues raised The author was part of a group which criticised the strategy of armed struggle in the ANC With this paper he inspires a debate which can claim relevance for current issues of democracy in South Africa and the Southern African region more

generally Given the degree of personal involvement of its author this analysis is contemporary history based on personal insights and provides arguments for a necessary discussion      Red Road to Freedom Tom Lodge,2022 Definitive and gripping narrative history of the Communist Party of South Africa      *Images of Terror* R.L. Bruckberger,Philip Jenkins,2018-01-16 The book acts as a guide to the images of terrorism that we see daily in the mass media The author believes that our perceptions of terrorism are formed by the interaction of bureaucratic agencies academics and private experts These images and stereotypes that we are offered do not necessarily reflect objective reality      Images of Terror Philip Jenkins, The book acts as a guide to the images of terrorism that we see daily in the mass media The author believes that our perceptions of terrorism are formed by the interaction of bureaucratic agencies academics and private experts These images and stereotypes that we are offered do not necessarily reflect objective reality      **The Hidden History of South Africa's Book and Reading Cultures** Archie L. Dick,2013-06-17 The Hidden History of South Africa s Book and Reading Cultures shows how the common practice of reading can illuminate the social and political history of a culture This ground breaking study reveals resistance strategies in the reading and writing practices of South Africans strategies that have been hidden until now for political reasons relating to the country s liberation struggles By looking to records from a slave lodge women s associations army education units universities courts libraries prison departments and political groups Archie Dick exposes the key works of fiction and non fiction magazines and newspapers that were read and discussed by political activists and prisoners Uncovering the book and library schemes that elites used to regulate reading Dick exposes incidences of intellectual fraud book theft censorship and book burning Through this innovative methodology Dick aptly shows how South African readers used reading and books to resist unjust regimes and build community across South Africa s class and racial barriers      **A Companion to African History** William H. Worger,Charles Ambler,Nwando Achebe,2018-09-11 Covers the history of the entire African continent from prehistory to the present day A Companion to African History embraces the diverse regions subject matter and disciplines of the African continent while also providing chronological and geographical coverage of basic historical developments Two dozen essays by leading international scholars explore the challenges facing this relatively new field of historical enquiry and present the dynamic ways in which historians and scholars from other fields such as archaeology anthropology political science and economics are forging new directions in thinking and research Comprised of six parts the book begins with thematic approaches to African history exploring the environment gender and family medical practices and more Section two covers Africa s early history and its pre colonial past early human adaptation the emergence of kingdoms royal power and warring states The third section looks at the era of the slave trade and European expansion Part four examines the process of conquest the discovery of diamonds and gold military and social response and more Colonialism is discussed in the sixth section with chapters on the economy transformed due to the development of agriculture and mining industries The last section studies the continent from post World War II all the way up to modern

times Aims at capturing the enthusiasms of practicing historians and encouraging similar passion in a new generation of scholars Emphasizes linkages within Africa as well as between the continent and other parts of the world All chapters include significant historiographical content and suggestions for further reading Written by a global team of writers with unique backgrounds and views Features case studies with illustrative examples In a field traditionally marked by narrow specialisms A Companion to African History is an ideal book for advanced students researchers historians and scholars looking for a broad yet unique overview of African history as a whole

**Apartheid, 1948-1994** Saul Dubow, 2014-05 This fresh interpretation of apartheid South Africa integrates histories of resistance with the analysis of power asking not only why apartheid was defeated but how it came to survive for so long

*Mandela* Tom Lodge, 2007-07-26 Nelson Mandela the first African politician to acquire a world following remains in the 21st century an iconic figure But what are the sources of his almost mythic appeal And to what extent did Mandela self consciously create the status of political hero that he now enjoys This new and highly revealing biography examines these questions in detail for the first time Drawing on a range of original sources it presents a host of fresh insights about the shaping of Mandela s personality and public persona from his childhood days and early activism through his long years of imprisonment to his presidency of the new South Africa Throughout Lodge emphasizes the crucial interplay between Mandela s public career and his personal or private world showing how his heroic status was a product both of his leading position within the anti apartheid movement and his own deliberate efforts to supply a form of quasi messianic leadership for that movement And as Lodge shows Mandela s huge international appeal is a compelling and unusual cocktail Of the sacred and the secular Of traditional African values and global media savvy And of human vulnerability interwoven with the grand narrative of liberation

