**Fractured** Sandra Windsor, 2021-03-04

It's just a move, her father said. Her mother shrugged. Sarah cried. Fourteen and her dream country club life shattered. It's not just a move; it's a move to a farm with fields and animals and miles of dusty roads between farmhouses. She isn't even part of a town. Neither is her mother. These two lives move in parallel as each negotiates change within the confines of the 1950s Midwest mores. A perfect family: executive father, trophy wife, two daughters, until this move rips the scabs off the marriage and fractures the family structure. Readers will be swept away by **FRACTURED**, a timeless coming-of-age novel with an unforgettable heroine. Set in the 1950s, the novel evokes a more innocent time, but Sandra Windsor has a few plot twists up her sleeve that show the darkness hiding behind even the most perfect-seeming family. Windsor is a

masterful storyteller with remarkable insight into the human condition This novel is full of heart Take a Look in the Mirror Marilyn McDonald,2019-04-06 Take a Look in the Mirror is more than a book of poetry It is a collection of passionately inspiring messages targeted to diverse youth all races and socio economic circumstances From low self esteem to self doubt the collection takes readers on a journey of self awareness and personal empowerment We live in a time where even our youth are defined by what is portrayed on social media magazines and movies What is natural is no longer considered enough and what is artificial is now considered the standard of what young people should aspire to be Take a Look in the Mirror plants seeds of love necessary to combat today s unrealistic cultural values that dictate how our youth should look act and feel about themselves It encourages our youth to embrace who they are and understand that they are strong intelligent bold powerful capable influential resilient and beautiful just the way they are **Niccolo's Smile**
