Everyone loves hearing a good story Even better than a told story however is one that unfolds before your eyes I noticed that if I read a story from the Bible the children in my Sunday school class were often not listening However if I told the story while drawing it out cartoon style on a large sheet of paper taped to the wall the kids were riveted to the story These are the drafts of the Bible stories that I used to teach the children in Sunday school I would start the drawing with the background hills or buildings in the first panel and then I would add the characters in the foreground as they are introduced to the story This idea for drawing the Bible stories while telling them is from a book I read many years ago I have not been able to find that book again Therefore I am providing these sketches in hopes that someone else can use them The stories are listed in the same order as they are in the Bible Kids of all ages benefit by knowing the Bible stories **Bible Journaling Made Simple** Sandy Allnock,2018-10-17 Draw closer to God and creatively unlock more of the Good Book Your relationship with God is unique Shouldn t your Bible reflect and celebrate that bond In this introduction to Bible journaling you ll discover meaningful ways to combine art heart and scripture from backgrounds to hand lettered verses to beautiful full page drawings No