*The SAGE Handbook of Feminist Theory* Mary Evans, Clare Hemmings, Marsha Henry, Hazel Johnstone, Sumi Madhok, Ania Plomien, Sadie Wearing, 2014-08-12 At no point in recorded history has there been an absence of intense and heated discussion about the subject of how to conduct relations between women and men This Handbook provides a comprehensive guide to these omnipresent issues and debates mapping the present and future of thinking about feminist theory The chapters gathered here present the state of the art in scholarship in the field covering Epistemology and marginality Literary visual and cultural representations Sexuality Macro and microeconomics of gender Conflict and peace The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been and are organized The authors bring a shared commitment to the critical appraisal of gender relations as well as a recognition that to think theoretically is not to detach concerns from lived experience but to extend the possibilities of understanding With this focus on theory and theorizing about the world in which we live this Handbook asks us across all disciplines and situations to abandon our taken for granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism It is an essential reference work for advanced students and

academics not only of feminist theory but of gender and sexuality across the humanities and social sciences      **Rethinking Revolution** Dan Connell, 2001 Rethinking Revolution brings to life the spirited and often contentious debates among frontline activists over how to unify and transform their societies toward greater economic social and political equality Looking at the most dynamic new social movements in several countries Connell examines how these groups are challenging and enriching strategic vision of leading political parties even as they redefine the nature of power and the struggle to achieve it A bold and provocative analysis Howard Zinn Thoughtful often brilliant Margaret Randall      **Treading the waters of history** Kondlo, Kwandiwe, Saunders, Chris, 2014-12-10 This volume is an anthology of thought pieces about the ANC contributed by a variety of scholars and thinkers It gives voice to a variety of perspectives on the subject The fact that some authors disagree with each other is all part of what will we hope be an on going debate The book originated from a series of public dialogues that began before the centenary year and continued afterwards being held at the University of Free State The first section covers reflections on how knowledge of the history of the ANC has advanced and the position of that history in the general history of the liberation struggle This section aids a critical appraisal of the state of primary sources used in writing the history of the ANC Chapters in the second half of the book consider some of the various contexts in which the ANC has operated and continues to operate These include the evolution of the ANC s economic policy and how it has changed over time the kind of leadership the organisation provided in redefining gender relations and most importantly the ANC and international relations especially seen from the vantage point of progressive internationalism The last section examines the evolution of Pan Africanism in the ANC s ideological development      *Young Mandela* David James Smith, 2025-05-01 Nelson Mandela is well known throughout the world as a heroic leader who symbolizes freedom and moral authority He is fixed in the public mind as the world s elder statesman the gray haired man with a kindly smile who spent 27 years in prison before becoming the first black president in South Africa But Nelson Mandela was not always elderly or benign And in *Young Mandela* award winning journalist and author David James Smith takes us deep into the heart of racist South Africa to paint a portrait of the Mandela that many have forgotten the committed revolutionary who left his family behind to live on the run adopting false names and disguises and organizing the first strikes to overthrow the apartheid state *Young Mandela* lifts the curtain on an icon s first steps to greatness      Cyril Ramaphosa Ray Hartley, 2018 A political biography of one of the great survivors of African politics a major figure in the anti apartheid struggle and close ally of Nelson Mandela      *Radical Jewish Politics* Nathaniel Deutsch, Alma Rachel Heckman, Tony Michels, 2025-12-09 For the first time this volume centers the rich but little known history of radical Jewish politics in the Middle East and North Africa and puts it into conversation with developments in the Americas South Africa Soviet Asia and Europe Jews were attracted to radical politics in the nineteenth and twentieth centuries to transform the societies they lived in but also out of a deep desire to belong Somewhat paradoxically then radical politics held out the enticing possibility of normalization for Jews even as it

frequently resulted in their further alienation or persecution In some cases Jewish radicals sought recognition and autonomy as Jews in others Jews labored to be accepted as full fledged citizens of their home countries in still others they tried to escape Jewishness altogether Jewish experiences of modernity colonialism race nationalism emancipation war and migration serve as the connective tissue that binds together radical Jewish politics from Baghdad to Buenos Aires      **Encyclopedia of Life Writing** Margaretta Jolly,2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms      **The Unmaking of a Conservative Africa** **Anything Is Possible** Peter James Cannon,2014-07-02 This is Peter Cannons first book He has extensive tripartite experience in basic human rights and organizational development His decades long cross cultural ability to deliver services professionally under varied conditions took place in Angola Bangladesh Botswana Canada Congo Egypt Ghana Kenya Liberia Lesotho Madagascar Malawi Mauritius Nigeria Norway Philippines South Africa South Korea Sudan Swaziland Togo Uganda Vietnam Zambia and Zimbabwe He resides with his wife Gudrun in North Kingstown Rhode Island
