Smore Parables From Paradise:

S'more Parables from Paradise Kenneth Smith, 2003-12 Hawai i is more than tourist facilities on the sandy beaches of the blue Pacific Ocean Behind the scenes there are real people of diverse cultures with great historical sequences S more Parables from Paradise explores the people the cultures the flora and the fauna of the tropical islands A parable is an earthly story with a heavenly meaning Behind these parables of paradise are bits of spiritual sustenance that enable a person to grow spiritually Join the author that through his eyes and ears you may experience a new Hawai i Fall in love with an Aloha that binds many together and makes Hawai i a very special place and event **Puget Sound Parables** Kenneth W.

Smith, 2009-09-16 The early Christian church faced a plethora of religious fronts a religious clergy that determined the way that Hebrew worship should go with 10 commandments and 613 legal emendations A state religion of the conqueror Rome that elevated the emperor to almost divine status pagan religions that hosted hundreds of deities a secularism that permeated all of society and a disorganized group of seekers who kept searching for God s will To this world Jesus came to heal teach and preach with parables Forsaking argumentation and dependence upon present erudite culture Jesus told the same story that brought its salient point to the listeners as simple parables marked Jesus theology In the year 2009 we face a similar audience along with the addition of the lure of the Internet These parables speak to every group but are not Scripture Scripture leads every parable for it is the will of God that we seek whether individually as families a nation or a world that God speaks to us in stories The author invites you to continue in parables finding your own *JAMES, CAMEL KNEES*

Kenneth Smith, 2008-01-18 Ken Smith the author believes in Christian biographical novels Working from Biblical passage to Biblical passage the story is told revealing culture thoughts and feelings that dominated the lives of Biblical persons James the brother of Jesus is a fascinating person a real person Perhaps this story is the how when where and why of the fact that James was the titular head of the church of the Way in Jerusalem the mother church of the Christian faith With Peter and John James is reputed by Paul the Apostle to be one of the three pillars of the early church He plays a fascinating part in the life of Jesus the Messiah Where others had to overcome a distance from Jesus to accept him as lord James had to overcome a familial closeness to see Jesus as more than an older brother or a good provider or a skilled craftsman or a first son to know Jesus as the Messiah With James experience life in Jesus family the changes that were necessary as the teachings of Jesus became more than the creed of the early church Walk with James through the early formation and controversies of the followers of the Way that would become the Christian church Homosexual Theology Ken Smith, 2012-07-24 What does

God think of Homosexuality After all He created it He also created heterosexuality This short book is an attempt to find out what God thinks and so we use as much scripture as we can to find out Objectivity is difficult when you are related to the subject That has been the aim of the author Also there is a willingness to abide by the conclusions The author invites you on a journey through the Bible riding and abiding on the subject of sexuality *Books In Print 2004-2005* Ed Bowker Staff, Staff

Thompson,2003-06 The author dares the reader after reading his book not to believe in the here after He feels you will have to sit down and strongly reflect on the subject and pass judgment on it if you never have before and that your curiosity will be aroused as never before His short ghost stories are very convincing that there is such a life because they show the interaction of humans and the other world after death It will unfold what is mystifying unclear baffling and unexplainable It will clarify what the scientific world is powerless to explain You will read about people who have great psychic abilities and mediums who join the two worlds together It will fortify your beliefs that there is something more than this life and that you are watched and helped by those from the beyond **Parables from (a Not Quite) Paradise, NV 89154** William N.

Thompson,2003-12 The Earth filled with the sickness of hate and violence blew up in the year 2039 leaving thousands of residents already on the Moon and Mars and satellite islands circling the Earth as orphans of the storm Youthful travelers of different races and religious cultures on a marvelous space ship called The Moon Glow find a refreshing fellowship in which they question whether organized religion might have been able to stem Earth s demise What if they had all been more faithful to their teachings Romance adventure and travel in space and on the Moon along with a lot of soul searching now combine with a strange visitor who travels instantaneously by Thought Transference and is part of a Spirit People culture in a far universe He too has found the message of the Creator and offers them the assurance that they are not alone Christian Jew and Moslem confront the inconsistencies of the various Faith groups and try also to deal with racial prejudice They are forced to admit that some of this may have been a part of the incendiary fuse that set off the nuclear destruction of nearly eleven billion people *Althea in Paradise* Dorine Daniels,2025-07-23 *Althea in Paradise* Parables from the Islands Jesus Teachings Althea the Preaching Giraffe stood tall on the deck of a bright canoe her long neck catching the ocean wind as the islands of Hawaii shimmered in the morning light By her side Elliot the Parrot perched on a rolled up scroll ready to announce the Word Coco the Panda leaned quietly against a stack of journals already sketching lessons they might learn And Love the Kangaroo She bounced between barrels of pineapples and bananas already thrilled for what this new land would teach This isn t a vacation Althea whispered eyes steady on the mountains ahead This is a mission We ve come to study the parables of Jesus Why parables asked Coco his tone gentle and deep Althea gazed into the waves as her voice grew tender Because they re Jesus way of saying Look again A parable is a truth wrapped in story A kingdom mystery disguised as a

farmer s seed a shepherd s search a merchant s pearl They may seem simple but each one reveals a truth we must never forget Elliot flapped his wings So this trip is about uncovering treasure Yes Althea said Parables are treasure maps Each one leads us closer to God s heart And Hawaii with its mountains groves oceans and orchards will help us show these lessons like never before Love did a mid air spin Adventure scripture sunshine and snacks Count me in Althea smiled Then let s begin One parable one lesson one island at a time Be blessed Minister Dorine Daniels
