**Small Means and Great Ends** M.H. Adams,2004-10 But I am getting off from my story I was saying that my young friend resided on the new land no the Mill Pond well it s all the same for when they dug down old Beacon Hill they threw the dirt into the Mill Pond and when it was filled up or made land the spot was still known as the Mill Pond and oftentimes was called the new land In later years there have been other portions added to the city by making wharves and filling up where the tide used to ebb and flow and where large vessels could float      **Ways of living on small means. Readers of *The Dialogue of Saint Catherine of Siena* will find her revelations from God as informative and formative as those who recognized her sanctity during her life. The universally applicable yet intimately personal messages she received from God are as much for us as they were for Catherine. We can read God s communications to his beloved daughter with detached awe or we can receive His messages to us through her writings. Do you long for certainty that Divine Providence exists in the midst of our chaotic world? Does your prayer seem too dry or too routine? Have you sought guidance for the challenges of your life from unhelpful people or things? Or has pride kept you from humble obedience to the Church? If so *The Dialogue* will provide consolation, encouragement and hope.      *The Mesnevi and the Acts of the Adept* Jalal al-Din
