The Successful Investor Today Larry E.

Swedroe, 2007-04-01 What does it take to achieve superior performance and become a successful investor Rather than great stock pricing or market timing skills it is far better for you to understand how the markets work and how to make them work best for you Larry E Swedroe argues that the right strategy never changes no matter whether the bull is stampeding or the bear has emerged from hibernation The Successful Investor Today was written during one of the greatest bear markets of the post World War II era a bear market that was a result of the inevitable bursting of the technology led bubble of the late 1990s what Federal Reserve Chairman Alan Greenspan called irrational exuberance Although millions of investors unnecessarily incurred trillions of dollars in losses neither this bubble nor the ensuing devastating losses were anything new Despite all the horrible investment experiences that have been reported those investors who followed the fourteen simple truths outlined in this book including the building of globally diversified portfolios did not suffer the devastating losses experienced by many others The fourteen simple truths withstand the tests of logic and time in the way the stock market really works rather than

the way Wall Street and the media would have you believe it works Since it is generally held that those who fail to plan plan to fail an investor must begin with an investment plan Your plan should be tailored to conform to your unique ability willingness and need to take risk In The Successful Investor Today you will learn how to build write implement and manage your investment plan over time This book will help you become a better and more informed investor and it will help you achieve your financial goals by gradually increasing your wealth Apart from offering an up to date winning strategy The Successful Investor Today presents an efficient and proven way to avoid the most common and costly mistakes investors continue to make

Eventually, you will very discover a additional experience and triumph by spending more cash. nevertheless when? reach you consent that you require to acquire those all needs taking into consideration having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to comprehend even more going on for the globe, experience, some places, similar to history, amusement, and a lot more?
