Slide Libraries Betty Jo Irvine, P. Eileen Fry, 1979 *Art Museum Libraries and Librarianship* Joan M. Benedetti, 2007

Although most art museums possess a library of some kind these facilities are often hidden from the public and seldom discussed in library schools despite the important role they play as substantial research venues Co published with the Art Libraries Society of North America *Art Museum Libraries and Librarianship* serves as an introduction to the field of art museum librarianship and its diverse settings Editor Joan Benedetti has compiled contributions from practicing art museum librarians to present sixteen chapters that address the topics of leadership reader services automation security cataloging space planning collection development visual resources ephemera special collections archives fundraising public relations volunteers and interns professional development and solo librarianship Each chapter consists of several essays that deal with the distinct environment of art museum libraries from the largest research collections that serve many curatorial departments and multiple administrative layers to the smallest solo librarian venues whose unsung staff work in relative isolation The book concludes with a collection of brief institutional profiles which include statistical and descriptive information on fifteen diverse art museum libraries in the U S Canada and Europe appendixes that describe academic programs offering dual degrees in librarianship and art list international professional associations for art museum librarians and provide sample policies and procedures in use today in art museum libraries a bibliography and an index *Art Museum Libraries and Librarianship* the first publication of its kind is illustrated with over 90 black and white images of art museums their libraries and items from their collections *The multimedia Library* James Cabeciras, 1982-01-28 The multimedia Library Library Catalog of the Metropolitan Museum of Art, New York : Supplement Metropolitan Museum of Art (New York, N.Y.). Library, 1962 Building Library Collections Arthur Curley, Dorothy M. Broderick, 1985 A classic Topics include resource sharing networks the importance of nonbook formats the greater complexity of censorship challenges and the expansion of the library s informational role **Non-standard Collection Management** M. Pearce, 2018-11-09 First published in 1992 this volume recognises that it is not unusual when practising librarianship to come across small to medium collections within the library which because they are different from the main collection are outside the librarian s experience or are a new type of material not properly managed or exploited Therefore this volume contains chapters on a range of materials which are united by a certain rarity in the experience of most librarians It is aimed at those who need to know how to progress from scratch with a collection but not necessarily to take it into complete specialization There is information about characteristics of each type of material as well as guidance for their management Lists of further reading are provided and a note of some important collections **Multimedia Information Resources** Paul Terence McNally, 1997 Provides practical guidelines for librarians and educators for developing organising and managing a multimedia collection
