The Moral Psychology of Regret Anna Gotlib,2019-10-21 What kind of an emotion is regret What difference does it make whether how and why we experience it and how does this experience shape our current and future thoughts decisions goals Under what conditions is regret appropriate Is it always one kind of

experience or does it vary based on who is doing the regretting and why How is regret different from other backward looking emotions In The Moral Psychology of Regret scholars from several disciplines including philosophy gender studies disability studies law and neuroscience come together to address these and other questions related to this ubiquitous emotion that so many of us seem to dread And while regret has been somewhat under theorized as a subject worthy of serious and careful attention this volume is offered with the intent of expanding the discourse on regret as an emotion of great moral significance that underwrites how we understand ourselves and each other *Take Your Soul to Work* Erica

Brown,2015-12-01 Practical inspired and bite sized wisdom from renowned religious scholar Erica Brown these daily meditations help add greater depth and purpose to your leadership Few leaders have a plan when it comes to soul building at work As a result they often find themselves spiritually or emotionally depleted and they can lose the larger ideals that made them want to lead in the first place Take Your Soul to Work is a daily meditational for business and nonprofit leaders looking for inspiration Each entry focuses on a different quality emotion or aspiration on discipline on compassion on impermanence on callousness on productive narcissism by presenting a relevant quote story or question inspired by the traditions of all faiths as well as artists poets and business thinkers to help leaders reframe rethink and reset Leaders rarely have time to reflect between the meeting calls and emails that eat away at the work day With just one thought per day for the entire year these 365 meditations will anchor ground and enrich corporate titans and nonprofit visionaries Take Your Soul to Work provides spiritual nourishment and encourages leaders to steer their organizations with honesty grace and courage and experience transcendence in the process *Mindful Pages: A Journey Towards Wellbeing, Anon Global Foundation* ANON

Global Foundation Interns,2024-08-30 Mindful Pages is a profound compilation of blogs and artwork meticulously crafted by the talented interns of the ANON Global Foundation This book delves into the crucial subjects of mental health and life skills reflecting the creativity and insights of our interns Each page is a testament to the transformative power of mindfulness and the journey towards wellbeing With a heartfelt approach Mindful Pages offers a unique perspective on the path to personal growth and inner peace **Climate Change Adaptation Manual** Andrea Prutsch,Torsten Grothmann,Sabine

McCallum,Inke Schauser,Rob Swart,2014-02-24 Due to the lack of success in climate change mitigation efforts the importance of adaptation is becoming more and more apparent and is now one of the main imperatives of international research and action However research on adaptation is mostly not directly applicable to adaptation policy or practice leaving a gap between scientific results and practical advice for decision makers and planners This book seeks to address this problem and bridge the gap and should provide readers with practical and applicable information on climate change adaptation Following an introduction the book is organised into four main sections each reflecting an essential component in the adaptation process Climate change adaptation is an emerging subject area and has gained increased political and academic attention within the last decade Whereas most books in the field focus on adaptation in developing countries this

volume provides an examination of predominantly European policy and offers interdisciplinary insight into cutting edge knowledge and lessons learnt in a relatively new field of implementation

Sitting with Warrior Carl Hitchens, 2010-12 As a Marine Corps veteran of an unpopular and divisive war Carl Hitchens contends that Sitting with Warrior chronicles not only his journey but America's as well By sitting and listening to Warrior's wisdom he has recovered lost parts of himself This gives America hope for stepping out of the long shadow of Vietnam that today stretches over Iraq and Afghanistan Hope that by sitting with Warrior and his unifying truth America can heal her old wounds Hope that she can draw from her pluralism and diversity unity rather than division out of many one Mr Hitchens weaves together personal history national history and myth into an expose on the Vietnam War seeing it as an epoch of America's evolving consciousness from birth of the nation through its many transitions of giving form to its founding ideals Inner teacher Warrior a Nanticoke warrior of the seventeenth century shares his wisdom with his grandson and in doing so reveals the mystery of the warrior spirit It is by this inner warrior that we self actualize into this ongoing experience of life whereby we learn grow and by courage conquering self doubt become the noble being inside ourselves It is this invisible being seeking objectification through the perfecting of our human potential that we embrace our warrior nature and fight illusion with ultimate truth We are Warrior Warrior's spiritual perspective on war life death the meaning of existence addresses those fundamental questions of human origin and purpose Hitchens' view is both insightful and honoring of life lived and sacrificed in pursuit of higher meaning Drawing on spiritual science and warrior perspective he navigates the reader through the inner workings of the human condition enfolding within it war as an ironic outcropping of consciousness raging for fuller integration
